Subject: Regarding the registration of students and faculty of your University/College for the Winter Training and Internship 2026 - 2027.

Respected Sir,

In alignment with the **National Education Policy (NEP) 2020** and the vision of **Viksit Bharat @2047**, India is rapidly advancing its capabilities in the global space economy. To support the goals of the **Indian Space Policy 2023**, it is essential to bridge the gap between academic learning and technical expertise. Strengthening research and innovation within our Higher Education Institutions (HEIs) remains a primary objective to ensure a self-reliant and technologically empowered nation.

India Space Academy is pleased to announce the commencement of its **Winter Training and Internship 2026-27**. This initiative is designed to provide students and faculty with high-level technical skills in the specialized domain of:

➤ Remote Sensing and GIS: From Satellite Data to Machine Learning

The program is delivered in two batches and in two phases to ensure a comprehensive transition from theory to application:

Batch	Category	Details
Batch 1	Phase 1: Training Sessions	23 Nov 2026 – 09 Dec 2026
	Phase 2: Project work	10 Dec 2026 – 06 Jan 2027
Batch 2	Phase 1: Training Sessions	27 Jan 2027 – 12 Feb 2027
	Phase 2: Project work	13 Feb 2027 – 13 Mar 2027

Program Details:

- **Mode:** Online
- **Language:** English
- **Eligibility:** UG/PG/PhD Students, Research Scholars, Faculty, and Professionals.
- **Technical Requirements:** Laptop/Desktop with a stable internet connection
- **Certification:** Participants will be eligible for a Training Certificate (15 days) and an Internship Completion Letter (45 days) upon successful submission of the required projects.
- **Tuition Fees:** ₹1750/- (Non Refundable)
- Available Limited seats per batch are as follows:
- **Batch 1: 1140 seats**
- **Batch 2: 1250 seats**

We cordially invite the students and faculty of your esteemed institution to participate in this national-level capacity-building program. The exposure to advanced scientific tools and direct interaction with subject matter experts will significantly enhance the technical proficiency and research output of your departments.

An official letter and training coursework have been attached to this letter for more information and details.

The Chancellor/Vice-Chancellor/Director/Principal/Heads of Departments are requested to circulate this circular among all relevant academic circles, put the information on your institution's website and other channels to ensure maximum registration so that they can benefit from the program.

Your active participation will significantly contribute to enhancing the technical skills and innovation potential of students and teachers.

Registration Details

- **Registration Start Date (Batch 1 & 2):** 18 Sept 2026 (Friday)
- **Registration End Date (Batch 1):** 14th Nov 2026 (Saturday)
- **Registration End Date (Batch 2):** 20th Jan 2027 (Wednesday)
- **Registration Link:** www.isa.ac.in/internship

Note:

No stipend/Remuneration/Financial Assistance will be given during the winter training.

To,
Prof. Shivaraja
Vice Chancellor
Rajiv Gandhi University, Rono hills, Doimukh,
Arunachal Pradesh- India.

Respected Sir/Madam,

Greetings from India Space Academy.

We are pleased to share details of the **Winter Training & Internship 2026-27**, a 45-day online training and internship program focused on:

Remote Sensing and GIS: From Satellite Data to Machine Learning

The program is designed for **UG/PG/PhD students, research scholars, faculty members, lecturers, and eligible professionals** interested in developing practical skills in Remote Sensing, GIS, Satellite Data Analysis, and Machine Learning.

Program Schedule:**Batch 1**

- Phase 1 – Training Sessions: 23 Nov 2026 – 09 Dec 2026
- Phase 2 – Project Work: 10 Dec 2026 – 06 Jan 2027

Batch 2

- Phase 1 – Training Sessions: 27 Jan 2027 – 12 Feb 2027
- Phase 2 – Project Work: 13 Feb 2027 – 13 Mar 2027

Key Details

- **Mode:** Online via Zoom + LMS Portal
- **Session Duration:** 120-minute daily sessions during the training phase
- **Eligibility:** UG/PG/PhD Students, Research Scholars, Faculty, Lecturers, and eligible professionals
- **Requirement:** Laptop/Desktop with stable internet connection

- **Program Duration: 45 Days**
- **Tuition Fee: ₹1,750/- (Non-Refundable)**

Certification

- **Internship Completion Letter (45 Days):** Upon successful project submission
- **Training Certificate (15 Days):** For participants completing the training without the project component

Registration Details:

Registration Start: 18 September 2026

Batch 1 Registration Deadline: 14 November 2026

Batch 2 Registration Deadline: 20 January 2027

Registration Link: www.isa.ac.in/internship

We kindly request you to **circulate the above program information among the relevant students, faculty members, and departments within your institution** who may be interested in the program.

The **official circular, flyer, and detailed training coursework** are also available for reference and circulation.

We would appreciate your support in sharing this information through your institution's appropriate communication channels.

For any queries or further information, please feel free to contact us.
