CIRCULAR

It has come to the notice of the University that certain affiliated colleges are facing difficulties in implementing the research courses prescribed under the Undergraduate Curriculum and Credit Framework for Four-Year Undergraduate Programmes.

In this regard, the following may kindly be noted:

1. As per the approved Curriculum and Credit Framework for Undergraduate Programmes, students are required to pursue the Minor discipline only up to the 6th Semester.
2. During the 7th and 8th Semesters, students shall pursue only the Major discipline. Accordingly, no Minor course shall be offered during these semesters.
3. In addition to the Major discipline courses, students are required to complete the following research courses:
 - Research Methodology in the 7th Semester.
 - Research and Publication Ethics in the 8th Semester.
4. The Research Methodology course shall be offered by the Major Department of the students. The students shall study this paper in their respective Major Department along with the other Major discipline courses.
5. The Research and Publication Ethics course prescribed in the 8th Semester is common in nature. Therefore, colleges may, if deemed appropriate, conduct instruction for this paper jointly by combining students from different departments.

All Principals of affiliated colleges are requested to ensure that the above provisions are followed while offering the research courses in the 7th and 8th Semesters under the Undergraduate Curriculum and Credit Framework.
