Under DBT Funded Chemical Ecology Programme

“CHROMATOGRAPHY for
separation of Biomolecules
from Natural Products.”

Venue

Department of Zoology Rajiv Gandhi University

Rono Hills, Doimukh
Itanagar – 791112
Arunachal Pradesh

About the Workshop

Department of Zoology, Rajiv Gandhi University, Itanagar is organizing a short-term workshop on Analytical Instruments & their Application (GCMS & HPLC) from 13-15th June 2019. This is the first workshop on advanced equipment like GCMS being organize by any institute in Arunachal Pradesh.

The course module includes- introductory lectures by Prof. Jharna Chakravorty, RGU and Prof. Mousomi Poddar Sarkar, University of Calcutta, Kolkata, hands-on training by GCMS experts from Bangalore & Kolkata, data interpretation session and interactive sessions with experts. Study materials and video clipping will be provided to the participants for future use.

Applications for the Workshop

Interested students/researchers/faculties from northeast region may apply on or before 30th May 2019 in the prescribed format along with curriculum vitae. Please send the duly filled in application form along with CV to jharnargu@gmail.com on or before May 30, 2019.

Registration Fee

Every selected participant will have to submit a registration fee of Rs.1000/- at the time of his/her registration for the workshop.

Accommodation for the Participants

The selected participants will be provided accommodation in the University guest house on

payment basis. Please indicate if you need accommodation to attend the workshop.

Workshop Kit and Lunch

All the selected participants will be provided with workshop kit, snacks and lunch during the three-day workshop. However, the participants will have to bear the cost of breakfast and dinner in the University guest house

Travel /Dearness Allowance

No TA/DA will be provided to any selected participant. Thus, researchers are suggested to look for funds from their own resources to attend the workshop.

Selection of the Participants

Selected participants will be notified positively by June 01, 2019 positively by phone as well as by email.

Detail course module will be sent to the selected candidate.

Convener of the Workshop

Prof. Jharna Chakravorty, Head, Department of Zoology and a member of the consortium of Chemical Ecology programme funded by Department of Biotechnology, Government of India.

Organizing Secretary

Dr. Manuj Kumar Bharali, Assistant Professor, Department of Zoology, Rajiv Gandhi University (A Central University), Itanagar, Arunachal Pradesh.

WORKSHOP for NORTHEAST RESEACHERS ON “ANALYTICAL INSTRUMENTS and ITS APPLICATIONS (GCMS and HPLC)”

(13 June- 15June 2019)

Registration Form

Name of the Applicant:	
Designation:	Department:
Mobile No. :	Email:
Ph.D. Registration No. and Date: (In case of Research Scholars)	
Research Experience:	
Research Topic and brief description of proposed research work (Applicable for Research Scholars):	
How do you think attending this workshop on Analytical Instruments and Its Applications will be useful in your research activities? (Not more than 100 words):	
Please mention whether you would like to learn any other analytical method which is not mentioned in the Brochure of the Workshop:	
Accommodation Required (Y/N)	
Signature of the Applicant	Signature of Ph.D. Supervisor/Guide

Organized by

Department of Zoology, Rajiv Gandhi University, Rono Hills, Doimukh, Arunachal Pradesh
