

## Workshop on Orchid Cultivation

**20–21 August 2026**

*Under the DBT Project*

**"Micropropagation of Selected Orchids and On-site Training on Orchid Cultivation for Skill Development and Entrepreneurship Promotion in Arunachal Pradesh"**

### About the Institutional Biotech Hub

Established in 2012 at Rajiv Gandhi University (RGU) with funding from the Department of Biotechnology (DBT), the Institutional Biotech Hub serves as a platform for quality teaching, advanced research, and hands-on training in biotechnology. The hub has provided students and faculty members with opportunities to learn modern laboratory techniques and strengthen research skills through practical exposure

### About the Workshop

This two-day workshop is designed to provide practical knowledge and skills through lectures by subject experts and hands-on experience in orchid cultivation, establishment and management of orchidariums, and marketing opportunities and entrepreneurship development.

### Eligibility of the Participants

- UG, PG, PhD students of Life Sciences and Agriculture disciplines who are not a bonafide student of RGU
- Floriculturists and Orchid enthusiasts (min. qualification Class 10)

### Registration

Only 20 participants will be selected for the workshop on a first-come, first-served basis, subject to eligibility.

**Last Date for Registration: 12Aug.2026**

Registration Link: <https://forms.gle/JEUz6FLTb1hWoimJ7>
