### Conversion of percentage into credit(s) and grade(s)

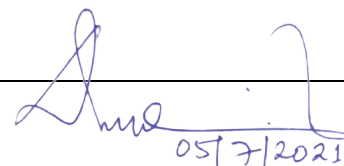

- The following illustrations shall be taken as an example for computing SGPA and CGPA from percentage to credits for this programme in all disciplines:
- Percentage to Grades and Grade Points: The following formula shall be used to convert marks (%) into letter grades.

% of Marks	Grade Point	Letter Grade
95-100	10	O (Outstanding)
85-94	9	A++ (Excellent)
75-84	8	A+ (Very Good)
65-74	7	A (Good)
55-64	6	B+ (Above Average)
45-54	5	B (Average)
35-44	4	C (Pass)
34 and less	0	D (Fail)
Absent	0	Ab (Absent)

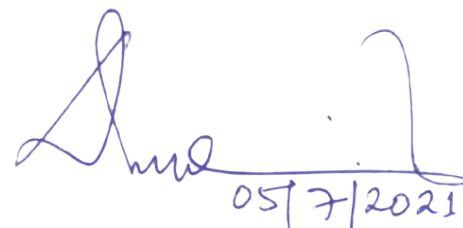

- Conversion to grade point to percentage = Grade Point x 10.0
- A student obtaining Grade D shall be considered failed and shall be required to reappear in the examination, as per university ordinance.
