No. RGU/REG-16/19

29th January 2021

CIRCULAR

It has been observed that some applicants for various Teaching positions in RGU are using Social Media in spreading wrong messages about the University and its authority. It is to be mentioned that University has been maintaining just and transparent method in whole process of recruitment. Different committees have been constituted to undertake the tasks. After proper scrutiny of the applications by the Screening Committee, all the applicants have been given an opportunity to submit claims with supporting documents and objections on stipulated time frame through the dedicated customize emails only. Those claims and objections are being checked/scrutinised by the committee duly constituted to finalize the final eligibility list.

In view of this, those applicants who are indulging in spreading rumours in the Social Media which amounts to defaming of the University and its authority are asked to refrain from such nefarious design. An appropriate step will be taken against those individual(s) if they continue with such malign campaign.
