F. No. RGU/REG-153/SB/21

Dated: 27.08.2026

CIRCULAR

It has come to the notice of the University Administration that some residents are disposing of garbage/waste materials outside the dustbins instead of depositing them properly inside the dustbins. As a result, garbage accumulates around the dustbins, making the surroundings unhygienic and unpleasant and causing difficulty for the personnel engaged for collecting the same.

It has also been observed that the agency engaged for garbage collection is burning the collected waste instead of disposing of it properly, resulting in excessive smoke and posing health hazards to campus dwellers. The agency is, therefore, strictly directed not to burn garbage/waste materials under any circumstances and to ensure their proper collection and disposal as per the prescribed terms and conditions on the agreement.

All campus dwellers are advised to dispose of their waste only inside the dustbins to maintain a clean and healthy campus environment.

All concerned are requested to extend their cooperation in maintaining a clean, hygienic, and healthy campus environment.
