

F/No.ADMIN-22/2023/4/2026

Dated 20th July, 2026

Circular

It has been observed with serious concern that a large number of external/unauthorized individuals are regularly entering the university campus to engage in recreational activities such as football, badminton, jogging, and walking. In many instances, these individuals are entering at the invitation of campus residents.

While the university encourages a vibrant community, this unregulated influx of outsiders poses significant risks to campus security, peace, and the maintenance of university property.

Therefore, all students, faculty, staff members, and campus residents are hereby strictly directed **not to invite, facilitate, or allow the entry of outsiders** into the university campus for any recreational or non-official purposes without obtaining prior written permission from the competent authority.

Any violation of these instructions will be viewed seriously and may invite appropriate disciplinary action.
