Acknowledgements

We the organizers would like to extend our heartfelt thanks to Hon'ble Vice- chancellor, Prof. Saket Kushwaha for his support and encouragement to conduct live interactive programme for the students during Pandemic time.

We would like to extend our immense gratitude to the resource person, Mr. K. Hariharan, Vice President (Corporate) of SKS Ispat and Power Limited, Raipur for accepting our request to be a resource person in the live webinar.

We are also thankful to all the student participants from different departments of our university as well as the students of other institutes for their active participation in the programme.

Finally, we would like to extend our sincere thanks to each and everyone who were directly or indirectly involved in making the workshop a grand success.

Workshop Organizing Committee

Organizing Committee

Organizing Committee Members

1. Prof. Tasi Kaye, Organising Secretary
2. Dr. Ashok Sharma, Joint Organising Secretary

Part 1: Preface

Background

The Covid-19 epidemic has led to unimaginable times and conditions, forcing the world to remain within homes. The crisis has affected economies to a large extent and has also jeopardized employment opportunities for many with students community being no exception. Hence Placement Cell, RGU sought to reach out to the students at this crucial juncture to understand the effect of the pandemic on their lives and career opportunities. With live interactive session, Placement cell thought of motivating the students to look for progressive life and future prospects of their career. Though students were going through an uncertainty, placement cell, RGU ensured that the students must utilize pandemic time to boost their skills and getting career ready. Nowadays, Job demands for cognitive skills and competencies making reskilling and upskilling a need of the hour. Hence, the live interactive session was organised.

Objectives

The main objectives of the webinar were:

1. To inform students about impact of lockdown on campus placements and career opportunities.
2. To motivate students to utilize lockdown time effectively to develop their skills.
3. To make students aware about post lockdown career prospects.

Themes

The major theme of the one day live interactive session was:

1. COVID-19 Pandemic
2. Recruitment & Campus Placement

Resource Persons

The Resource Person/Speaker was Mr. K. Hariharan, presently holding the position of Vice-President (Corporate) in SKS ISPAT & Power Limited located at Raipur, Jharkhand. He is also HR expert. Mr. Hariharan has 30 years of experience in Administrative & HR work. He has vast experience as a motivator, influencer and speaker in various events.

About the Sponsoring Agency

The webinar was sponsored by Rajiv Gandhi University, Rono Hills, Doimukh.

Budget

Rs 2000/- being paid as honorarium to the resource person was the only expense involved in conducting webinar.

Part 2: Session Details

Inaugural Session

The programme was started with inaugural session from 11.00 am with the welcome speech delivered by Prof. Tasi Kaye, Organising Secretary and Professor- in-Charge, Placement Cell who appraised the main purpose of the live interactive session during such a crisis. The webinar was attended by around 100 students.

Prof. Saket Kushwaha, Hon'ble Vice-Chancellor, RGU was the Chief Guest of the programme. He delivered introductory speech to the participants while congratulating the placement cell, RGU for initiating student oriented webinar in such a crisis situation. He had highlighted the need and importance of career counseling during lockdown period. He also emphasized on the skill development of students and availing online platform to tap various resources for career development.

Live Technical Sessions

The resource person, Mr. K. Hariharan, Vice-President (Corporate) in SKS ISPAT & Power Limited, Raipur enthusiastically addressed live participants on the topic 'pandemic and its impact on campus placement and recruitment'. He informed the participants that placement scenario is bit blurry in the nation now, as there is limited clarity on when will the lockdown be lifted. According to him, this was because the firms are too caught in stagnation, with their decision on hiring and expanding due the pandemic and its effects. The startups, small and medium sized companies have been affected badly by the crunch caused by the lockdown. Many firms were giving pay cuts, freezing salary hikes, no promotions and hiring was getting slow. The organizations did not have any clarity on whether they can do any fresh hiring or not. However, he emphasized on tapping opportunity available online during lockdown period. He had encouraged students to develop good habits to improve their personality to get employed after lockdown gets over.

Further, Mr. Hariharan has suggested the participants that after the completion of their academic courses they have to be ready to serve any part of the country. The area specific approach of the unemployed youth leads to lesser chance of getting employed. The concept of PAN India must be in the mind of the students while choosing the career path. The speaker also highlighted the online available opportunities such as internship, part time work from home and freelancing jobs.

The speaker emphasized mostly on the post Covid-19 scenario and employment opportunities through campus placement as well as open recruitment. At the end of the live session, the resource person cleared the doubts of participants regarding placement drives and recruitment related issues and also motivated them immensely for the career ahead. At last he shared few tips with participants to get motivated and being positive during pandemic time.

Valedictory Session

The session was chaired by Prof. Tasi Kaye, Organizing Secretary, Mr. K. Hariharan, Vice-President (Corporate) in SKS ISPAT & Power Limited, Raipur and Dr. Ashok Sharma, Joint Organizing Secretary. During Valedictory, an announcement about distribution of e-certificate for the participants was made. It was informed that participants would get their participation certificate in their email ID within a week.

The Live Technical session on Zoom was concluded with vote of thanks delivered by Dr. Ashok Sharma the Assistant coordinator and Placement Officer.

Part 3: Outcome of the Programme

Immediate Implications in the context of Knowledge

- i. General awareness about work from home opportunities for the students.
- ii. Knowledge about various placement related challenges and opportunities during pandemic.
- iii. Awareness about the employment possibilities of post Covid-19 period.

Policy Implications

- i. Need of proper internet connections along with the updated device to stay updated with the world.
- ii. Understanding the importance of information technology for career development during pandemic.

Other Implications (if any)

- i. The live interactive session highlighted the work from home opportunities and inspired the participants to avail it.
- ii. Participants would devote the lockdown time to improve their skills, so to become employable after pandemic.
