

PLACEMENT BULLETIN

2019-20

RAJIV GANDHI UNIVERSITY
(A Central University)

Rono Hills, Doimukh,
Arunachal Pradesh, India

Website: www.rgu.ac.in

From Vice-Chancellor's Desk

I am happy to know that the placement cell of Rajiv Gandhi University is publishing its first ever placement bulletin. The placement cell was created recently in the university keeping in view the importance of placement activities and its contribution in the overall performance of the University. I would like to express my gratefulness to Brig. (Dr.) B. D. Mishra (Retd.), the Hon'ble Governor of Arunachal Pradesh and the Chief Rector of Rajiv Gandhi University for his personal initiative and guidance in establishing the Placement Cell in RGU. The role of placement cell is not only to help and motivate the students for placement but also to upgrade the university in NAAC and NIRF ranking. Rajiv Gandhi University being the lone central university in Arunachal Pradesh has much potential in creating human resource and could attract different companies and organisations for conducting placement drives to meet their Human Resource requirements. With the existence of placement cell, I am hopeful that there will be more placements of our students in different companies and organisations in coming days. I wish our students will take best advantage of this cell.

I wish you all a bright future ahead.

Prof. Saket Kushwaha
Vice-Chancellor

From Professor In-charge Desk

Rajiv Gandhi University, Rono Hills is the lone central university in the state of Arunachal Pradesh that impart higher education and conduct continuous research activities on contemporary issues. The university designs its course structure as per changing socio-economic condition and industrial demands. The infrastructural facilities and qualified professors impart best knowledge to the students to become quality human resources for the society. The placement cell, RGU has been set up to provide latest facilities to the students to avail placement opportunities and campus recruitment drives. I would like to see our students availing the facilities and get placement in different companies with handsome packages.

I wish success to all my students.

Prof. Tasi Kaye
Professor In-Charge
RGU, Rono Hills

About RGU

Rajiv Gandhi University (formerly Arunachal University) is the premier institution for higher education in the state of Arunachal Pradesh and has completed thirty five years of its existence. Late Smt. Indira Gandhi, the then Prime Minister of India, laid the foundation stone of the university on 4th February 1984 at Rono Hills, where the present campus is located. Ever since its inception, the university has been trying to achieve excellence and fulfill the objectives as envisaged in the University Act.

The University is located atop Rono Hills on a picturesque tableland of 302 acres overlooking the river Dikrong. It is 6.5 km away from the National Highway 52-A and 25 km away from Itanagar, the State capital. The campus is linked with the National Highway by a Dikrong bridge. The teaching and research programmes of the University are designed with a view to play a positive role in the socio-economic and cultural development of the State. The University has been extending educational facilities to the students from the neighbouring States, particularly Assam. The strength of students in different Departments of University and in affiliated colleges has been steadily increasing.

The students from the University have found placements not only in State and Central Government Services, but also in various institutions, industries and organizations. Many students have come out successful in the National Eligibility Test (NET). Since inception, the University has made significant progress in teaching, research, innovations in curriculum development and developing infrastructure.

Placement Cell, RGU

On 19th February 2019 Placement Cell was created in RGU under the chairmanship of Prof. Saket Khuswaha, Hon'ble Vice-Chancellor, Rajiv Gandhi University with the Dean, Faculty of Commerce and Management as a Professor-in-charge and the Jt Registrar (Aca. & Conf.) as the convener, Coordinator Career Counseling Cell as the member coordinator.

The main activity of the Placement Cell is to promote and provide a platform for placement of the interested student through campus recruitment.

Structure of Placement Cell, RGU

1. Advisory Committee

The Advisory Committee with 22 members is the highest decision making body for the Placement Cell constituted for a term of three years. Honorable Vice Chancellor, Rajiv Gandhi University is the ex-officio chairman and the Jt Registrar (Aca. & Conf.) is the convener. The coordinator, Career Counseling Cell is the member coordinator. The committee meets twice in a year with one meeting in each semester.

2. **Working Committee**

The Working Committee with eight members under the chairmanship of Professor in-charge, Placement Cell will function as second highest decision making body. The committee meets four times in a year with two meetings in each semester. The main function of this committee is to guide the day-to-day functions of the placement cell.

3. **Core Staff**

The placement activity is primarily managed by the Placement Cell headed by Professor in-charge with the help of the Placement Officer and other staffs.

Roles of Placement Cell, RGU

- 1) Invitation to potential recruiters to visit the University.
- 2) Formation of Students' Placement Committees for final placement and also for getting industrial training and industry linked project work for students.
- 3) Preparation of Placement Brochure for final placement.
- 4) Pre-placement visits (PPV) to the companies, if required.
- 5) Communication, networking and relationship building with the potential recruiters.
- 6) Continuation of placement activities after the stipulated period, till all the students are placed.
- 7) Grooming and training of the candidates for the placements so that their chances of selection increase.
- 8) General follow-up, joining formalities and other administrative activities.
- 9) Liaisoning with government, private and semi government sectors for recruitment and placement of students.
- 10) Display of any employment news or opportunities in the appropriate places for wide circulation of the students.
- 11) Conducting awareness camp/ workshop/ seminars/ talks, etc on various issues related to soft skill and personality development of the students.
- 12) To invite resource persons from outside corporate and government/semi government institutions to motivate, encourage, train and reorient the students for improving employability.

MoU with NERIST, Nirjuli and NIT, Yupia

A tripartite Memorandum of Understanding (MOU) was signed between NERIST, Nirjuli, NIT-AP, Yupia and RGU, Rono-Hills, Doimukh for placement of students on 13th August 2019 at NERIST, Nirjuli for Pool Campus Recruitment Drive.

Placement Procedure

1. Invitations are sent to companies through email along with response sheets enquiring about the recruitment details. A soft copy of placement brochure is also sent with the mail.

2. The company fills the response sheet and sends it by e-mail to the placement cell, RGU. The job Announcement is being sent by the company to placement cell
3. Once the details about the vacancies are received, mutually a convenient date is fixed for campus recruitment.
4. Once date is fixed, the announcement letter of campus recruitment is circulated to the students through mail, by broadcasting on RGU website & notice sent to the departments to display on the notice board
5. Thereafter, the travel plans are obtained from the company. The accommodations and necessary logistic support are given for the recruitment process.
6. Subsequently, the candidates are shortlisted for the placement drive.
7. Recruitment process starts with written test / group discussion / presentation / interview, etc.
8. The offers are made by the company to the successful candidates for appointment
9. The students may accept the offer letter and sign it and sent it to the company through placement cell, RGU.
10. Placement cell ensures that the selected student reaches to the organization on specified date.
