

CIRCULAR

It is to inform all the New Duplex colony dwellers that the main water tank which is feeding the water to the colony is needed cleaning of sludge/washing and sanitization. In view of above it may need two days i.e, on 04/05/2020 & 05/05/2020 to do the task. It is to request all the residence to stock water and use economically so that water crisis during cleaning period may not cause problem.

The urgent need of water is managed by water tanker, though it won't be sufficient may like to bear with us.
