Message from the Vice-Chancellor

It gives me immense pleasure to inform that the Rajiv Gandhi University, Rono Hills, Doimukh, Arunachal Pradesh stood 2nd in the All India Central University Ranking 2020. Rajiv Gandhi University emphasizes on continuous development of employability skills of the students through its updated and holistic academic curriculum. The University gives much importance to the innovative research and development along with the vibrant academic activities. Our University became the center for multi-activity hub for the youth, students, academicians and for the researchers. The university has been successfully producing quality manpower to serve the nation in various capacities. We are proud to put our students into the larger world of public life and employment where they are raring to prove their nerve and ability to serve the nation at their best of capacity. Hence, I invite all the recruiters from corporate sectors and PSUs to associate with our university and be a part of our student's career journey by putting trust on the capabilities of our students. I look forward to our valued partnership.

Best wishes to my students and hearty welcome to the recruiters.

Prof. Saket Kushwaha
Vice-Chancellor

From The Desk of Pro Vice-Chancellor

The dynamics of the present scenario have made it inevitable for an academy institution to create a new level of academic activity to equip the stakeholder with the right kind of knowledge, technical skills, and innovation. Alongwith hard work, sincerity and promptness are also the major parameter of success among the students of the Rajiv Gandhi University, Rono Hills. Our university believes that knowledge and dedication are the best powers required to transform a nation. Our university trusts on complete personality development of students through various extracurricular activities beyond the regular academic curriculum progress. This is manifested in the minds of our students who develop superior analytical and decision making skills to apply them in the corporate world.

The central Placement Cell, RGU organizes activities and workshops that enable students to be effective team leaders as well as team players. Our university has developed an Entrepreneurship Cell and the pool of highly experienced placement coordinators in various departments and institutions/centres regularly guide students for getting meaningful employment. I am confident that a student of Rajiv Gandhi University will always emerge as a champion in any situation to deal effectively in future. It's my privilege to invite recruiters to visit our campus for the placement of our talented students.

Best wishes to all.

Prof. Amitava Mitra
Pro Vice-Chancellor

Few Words from Registrar

It gives me immense pleasure to welcome the recruiters to Rajiv Gandhi University, Rono-Hills, Doimukh (Itanagar), Arunachal Pradesh for the placement activities. I feel proud to announce that Rajiv Gandhi University has been producing batches of graduates prepared for consideration of the industry and corporate sector. Our graduation programme is carefully designed to prepare our students to make valuable contribution to the organizations they may serve. At RGU we have created some of the finest facilities for imparting technical education to our students. The relevant projects are conceptualized by the faculty members who are conversant with all the academic programmes offered by our globally recognized institute.

Our assessment of these students is inclined to assist the evaluation process and instill the core values in these young students so that they can serve the organization with professionalism, dedication and integrity of the highest form.

Rajiv Gandhi University has recently earned 2nd rank in central University Ranking-2020. It has not only met specific standards of excellence, but has also made a commitment to ongoing improvement to ensure that the institution will continue to deliver high quality education to its students. I can give a strong assurance that our students will live up to the expectations of all the recruiters. I welcome all the recruiters to read this booklet to know more about our academic courses and put trust on our students for placement.

Wish you all the Best!

Dr. N.T Rikam
Registrar

From the Desk of Professor-In-Charge, Placement Cell

Dear Recruiters, I am privileged to welcome you all to the Rajiv Gandhi University, Arunachal Pradesh, India. Ever since this institute was established way back in 1984 it has been playing a very significant role in shaping and moulding the careers of aspiring young minds of students through creation of plethora of possibilities for tomorrow. The academic environment of teaching and learning in our university is unique and very recently it has been ranked 2nd among the central universities in India. We are striving hard to inculcate with high ethical and moral values in our students alongwith making them innovative and creative to serve the society. It is my proud privilege to extend warm invitation to the esteemed organizations to participate in the campus recruitment of our students in the campus. It is my privilege to let you know that Rajiv Gandhi University has turned into a centre of excellence both in technical education and higher education to combat the growing need of professionals in the state as well as in India in its 36th year of existence.

I wish success to all my students and welcome all the recruiters.

Prof. Tasi Kaye
Professor In-Charge

From the Desk of Placement Officer

At the outset, I take the pleasure of inviting the Corporates/PSUs to participate in the 'On Campus/Virtual Campus/Pool Campus Recruitment' process of the Rajiv Gandhi University for the Session 2020-21. Rajiv Gandhi University bagged the best Central University title in the Year 2020 during the 3rd Himalayan Educators Summit-2020.

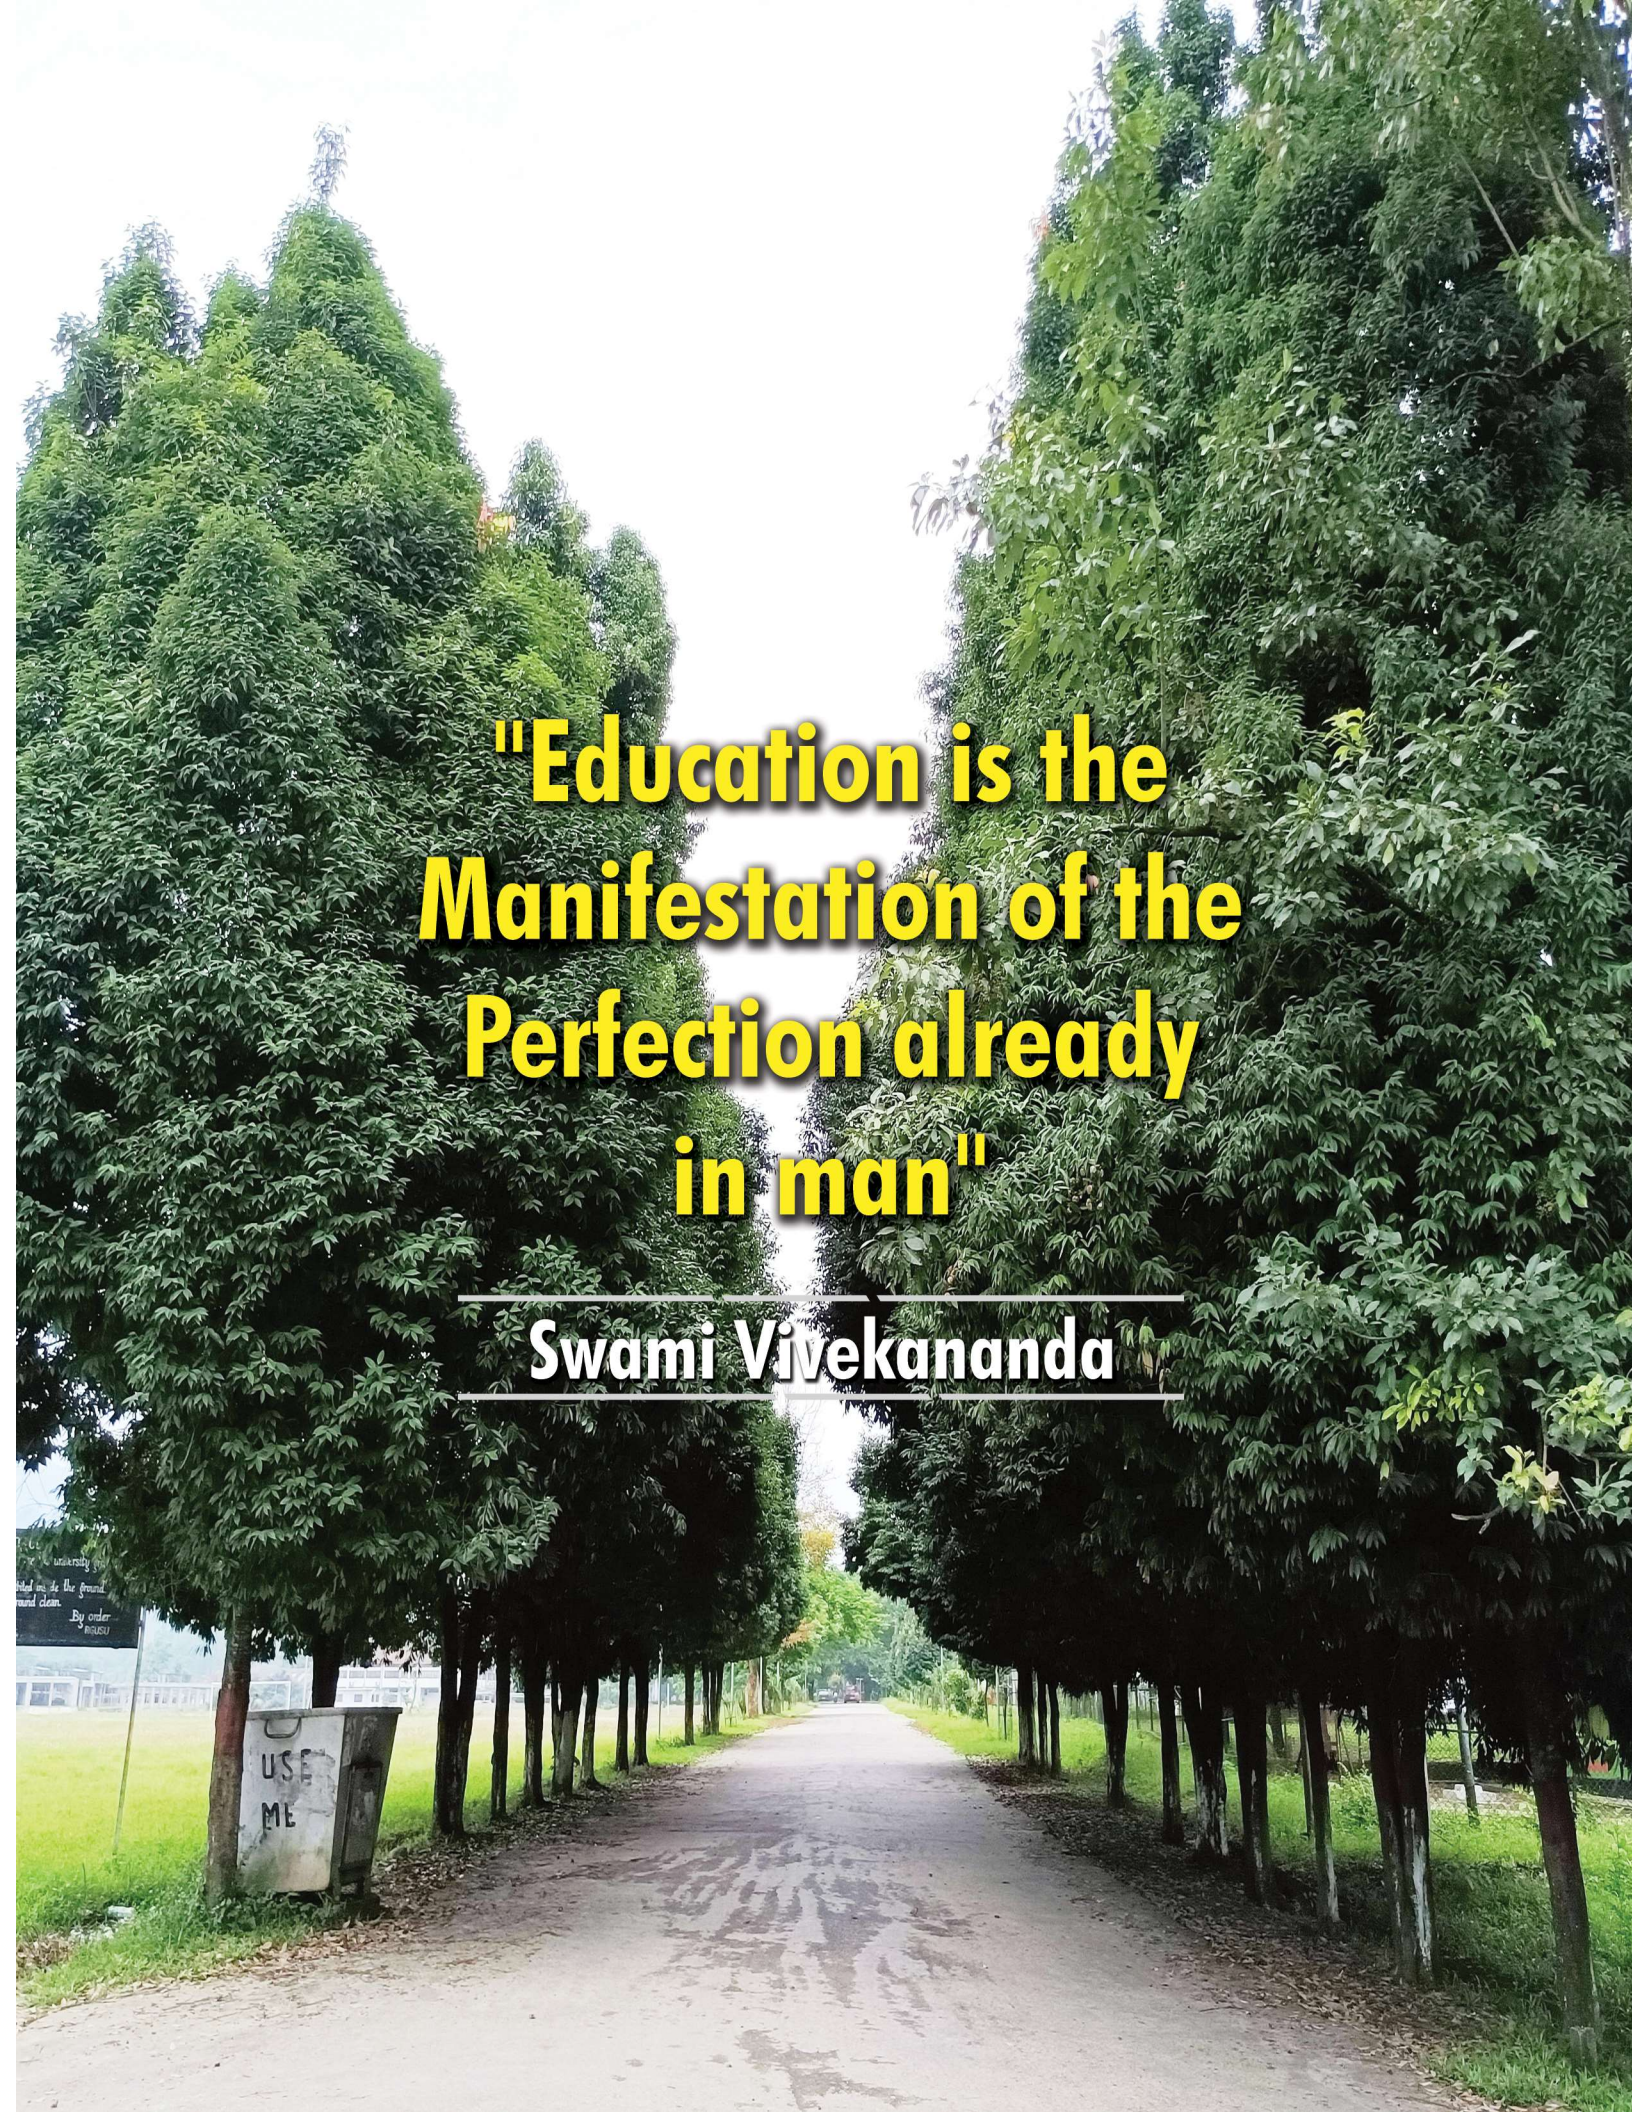

Our university offers various Postgraduate, Undergraduate, PG Diploma, Diploma & Certificate courses in the varied disciplines which allow various students from different socio-economic backgrounds to be part of our institution for learning. Thus, Rajiv Gandhi University, Rono Hills, Itanagar, Arunachal Pradesh is inviting you to Campus recruitment drive for M.Tech (Computer Science & Engineering), M.Tech (Electronics & Communication), LLM, MCA, BCA, MBA, M.Com, MSW, MA (Mass Comm), BFA, BMus, B.PEd, B.Ed, MA (in all the discipline of Social Sciences including Languages), MSc (in all the discipline of Basic & Life Sciences), B.Sc (Geology), PG Diploma in (Banking & Insurance, Tourism Management, Mass Communication, Geo-informatics), Diploma in Computerized Accounting for 2020-21 batch. It will be our privilege to join hands with your prestigious organization where our students will get a better career opportunity. We can assure you that our untapped talents, if selected, will shine at your organization.

Our university is very much interested to organize a placement drive in our campus or through virtual campus during February-April for 4th/6th/8th Semester students. The university students shall be appearing in their final semester examination in the month of May.

Finally, we look forward to receiving your tentative schedule to visit Rajiv Gandhi University Campus located at the beautiful Rono Hills. I assure you that the Placement Cell, RGU will provide all the assistance for the campus placement. I sincerely hope that the collaboration with your organization will build a long lasting relationship with our University.

With Best Regards.

Dr. Ashok Sharma
Placement Officer

01. ABOUT RAJIV GANDHI UNIVERSITY

Rajiv Gandhi University (formerly Arunachal University) is the premier institution of higher learning in the state of Arunachal Pradesh and has completed thirty six years of its existence. Late Smt. Indira Gandhi, the then Prime Minister of India laid the foundation stone of the university on 4th February 1984 at Rono Hills, where the present campus is located. Ever since its inception, the university has been trying to achieve excellence and fulfill the objectives as envisaged in the University Act.

The University is located at Rono Hills on a picturesque tableland of 302 acres over-looking the river Dikrong. It is 6.5 km away from the National Highway 52-A and 25 km away from Itanagar, the state capital. The campus is linked with the National Highway by a Dikrong bridge. The teaching and research programmes of the University are designed for its active and positive role in the socio-economic and cultural development of the state. The University has been extending educational facilities to the students from the neighboring States, particularly Assam. The strength of students in different Departments of University and in affiliated colleges has been increasing on a regular basis.

Rajiv Gandhi University with its motto "Vidhyaamritshnute" i.e. "Excellence and Immortality through nectar of Education" has been striving to maintain high standards in both teaching and research. Years of concerted efforts have shown the signs of quantitative progress. The percentage of the students clearing the NET/ SLET and other national tests like RNGF, INSPIRE, etc. is fairly high. Campus recruitment programme by leading recruiters has been there. The research potential of the University is being strengthened by increasing number of registered Ph.D.scholars and offering fellowship to regular M.Phil and Ph.D scholars. Two Research Journals, one each in English, and Hindi, are published regularly.

The University has also signed MOUs at various times with some of the leading universities and institutions viz. (i) RIHN, Kyoto, Japan, (ii) University of Missouri, Colombia, USA, (iii) Semnan University, Iran. (iv) IGNOU, New Delhi (v) MAKAIS, Kolkata, (vi) Shodganga (INFLINET), (vii) Indian Institute of Entrepreneurship (IEE), Guwahati, (ix) University of South Florida, The USA, (x) NERIST, Nirjuli, besides others for collaborative research and higher studies. Disseminate and upgrade knowledge on various key areas. In a span of 37 years, the Rajiv Gandhi University has grown into an institution with proven academic excellence, social commitment and cultural interest with a clear vision for its growth.

02. PLACEMENT CELL

On 19th February 2019 Placement Cell was created in RGU under the chairmanship of Prof. Saket Khuswaha, Hon'ble Vice-Chancellor, Rajiv Gandhi University with the Dean, Faculty of Commerce and Management as a Professor-in-charge and the Jt. Registrar (Aca. & Conf.) as the convener, and Coordinator, Career Counseling Cell as the member coordinator. The main activity of the Placement Cell is to promote and provide a platform for placement of the interested student through campus recruitment.

On 13th August 2020 Placement Cell, RGU organized a one day live interactive session on 'Impact of Covid-19 Pandemic on Recruitment and Campus'. The purpose of the webinar was to inform the students/ participants about the effect of the pandemic on their lives and career opportunities. With live interactive session, the Placement cell thought of motivating the students to look for progressive life and future prospects of their career. Placement cell, RGU ensured that the students must utilize the pandemic time to boost their skills and getting career-ready.

Again on 1st October 2020 the Placement Cell in collaboration with Career Counseling Cell, RGU and National Stock Exchange (NSE) organized a one day webinar on 'Investor Awareness & Career Opportunities in Financial Markets' for the UG/PG students. The purpose of the webinar was to make students aware about the career opportunities in the Financial Markets and to motivate students to utilize and to develop their skills. The one day webinar also gave counseling regarding the career prospects in National Stock Exchange (NSE) by the NSE certified resource person.

03. PROGRAMMES OFFERED

1. UNDER GRADUATE:

Bachelor of Computer Application
Bachelor of Education
Bachelor of Fine Arts
Bachelor of Music
Bachelor of Physical Education
Bachelor of Science in Geology
Bachelor of Science in Agriculture

2. POST GRADUATE:

Master of Arts in Anthropology
Master of Commerce
Master of Arts in Economics
Master of Arts in Education
Master of Arts in English
Master of Arts in geography
Master of Arts in Hindi
Master of Arts in History
Master of Arts in Mass Communication
Master of Arts in Political science
Master of Arts in Psychology
Master of Arts in Social Work
Master of Business Administration
Master of Computer Application
Master of Education
Master of Technology (CSE)
Master of Technology (ECE)
Master of Science in Botany
Master of Science in Chemistry
Master of Science in Mathematics & Computing
Master of Science in Physics
Master of Science in Zoology

Master of Science in Statistics
Master of Science in Agriculture Economics
Master of Science in Agronomy
Master of Science in Agricultural Entomology
Master of Science in Food Technology
Master of Science in Applied Geology
Master of Law (LLM-Legum Megister)
Master of Performing Arts (MPA)
Master of Science in Sports Biomechanics
Master of Science in Sports Physiology
Master of Science in Sports Psychology
Master of Science in Strength Training & Conditioning

3. PG DIPLOMA, DIPLOMA & CERTIFICATE COURSES

PG Diploma in Banking & Insurance
PG Diploma in Mass Communication
PG Diploma in Functional (Prayojanmulak) Hindi
PG Diploma in Geo-Informatics
PG Diploma in Tourism Management
PG Diploma in Yoga Therapy Education
Diploma in Computerized Accounting
Certificate in Communicative English
Certificate in German Language
Certificate in Myanmar Language
Certificate in Tribal Languages
Certificate in Yoga

ADMISSION PROCEDURE

1. The candidate has to appear the Rajiv Gandhi University Common Entrance Test (RGUCET) for getting admission into the Post Graduate, Under Graduate Programmes and Professional Degree Courses.
2. Applicants for M. Tech courses with valid GATE score and above a prescribed cut-off score are exempted from the RGUCET.
3. The syllabus for each PG programme will be the course syllabus of the corresponding UG programme offered by RGU. For M. Tech the syllabus will be identical to the GATE syllabus of preceding year.
4. RGUCET question paper contains 100 Multiple Choice Question (MCQs) a section:
 - i) 25 MCQs to examine language ability, reasoning, general awareness, mathematical aptitude/data interpretation and analytical skills of the candidate.
 - ii) 75 MCQs to examine the domain knowledge of the given course.
 - iii) For interdisciplinary courses like M.A in Anthropology / Mass Communication / Sociology, MBA, and MSW, all 100 MCQs will examine language ability, reasoning, general awareness, Mathematical aptitude/data interpretation and analytical skills.
 - iv) 1 mark will be awarded for every correct answer.
 - v) Negative marking: 0.25 marks will be deducted for every wrong answer.
 - vi) Duration: The written examination will be of two hours duration.
5. Group Discussion/Viva Voce

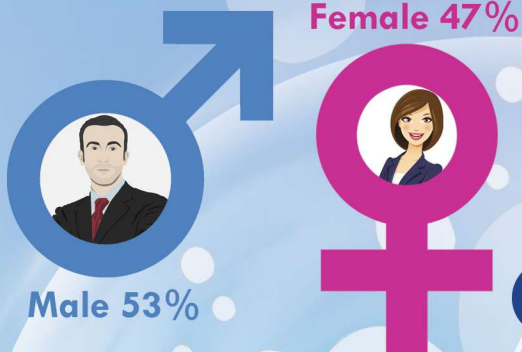

For MBA, M.A in Mass Communication and MSW courses only, the candidates who qualified in the written test will be called for group discussion and/or viva voce. The group discussion and/or viva-voce component will be 'of 25 marks. The cumulative marks obtained from written test, group discussion and/or viva voce will be used to finalize the selected candidates.

2021 (PG & UG) PASSING OUT BATCH

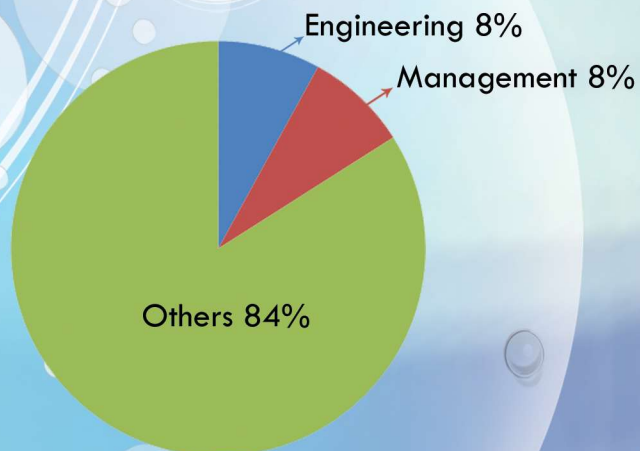

Gender-Wise

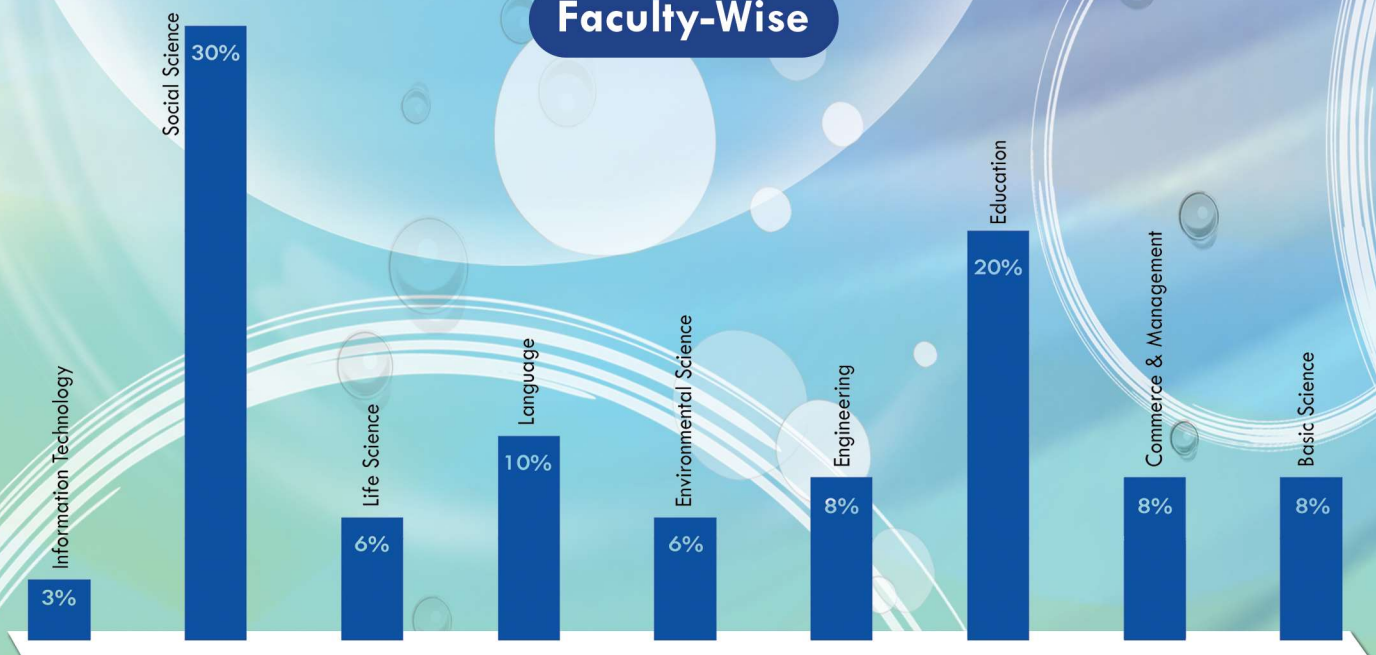

Degree-Wise

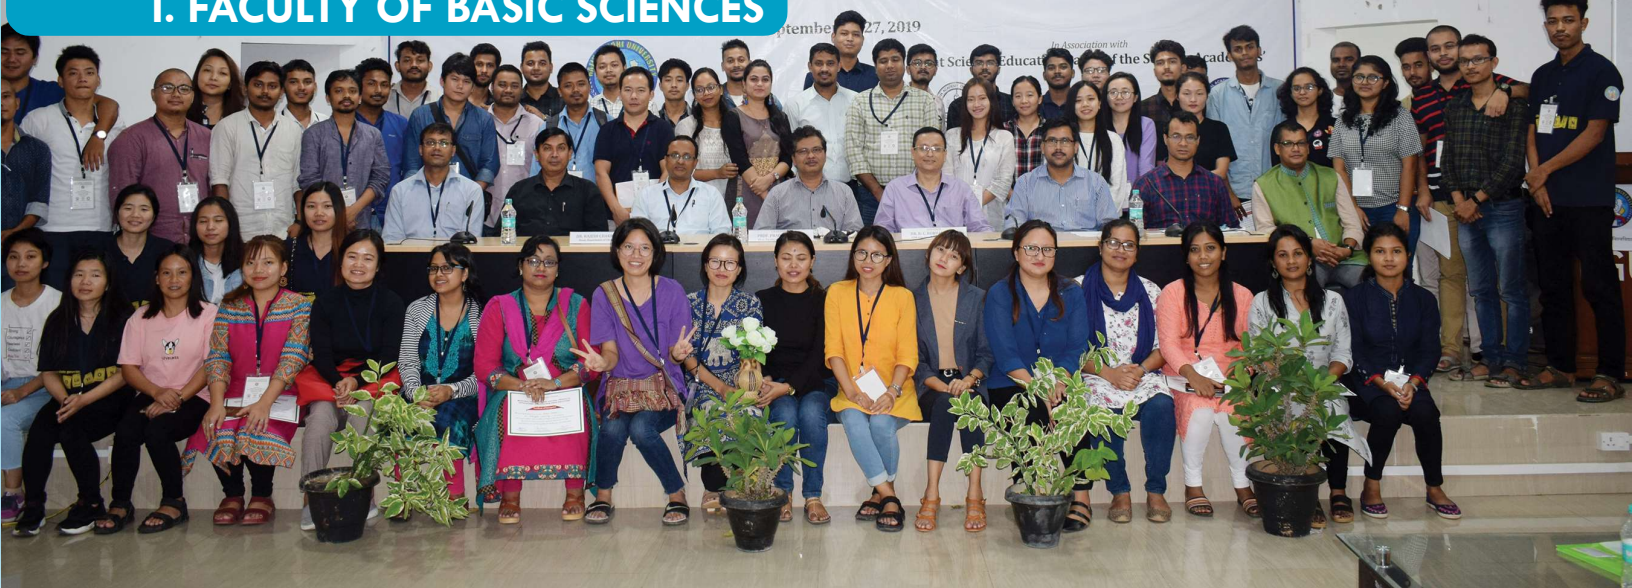

Course-Wise

Faculty-Wise

I. FACULTY OF BASIC SCIENCES

1. CHEMISTRY:

The Department of Chemistry was established in the year 2011 under the stewardship of Prof. Kamalesh Choudhury, a noted academician and educator from Assam. It marked a humble beginning to impart quality teaching and research in chemistry in this remote state of India. The department offers two- year (4 semesters) M.Sc course. CBCS program has been introduced to provide students with the necessary theoretical background and introduction to laboratory methods. The scheme of instruction consists of lectures, tutorials, laboratory work, seminars and project work. In addition to this, the department offers Ph.D. programme in the subject.

VISION:

Being a part of the lone public funded university of the state, the vision is to establish the department as a hub of excellence in learning and cutting-edge research in chemistry that can contribute to create trained manpower for research and development for the nation as well for the state of Arunachal Pradesh

PROGRAM OFFERED:

Master of Science & Ph. D

Number of Faculty Members:

Associate Professor	: 01
Assistant Professor	: 03
Total	: 04

Number of Final Semester Students:

Female	: 10
Male	: 13
Total	: 23

FACILITIES:

Fourier Transform Infra - Red (FTIR) Spectrometer, UV-Vis Spectrophotometer, Gas Chromatography (GC), Fluorescence Spectrophotometer, Electrochemical Analyzer, Computational Chemistry Laboratory.

ACHIEVEMENTS:

a) Mr. Babul Kalita (M.Sc. 2018-20) received the Chancellors Gold Medal in the 18th Convocation of Rajiv Gandhi University on November 30, 2020.

ONGOING PROJECTS:

- Dr. Dwipen Kakati, Quest for Cancer Drugs: Screening and Bioassay Guided Phytochemical Investigation of Selected Endemic Medicinal Plants of Eastern Himalaya, DBT-NER, 2018-2021
- Dr. Dwipen Kakati Synthesis and bioactivity studies of novel carbohydrate derivatives over chalcone scaffold, UGC, 2018-2021
- Dr. Md. Harunar Rashid Biopolymer/Metal Hydroxides Nanoparticles for Mitigating Fluoride from Water SERB, DST, 2020-2023

d) Dr. Md. Harunar Rashid Electronic Structure Studies of Size and Shape Tunable Magnetic Ferrites and their Catalytic Applications, 2020-2023

RECENT EVENTS:

1. The Department of Chemistry organised Science Academies' Virtual Lecture Workshop on 'Green and Sustainable Chemistry' during December 17-18,

2020, sponsored by the Joint Science Education Panel of Science Academies, Bengaluru.

2. The Department of Physics and Department of Chemistry of Rajiv Gandhi University jointly organised a one-day Webinar on 'Prospect of Research & Innovation in Science: A Post Covid-19 Pandemic Outlook on 10th June, 2020.

2. MATHEMATICS:

The founder Head (HOD) of Department of Mathematics was Dr. Tarekeswar Choudhury (Retd.), from Cotton College, Assam. The department of Mathematics is an important constituent of the faculty of Basic Sciences since 2005, the year when it was established. The department offers two - years (Four Semesters) M.A. / M.Sc. Programme in Mathematics & Computing and total intake capacity is 40 (Forty). In addition, it offer M. Phil. (Four Semesters) programme with intake capacity of five since 2015. Apart from these, the department of Mathematics has started Ph.D. programme from 2013 with seven scholars in different research domains of Pure and Applied Mathematics. Our faculty members are specialize in various areas of Algebra, Analysis and Applied Mathematics. The department aims to train people who are oriented towards research and teaching in advanced areas of Pure and Applied Mathematics. The objectives of the department are to impart quality education to those seeking admission to M. Sc., M. Phil. and Ph.D. Programmes, promote theoretical and applied research, publish original works and develop interaction with other departments of the university, R&D establishments, industries and other organizations.

VISION:

To centre stage Mathematical knowledge in the curriculum; instill analytical and logical thinking among students and promote Mathematical thought as an important area of human thought.

PROGRAMME OFFERED:

Master of Science, M.Phil & Ph.D.

Number of Faculty Members:

Professor	: 01
Assistant Professor	: 04
Total	: 05

Number of Final Semester Students:

Female	: 12
Male	: 24
Total	: 36

FACILITIES:

Department has a fully-equipped computer lab exclusively for the students to study computer related courses with recent software and packages. Departmental library also has sufficient number of books for different courses.

ONGOING PROJECTS: Contribution to Ramanujan's Continued Fractions-and Related Topics. Principal Investigator: Dr. Nipen Saikia. Sponsoring Agency: CSIR Grant.

RECENT EVENTS:

1. Webiner- Machine learning and Deep learning using MATLAB" 9th June 2020
2. International Conference on Advances in Mathematics, Science and Technology (ICAMST-2020), 1 - 3 September, 2020

3. PHYSICS:

The department of Physics was started in the year 2011 under the guidance of then Visiting Professor and Head (i / c) Prof. (Late) Hiralal Das, Retired Professor, Gauhati University with one laboratory (temporary) staff with ten students. As the department was flagging at that time, in 2012, 2 (two) regular Assistant Professors and four permanent laboratory staffs were inducted. Now, the department has 2 (two) Professors with intake capacity of 29 (twenty - nine), as well as 14 (fourteen) Research Scholars. Guest Assistant Professor and Visiting Professors are regularly appointed as per the requirements of the department from the beginning.

VISION:

To explore core physics at deeper levels. To impart quality education in physics. To achieve and contribute an exceptional excellence in frontline research and teaching activities promoting scientific temperament

PROGRAMME OFFERED:

Master of Science & Ph.D

Number of Faculty Members:

Professor	: 02
Assistant Professor	: 02
Total	: 04

Number of Final Semester Students:

Female	: 06
Male	: 14
Total	: 20

Facilities:

Ten Laboratories, Two Computer Laboratories, Four Research Laboratories, Conference Hall & Departmental Library.

ACHIEVEMENTS:

1. Dr. Heisnam Shanjit Singh, Assistant Professor, Department of Physics, R.G.U has been selected as Visiting Associates to Inter University Centre for Astronomy and Astrophysics (IUCAA), Pune for three years.

RECENT EVENTS:

1. "International Conference on Advances in Nano-optoelectronics and its Application (ICANOPA-2020)" sponsored by Rajiv Gandhi University, 12th to 14th October, 2020.
2. A webinar on "Prospect of Research & Innovation in Science: A Post COVID-19 Pandemic Outlook", Rajiv Gandhi University, Arunachal Pradesh on June 10, 2020.

II. FACULTY OF COMMERCE & MANAGEMENT

1. COMMERCE:

Department of Commerce was started from the academic session 1995-96. Presently, the department has ten well qualified and experienced faculty members. At present, the department offers various courses including M.Com, M.Phil, Ph.D, PGDBI, CCGST and DCA with total student strength of 150. In fact, the department of commerce is first of its kind to have introduced four specializations in Accounting & Finance, Marketing Management, Human Resource Management and Entrepreneurship Development in M.Com courses. Moreover, it runs a study center for ICSI. Under the aegis of the department, one year Diploma in Computerized Accounting (DCA) has also been started w.e.f. 2015-16 under the Community College Scheme of the UGC at RGU.

VISION:

To be a center of excellence in the field of commerce & business education. It also envisions as topmost center for business research in India. To be a source of qualitative commerce graduate and talented human resource.

PROGRAMME OFFERED:

M. Com, PGDBI, DCA, CCGST, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 04
Assistant Professor	: 06
Total	: 10

Number of Final Semester Students:

Female	: 27
Male	: 21
Total	: 48

FACILITIES:

Ten class rooms with overhead projectors, one department library, 24x7 Wifi facilities, one counseling room, One Seminar Hall.

ONGOING PROJECTS: Concurrent evaluation of implementation of NFSA- 2013 in Arunachal Pradesh. Nodal officer of the project is Prof. T. Kaye. Funding agency, Department of Food and Public Distribution, Govt. of India New Delhi.

RECENT EVENTS:

1. Investor Awareness Program by RAA Media Private Limited for the students of the Department of Management and Commerce on 20th September 2019.

2. MANAGEMENT:

The Department of Management was set up in the year 2005 with the introduction of one - year Post-Graduate Diploma Course in Hospitality Management and Tourism (PGDHMT) with an intake capacity of 21 students. In the year 2006, the Department also introduced two year full time MBA Programme with an intake capacity of 30 students. The MBA Program offers three specializations like Marketing, Finance and Human Resource Management. Presently, the department is run by full - time faculty members' i.e. one Associate Professor and five Assistant Professors. Besides, the department also has its own two-storied building. Management department is on mission mode to develop and disseminate knowledge in the domain of management for enabling the learners with higher order skills and competencies for transforming socio-economic development of the region.

VISION:

To foster excellence in the pursuit of knowledge and research in the discipline of management for achieving socio-economic transformation.

PROGRAMME OFFERED:

MBA, PGDHMT and Ph.D

Number of Faculty Members:

Professor	: 01
Associate Professor	: 01
Assistant Professor	: 05
Total	: 07

Number of Final Semester Students:

Female	: 06
Male	: 25
Total	: 31

FACILITIES: Computer lab, Seminar room, Scholars room, Girls common room and Departmental library.
Recent Events:

1. Workshop on Career Planning and Opportunities in the Organized Sector on 18-19 November 2019.
2. Investor Awareness Program by RAA Media Private Limited for the students of the Department of Management and Commerce on 20th September 2019.
3. Workshop on Entrepreneurship in Food Processing Industry: Opportunities and Challenges in Arunachal "on 22nd November, 2019

ONGOING PROJECTS:

1. Project title: Cyber Security among the Indigenous Women of Arunachal Pradesh: Status, Impediments and Strategic Reforms
2. Sponsoring Agency: National Commission for Women, Govt of India
3. Name of the Project Coordinator: Shri Arindam Chakrabarty (Co-Principal Investigator)

RECENT EVENTS:

1. Organized 2 days National Webinar on "Future Trends & Careers in Management" -8th & 9th September, 2020
2. Organized Five-Day National Level Online Faculty Development Programme (FDP) on LATEX + Xfig, Septmeber 18-22, 2020

III. FACULTY OF EDUCATION

1. EDUCATION:

The Department of Education was established in the year 1988 by recruiting one Professor, two Readers and four Lecturers. The Department launched the B.Ed programme in the academic session 1988-89 as it was desired by the Government of Arunachal Pradesh for clearing the backlog of untrained teachers working in secondary and senior secondary schools in the state. The Department was set up with the objective of producing the trained faculty for teaching at college and University level. The M.Ed program was started in 2014 as per the UGC XII plan allocation order of MHRD, Government of India. At present, the Department is running B.Ed programme with intake capacity of 100 students, M.Ed program with the intake of 26 students and M.A (Education) with the intake of 45 students.

VISION:

Striving towards excellence with regards to teaching, research, extension, and development facilities: Conference Room, Seminar Hall, Departmental Library & Scholars Cell

Achievements: Monitoring agency of SSA programme in Arunachal Pradesh

PROGRAMME OFFERED:

Master of Arts, Master of Education, Bachelor of Education, DPTE, D.El.Ed. & Ph.D

Number of Faculty Members:

Professor	: 06
Associate Professor	: 02

Assistant Professor	: 12
Total	: 20

Number of Final Semester Students:

1. MA

Female	: 27
Male	: 13
Total	: 40

2. BEd

Female	: 52
Male	: 40
Total	: 92

ONGOING PROJECTS:

- Impact of Privatization of Higher Education in Arunachal Pradesh: A critical Study Educational Status of Bugun Tribe of Arunachal Pradesh.
- A study on development and problems of secondary education in the state of Arunachal Pradesh.
- Effectiveness of Continuous and Comprehensive Evaluation at Elementary School Stage in Arunachal Pradesh.
- Impact of Privatization on Quality Secondary Education in Arunachal Pradesh: A Critical Study

RECENT EVENTS:

- Gender Issues and Gender Sensitive Teaching Strategies for Private Elementary School Teachers of Papum pare District, Arunachal Pradesh on 27-29 April 2019.

2. PHYSICAL EDUCATION:

The department of Physical Education was established in the year 2015 to promote physical education and to inculcate awareness among the people about the need and importance sports and physical exercise in human life. The courses offered in the department are B.P.Ed (2 years Bachelor in Physical Education course after graduation, PGDYTE (Post Graduate Diploma in Yoga Therapy Education) and PhD. The syllabi of the courses are so designed as to prepare professionally qualified leaders and teachers in physical education and elite sciences. The infrastructures are developed as per the NCTE and UGC standards and norms. A team of competent and dedicated teachers and experts are engaged in relentless pursuit of excellence in physical education and sports for health, fitness and wellness of the citizens from 2015 till date.

VISION:

- To prepare highly qualified teachers and leaders in the field of Physical Education and Sports.
- To serve as a center of excellence and innovation in Physical Education and Sports.
- To provide professional and academic leadership to other institutions in the field of Physical Education.
- To provide vocational guidance and placement services to the professionals in this field.
- To promote mass-participation in Physical Education and Sports.

f) To develop and promote programmes of Physical Education and Sports in the country.

g) To encourage and produce scientific contemporary literature in the field of Physical Education and Sports.

h) To provide community services in the field of Physical Education and Sports

PROGRAM OFFERED:

Bachelor of Physical Education & PGDYTE

Number of Faculty Members:

Assistant Professor : 05

Number of Final Semester Students:

Female : 16

Male : 28

Total : 44

FACILITIES:

Auditorium, B.P.Ed Fitness Center, Badminton Court, Seminar Hall, B.P.Ed playground. Achievements:

Dr. Tadang Minu was selected as Chairman India Women Boxing Association and nominated as Indian delegates to Athens Olympic Academy in 2019.

RECENT EVENTS:

1. Mega yoga awareness camp at Rajiv Gandhi University from 10th May 2019 to 19th May 2019.

3. PSHYCHOLOGY:

The Department of Psychology was established in the year 2017 with two Assistant Professors. Currently the Department is running with two Assistant Professors and one Guest Assistant Professor. The Department was set up to develop awareness about the importance of studying human behavior in relation its society. The Department offers two years M.A. Psychology course in four semesters. The curriculum is designed to provide strong theoretical, methodological and contemporary knowledge to the students about various areas of Psychology. The purpose is to equip the students with knowledge, skills and values to become effective and professional psychologist. During the course, the students are taken for field visit at mental health centers and counseling cells besides interactive classroom teaching and laboratory training. Lectures series from different experts in relevant field is also conducted. This academic training enables the students to work in a broad range of settings such as, medical, organization, counseling centers, NGOs, researchers and academicians.

VISION:

- i) To visualizes integration of (a) teaching and learning, (b) research, and (c) community service and outreach activities for the aspirations and well being of people.
- ii) To aspire teachers with transformative educational experience for students resulting in career - ready learners with high - impact scholarship.
- iii) To be the exemplary in research in identifying, guiding, and facilitating enhancement of personalities through voluminous applied research.
- iv) To Envisage impacting a changing and complex society in an inspiring way regionally and nationally by exploring, considering, and involving to culture

and heritage for ennoblement of lives.

PROGRAMME OFFERED:

Master of Arts

Number of Faculty Members:

Assistant Professor : 02

Number of Final Semester Students:

Female : 06

Male : 10

Total : 16

FACILITIES: One psychological laboratory with 18 instruments and 40 psychological tests and Seminar Hall.

ACHIEVEMENTS:

1. UGC-JRF was achieved by our students Mr. Tadar Amar (Batch 2020)
2. UGC NET by Mr. Biri Tame Tadek(current fourth semester) in the year 2020 examination.

ONGOING PROJECTS:

1. Cyber security-challenges under cyber space especially for women users: cyber security among the indigenous women of Arunachal Pradesh: status, impediments and strategic reforms. National commission for women, New Delhi Dr. Dharmeshwari Lourembam, CO-PI, 2020.
2. Women Mental health: Mental health and its correlates: A study of women in Arunachal Pradesh National commission for women, New Delhi Dr.Kakali Goswami, CO-PI, 2020.

RECENT EVENTS:

- 1 National webinar on: Students' Mental Health and Wellbeing on September 04-05, 2020
2. National webinar on: Career prospects in Psychology on August 18-19, 2020

IV. FACULTY OF ENGINEERING & TECHNOLOGY

1. COMPUTER SCIENCE & ENGINEERING:

The Department of Computer Science was established in the year 2005 with a diploma course of one-year duration and a three-year undergraduate course known as Bachelor of Computer Applications (BCA). In the year 2006 the Master of Technology in Computer Science and Engineering was started. The department has started the Master of Computer Application course from the academic session 2013-14. The department has a mission to train and prepare students for professional career and advanced studies and to ensure self-learning capabilities of the students through interactive instruction and experimental learning so that they can contribute significantly in ever-changing world. Moreover, it has also to generate, communicate and apply knowledge in computer science and engineering, including interdisciplinary areas that extend its scope and benefit to the society.

VISION:

To improve teaching and learning environment, to develop students with strong academic and technical background who can excel in their career as responsible citizens and contribute towards innovation in Computer Science & Engineering.

PROGRAMME OFFER: Master of Technology, Master of Computer Application, Bachelor of Computer Application & Ph.D

Number of faculty Members:

Professor	: 01
Associate Professor	: 01
Assistant Professor	: 06
Total	: 08

Number of Final Semester Students:

Female	: 11
--------	------

Male	: 60
Total	: 71

FACILITIES:

Eight Smart Board Facility, Six Laboratory, Library, Women's Common Room, Conference Room, Two Seminar Hall, Smart Theater & First Aid Cum Sick Room.

ACHIEVEMENTS:

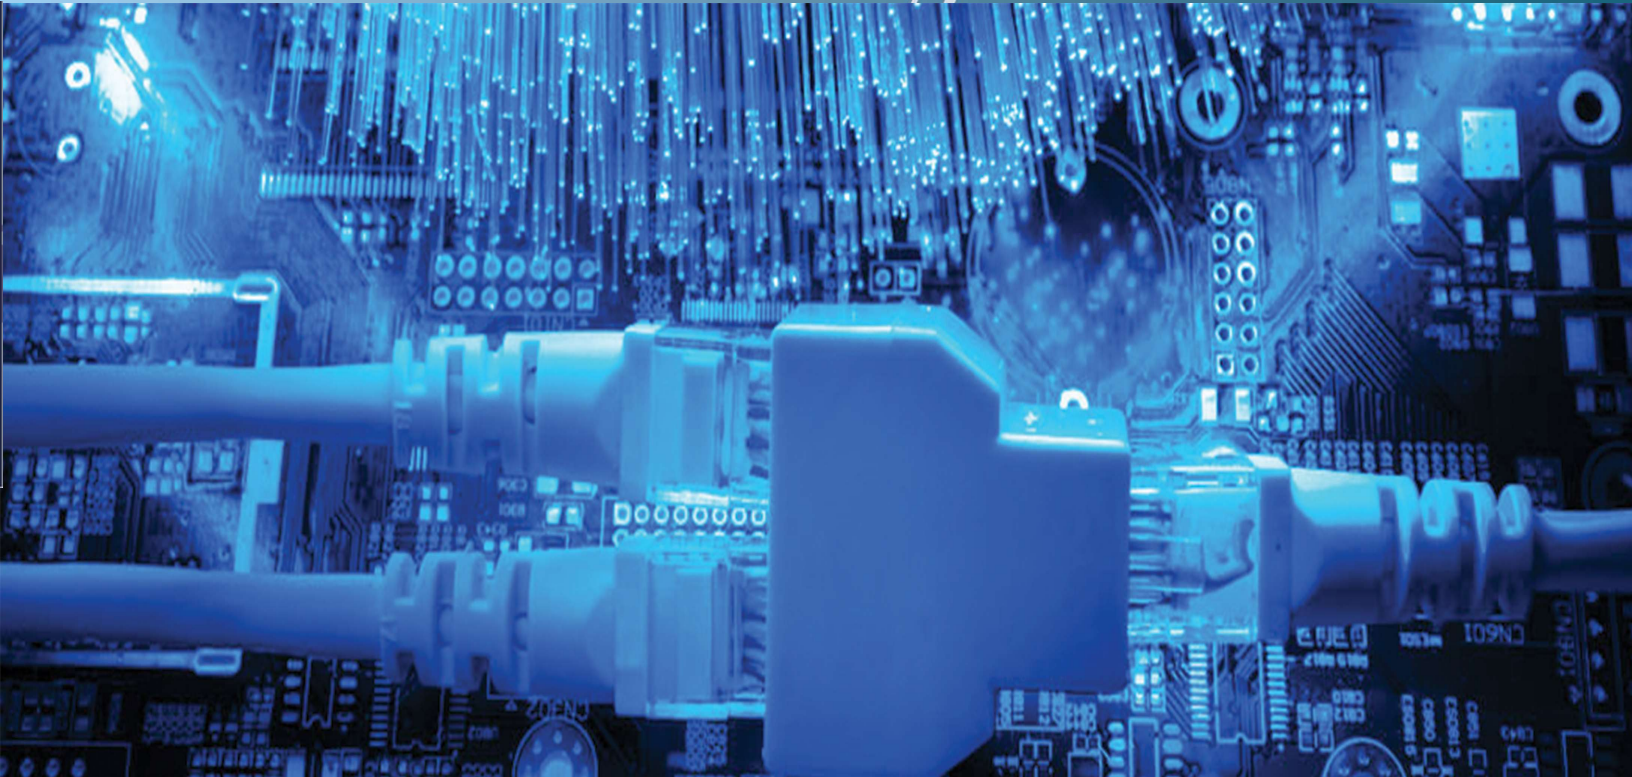

1. Dialect detection of Apatani language of Arunachal Pradesh by M. Sora & T. Yasing International Journal of Computer Sciences and Engineering, 2019.
2. An Overview on Biomedical Signal Analysis by J. Rahul, M. Sora & L. D. Sharma International Journal of Recent Technology and Engineering, 2019

ONGOING PROJECT:

- a) Development of a Robust Speaker Authentication System, Principal Investigator; Prof. Utpal Bhattacharjee. Sponsoring Agency: Ministry of Electronics and Information Technology
- b) Design and Development of a Speech Recognizer in the context of Total Languages of Arunachal Pradesh. Principal Investigator: Prof. Utpal Bhattacharjee. Sponsoring Agency: UGC

RECENT EVENTS:

1. 5 days online Faculty Development Program on "Basics of R Programming" association with IIT Bombay-Spoken Tutorial (IITB-ST) (From 29 April 2020 to 03 May 2020)
2. Webinar on "Machine learning and Deep learning using MATLAB" On 19th June 2020.

2. ELECTRONICS COMMUNICATION:

The department was established in the year 2015 with the aim of providing leadership in the field of Electronics & Communication Engineering and interdisciplinary research. The initiative has been taken to establish state of art research laboratories in the area of VLSI Design and Technology, MEMS and Sensors, Embedded System, Wireless Communication and Signal Processing. Department provides healthy environment to students and faculties to carry out inter department collaborative research in area like bio-medical engineering and robotics. A team of competent and dedicated teachers are engaged in relentless pursuit of excellence in this field of engineering.

VISION:

To be a leading center in electronics and telecommunication education, research, entrepreneurship and industry outreach services for creating sustainable infrastructure and enhancing quality of life and values.

PROGRAMME OFFERED:

Master of Technology

Number of Faculty Members:

Assistant Professor : 04

Number of Final Semester Students:

Female : 01

Male : 01

Total : 02

FACILITIES: Seminar hall & VLSI Laboratory

RECENT EVENTS:

1. A Report on the Two Day Webinar "Recent Trends in Artificial Intelligence" June 18-19, 2020
2. Five Day FDP on "Moodle Learning Management System" August 17-21, 2020

V. FACULTY OF ENVIRONMENTAL SCIENCES

1. GEOGRAPHY:

The Department of Geography was established way back in the year 1992 with a student intake of 20. It offered multiple optional papers under CBCS course. The Department shifted to the present building in the year 2002. The department is committed to enable the students with developed skill to think and analyze at spatial-temporal framework and also assist the students to understand mechanism and function of nature, geo-bio-anthro sphere.

VISION:

Skill development and capacity building among students to engage themselves in agro-horti sector; social service and campaign for development and other economic entrepreneurship, etc. Enhancing logical and reasoning capacity of students through choice based syllabus to have a competitive edge in NET / JRF / SLET and competitive examinations. Guide them to attain leadership skill and real - life - & - on - field problem solving skill through field visit and survey. Intertwine traditional knowledge with modern tools for excellence with an aim to connect roots with shoots.

PROGRAMME OFFERED:

Master of Arts, APGDDM, PGDGI, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 05
Associate Professor	: 03
Total	: 08

Number of Final Semester Students:

Female	: 25
Male	: 25
Total	: 50

FACILITIES: Conference room, library, Computer Lab

ONGOING PROJECT:

Sustaining the impact of Climate Change on Lentic wetlands of Arunachal Himalayan Region. Principal Investigator: Dr. Gibji Nimasow (Co- PI). Sponsoring Agency: DST Government.

RECENT EVENTS:

ONE DAY INTERNATIONAL WEBINAR Global Health Crisis and Socio-Economic Impact of COVID-19: A Geographical Perspective on 18th June, 2020.

2. GEOLOGY:

The Department of Geology has started in the year 2017 under Prof. Nisha Mani Kar, Dean of the faculty of Environmental Sciences as its Coordinator with the recruitment of two Assistant Professors and Enrolment of 18 (eighteen) students in B.Sc. (Hons.) course from the session 2017-18. Being located in the foothills of eastern part of the Himalaya, the department has a brighter vision to engage the students in academic and research activities to better understanding of the various aspects of geology in this part North East India. Arunachal Pradesh is the largest state in NE India with availability of natural laboratory for geoscientists in the form of rock exposures to unravel the surface and subsurface geological processes. Large part of the state is still geologically unexplored with a large potential for natural resources in term of mineral wealth, coal, hydrocarbon etc. besides huge potential for hydropower. Since the state lacks any institution offering higher education in Geosciences, even at undergraduate level, this department was established in Rajiv Gandhi University to cater to the need. Initially the department has started offering three year undergraduate course (B.Sc.) with honors in Geology but in subsequent years postgraduate and research courses will also be introduced. The curriculum for the undergraduate course is designed in such a way as to lay strong foundation in theoretical, practical

and field knowledge in the students. Besides, the department is also committed to play a pivotal role for high quality research in different geo-scientific aspects of Eastern Himalaya.

VISION:

The department aims to excel in teaching and research in geosciences, especially to better understand geology of northeastern India and Arunachal Himalaya. The department has good scope to explore various earth resources and to understand seismo-tectonic activities of Himalaya to predict natural hazards such as earthquakes and landslides etc. The course curriculum of B.Sc. in Geology is designed to carry out geological fieldworks to enhance field skills of the students.

PROGRAMME OFFERED:

Bachelor of Science

No. of Faculty Members:

Assistant Professor : 02

Number of Final Semester Students:

Female : 05

Male : 05

Total : 10

ONGOING PROJECT: Rgu- Ihcuc (Theme-V) "Water Conservation and Harvesting Strategies"

Sponsoring Agency: UGC

VI. FACULTY OF INFORMATION TECHNOLOGY

1. MASS COMMUNICATION:

Since its inception in 2004, the department has been growing from strength to strength from its humble beginning. It has expanded its academic horizon from one-year postgraduate diploma course to master degree program in mass communication with an intake capacity of 30 students, a Ph.D and an M.Phil program. Today the department is able to cater to the need of not only the state of Arunachal Pradesh but also other neighboring states of North East and other parts of the country. The department runs many of its courses with the proactive participation of a qualified and committed team that includes a balance of professionals from media studies, electronic media, print media, documentary film, radio and photography. In addition to the existing full time faculty, Visiting and Guest faculty members from the local media industry as well as outside the state continue to extend their support to the academic program of the department. It also holds training workshops on media skills, animation, basic filmmaking, scripting, photography, public relations and advertising in order to build capacity in areas of mass communication. These workshops are held both in Arunachal as well in other states of the northeast

VISION:

To make the department a nodal center for media training and communication research in the region.

PROGRAM OFFERED:

Master of Arts, PGDMC, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 01
Assistant Professor	: 04
Total	: 05

Number of Final Semester Students:

Female	: 11
Male	: 17
Total	: 28

FACILITIES:

Modern Media Equipment. Still Cameras, Video Cameras, Audio Recorders, Editing Software, Media Lab & Preview hall for screening & Seminar hall.

ACHIEVEMENTS:

Over 80% of all professionals in the state media are alumni of the department, both in electronic and print.

ONGOING PROJECTS:

Information needs of the Frontier Communities in Indo - China Border and their Information Seeking Patterns: A Study of Tawang in Arunachal Pradesh. Principal Investigator: Dr.M.Nawaz Khan. Sponsor Agency: ICSSR - IMPRESS, New Delhi

RECENT EVENTS:

1. Media Representation of Northeast India: Looking Back and Looking Forward on 7-8 June 2019.
2. PR conclave on the theme Public Relations Practices in the Age of Digital Media: Exploring Challenges, Possibilities and Strategies on 7-8 February, 2020.

VII. FACULTY OF LANGUAGES

1. ENGLISH:

The Department of English came into existence in July 1990. Since its inception the Department has tried to bring about a synthesis of the eastern and western modes of knowledge through its pursuit of literary texts in cultural and inter-disciplinary mode. The Department with its pan-Indian outlook has been taken to the study of English at the higher, especially at college and university stage. Understanding the specificity of the State's history, culture and geographical location the Department promotes the study of English to bring about an amalgamation of the local and the global. The Department of English has pursued the motto of a humane approach in the field of academic excellence as well as professional growth.

VISION:

The Department has a vision of evolving into a center with potential for excellence in literary studies. It visualizes achieving the same by connecting the study of literary texts to other disciplines and expressions like the theater, cinema and performing arts. It visualizes to provide the opportunity of exploring the varied cultural and ecological richness of the state by focusing on the literary (both oral and written) and environmental aspects.

PROGRAMME OFFERED:

Master of Arts, Ph.D & CCCE

Number of Faculty Members:

Professor : 01
Associate Professor : 01

Assistant Professor : 06

Total : 08

Number of Final Semester Students:

Female : 29

Male : 20

Total : 49

FACILITIES:

Library & Seminar room with projector.

ACHIEVEMENTS:

- i) Outstanding Paper Presentation Award to Dr Miaz Hazam at the 5th AINET International Conference.
- ii) Best Paper presenter's award to Dr P.N. Piraji Toshiniwal Arts, Commerce and Science College, Nanded, Maharashtra.

ONGOING PROJECTS:

Folk Literature of the tribes of the West Kameng District of Arunachal Pradesh: A Study towards Developing Sample Text Books for the Primary School English Language Education. Project Coordinator: Dr KC Mishra. Sponsoring Agency: ICSSR.

RECENT EVENTS:

1. One day International Webinar on Conceptualizing Contemporaneity of Gandhi on August 25th, 2020.
2. An online short term course on Research Methodology in the Humanities on May 26th-30th, 2020.

2. HINDI:

The department of Hindi was started from the academic session 1999-2000. Classes of M.A previous started w.e.f 13.08.1999. Now the department is offering Ph.D Programme along with P.G Course, M.Phil Programme and PG Diploma in functional Hindi Program. The Department published a Half Yearly Research Journal "Arun Prabha". Department is credited to popularize Hindi in the state both in writing and speaking. It has been able to produce large number of students fit for various jobs especially for teaching jobs. The special emphasis on "Arunachalee Lok Sahitya" research program has been given in the recent past.

VISION:

To make the department an excellent centre for teaching, learning and research in Hindi language in entire north east India. Plan to open research chair in folk literature & culture and Diploma Course in translation / comparative literature. Publishing a literary magazine. Outreach program by organizing basic communicative Hindi workshops in regular interval of time at nearby villages to the University

PROGRAMME OFFERED:

Master of Arts, PGDFH, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 02
Associate Professor	: 01
Assistant Professor	: 06
Total	: 09

Number of Final Semester Students:

Female	: 36
Male	: 10
Total	: 46

ACHIEVEMENTS:

Department is credited to popularize Hindi in the state both for writing and speaking.

FACILITIES: Departmental Library

ONGOING PROJECTS:

- Lok Sahitya Ke Adhar Par Adi Janjati Ke Bhoo Aitihāsik Evam Dashanik Avasthiti Ka Moolyankan. Principal Investigator: Prof. Oken Lego. Funding Agency: National Security Council, Govt.of India.
- Arunachalli Lok Sahitya Aur Media: Antha - Kria Evam Antah - Sambandh. Principal Investigator: Dr. Rajeev Rajnan Prasad. Funding Agency: ICSSR (IMPRESS), New Delhi.
- Poorvottar Bharat Ke Janjation Ka Darshan Evam Sanskriti: Arunachal Ke Vishesh Sandarbh Mein (cover 05 tribes). Principal Investigator: Dr. Satya Prakash Paul. Funding Agency: ICPR, Delhi.
- Ongoing one Major Research Project on the topic "Poorvottar Bharat Ke Janjation Ka Itihas - Darshan, Sanskriti Evam Sahitya :: Arunachal Pradesh Ke Vishesh Sandarbh Mein" (cover 20 tribes) Funding agency: Indian Council of Philosophical Research, New Delhi.

VIII. FACULTY OF LIFE SCIENCES

1. BOTANY:

Since the inception of the department in the year 1997, it has been making tremendous stride in imparting qualitative teaching and initiating research on region specific areas. The Department has been able to garner financial support from important national agencies like UGC, DBT, CSIR, GBPIHED and Ministry of Environment & Forests for a number of major research projects. Inventorization and documentation of indigenous knowledge system relating to bio-resources is a priority research program under bio-diversity programme. The future plans would be to authenticate the information collected from the field study. This would require establishment of a full-fledged department of biochemistry and pharmacological laboratory to carry out phytochemical and biochemical importance. The ultimate aim is to establish scientific validity of IKS information so that full commercial utilization of local resources could be considered for the benefit of the local communities.

PROGRAM OFFERED:

Master of Science, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 02
Associate Professor	: 01
Assistant Professor	: 04
Total	: 07

Number of Final Semester Students:

Female	: 18
Male	: 09
Total	: 27

FACILITIES:

M.Sc. Laboratory, Mycology Laboratory, Central Instrument Facility, Orchid Tissue Culture Laboratory, Mushroom Culture Laboratory, Microbiology & Agro - forestry Laboratory, Pharmacognosy & Phytochemistry Research Laboratory, Plant Systematics & Ethno-Botanical Research Laboratory, Ethno Phytochemistry Laboratory, Molecular Biology Laboratory, Microbiology Laboratory II, Bioinformatics Infrastructure Facility and Botanical Garden.

ONGOING PROJECTS:

- Exploration of Novel Phytomedicine from Traditional Medicinal Plants of Eastern Himalaya (Arunachal Pradesh) for Pancreatitis and Liver Fibrosis. Principal Investigator: Hui Tag. Funding agency: DBT
- Integrating Herbal Medicine of NER with Contemporary Approaches to Develop Therapeutic Strategies for Metabolic Syndrome. Principal Investigator: A K Das. Funding agency: DBT

ACHIEVEMENTS:

- Ms. Hage Yanka Awarded 1st in Oral Presentation on National Seminar at Uttar Banga Krishi Vigyan, Cooch Bihar, West Bengal, India (2019)
- Dipankar Borah awarded the Best Oral Presentation at International Conference at Agriculture University Jorhat, Assam, India (2019)

2. ZOOLOGY:

The Department started in 1997 under Faculty of Life Science RGU. The course curriculum in semester pattern were introduced from the academic session 2000-01. At present the faculty strength in the Department is nine with six numbers of Assistant Professor and three numbers of Professors. The student strength is twenty eight in each semester. The Department is also running M.Phil and Doctoral Programme as the regular academic activities and the students get admitted in the M.Phil and Ph. D programme through entrance test specially designed for the purpose. A Ph. D course work of one semester duration is mandatory for all the doctoral research scholars in Ph. D programme of the department. The Department of Zoology is actively involved in research in frontier areas of life sciences via several sponsored research projects since its inception. It has also been recognized as Center with Potential for Excellence in Bio-diversity (CPEB) by the University Grants Commission, New Delhi since, 2003. The major research thrust under CPEB scheme includes (i) Validation of herbal reproductive medicines (ii) Wild life and avifauna (iii) Fisheries, fish biology and fish parasites (iv) Edible insects and insect fauna.

PROGRAMME OFFERED:

Master of Science, M.Phil & Ph.D

Number of Faculty Members:

Professor : 03

Assistant Professor : 05

Total : 08

Number of Final Semester Students:

Female : 20

Male : 11

Total : 31

FACILITIES: Conference room, library, Laboratory

ACHIEVEMENTS: Species of fish were discovered from Arunachal by a fisheries and aquatic ecology research team led by Prof DN Das from Rajiv Gandhi University (RGU) recently.

ONGOING PROJECTS:

a) Impact of climate change on high altitude Himalayan honey bee *Apis laboriosa* Smith and its acclimatization in changing environment DST, SPLICE-CCP, Govt. of India.

b) Chemical Ecology of North-East Region (NER) of India: A Collaborative Programme linking NER and Bangalore Researchers DBT, New Delhi.

c) Attempt to domesticate and breed some native ornamental fishes of Arunachal Pradesh in captivity with emphasis on their sex reversal, immune stimulation and disease management using herbal extract. DBT, New Delhi (A twinning program among RGU-CU-KU).

RECENT EVENTS: Short-Term workshop on Analytical Instruments & their Application (GCMS & HPLC) from 13-15 June 2019.

IX. FACULTY OF SOCIAL SCIENCES

1. ANTHROPOLOGY:

Department of Anthropology has been formally started as an independent department on 1st June 2012 with the joining of Prof. Sarit K. Chaudhuri as the founding head of the department. This was followed by the joining of three Assistant Professors, Dr. Dhritiman Sarma, Dr. Md. Asghar and Ms. Radhe Amung and subsequent Prof. H Vokendro Singh as Professor, representing three fundamental branches of Anthropology. However, the Post Graduate programme in Anthropology was actually began in 2001 as part of academic programmes in Arunachal Institute of Tribal Studies (AITS). Department of Anthropology is organizing an annual lecture series in commemorative of CVF Haimendorf every year in order to recognize his contribution to the subject as well as the tribal people of India.

VISION:

- Introduction of specialization in Physical Anthropology
- Research and documentation of borderland communities
- Center for Practicing Heritage (Ethnographic Museum)

PROGRAMME OFFERED:

Master of Arts, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 02
Assistant Professor	: 03
Total	: 05

Number of Final Semester Students:

Female	: 12
Male	: 09
Total	: 21

FACILITIES: Department has laboratory, Departmental Library & Seminar Hall

ACHIEVEMENTS:

- Prof. Sarit Kumar Chaudhuri served as Director of IGRMS, Bhopal from 27/11/2014 to 12/01/2020
- Mr. Jimmy Sonam, M. Phil Scholar participated as delegate of United Nations High Commissioner for Refugees (UNHCR) at Asia Youth International Model United Nations by International Global "Global Diplomacy Amongst the Sovereign Nations" held on 15-18 February 2020 at Kuala Lumpur, Malaysia
- Ms Nancy Natung (M. A pass out, 2020) qualified for UGC- NET JRF
- Ms Hibu Dindi, Ph. D Scholar qualified for State Civil Service and recruited at entry level as Circle Officer

ONGOING PROJECTS:

- Cyber Security among the Indigenous women of Arunachal Pradesh: Status, Impediments, and strategic reforms, funded by National Commission of Women.
- Prof. S. K Chaudhuri as Project Coordinator Dr. Md Asghar as Co-PI
- Ethnographic research on borderland tribes of Arunachal Pradesh, funded by The Asiatic Society, Kolkata and Govt. of Arunachal Pradesh Prof. S. K Chaudhuri as Principle Investigator

RECENT EVENTS:

- International seminar on Ethnicity, livelihoods and culture change among the Himalayan people: Anthropology & beyond on 23-24 September 2019.

2. ARUNACHAL INSTITUTE TRIBAL STUDIES:

The Center for Tribal Studies was included in the University Ordinance, which came into effect on 02.05.1988. The UGC has approved the up-gradation of the center for tribal studies to a department with the mandate to run a regular M.Phil programme with Prof. Tamo Mibang as Head of the Department of Tribal Studies, initiated the activities of the Department. Thus, the Department came into existence on 18th August 1995. Though the department could, within the time span of a decade, undertake many of the programmes enunciated in the perspective plan the uniqueness of Arunachalee society demands a focused action to preserve, promote, project and sustain the rich heritage indigenous knowledge system, especially in the area of ethno medicine, ethno music, performing arts, language, folklore, handicrafts, educating process, management of forest resources and ecosystem, etc. that are declining and decaying due to the onslaught of modernization and alien influence. In order to extend its programmes to preserve, promote rejuvenate and project the myriad tribal culture of the people of Arunachal Pradesh, a committee was constituted to prepare a vision for the Department. The department of Tribal Studies has been elevated and re-designated as: Arunachal Institute of Tribal Studies (AITS) in the year 2006.

PROGRAMME OFFERED:

Master of Arts, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 02
Associate Professor	: 01
Assistant Professor	: 04
Total	: 07

Number of Final Semester Students:

Female	: 04
Male	: 03
Total	: 07

FACILITIES: Seminar Hall, Departmental Library

ONGOING PROJECTS:

a) Center for Endangered Languages. Principal Investigator: Prof.S.Simon John Sponsoring Agency: UGC

RECENT EVENTS:

1. 7 days regional workshop at Tangam Language Documentation.
2. Borderland Narratives: Festival of Films from Contemporary North East India on 23-25 March 2019.
3. A Special talk on proposed Apatani Script: A Preliminary Discussion.

3. ECONOMICS:

The Department of Economics was established in July 1991. The main objective of the Department is to impart socially relevant education at the Post Graduate level by judicious mix of theory and empiricism. The course of study and research offering in the department has been designed to meet this objective. The faculty members of the Department have been deeply involved in the study of different developmental issues, especially in regard to the North Eastern Region. The specific issues that have attracted research attention are Human Development, Poverty, Institution Formation, Labor and Employment, Agriculture, Human Capital Formation, Environment and Eco-Tourism. The Department of Economics has the distinction of acting as a nodal department for the preparation of the First Human Development Report (HDR) of Arunachal Pradesh. The HDR project was coordinated by Prof. N. C. Roy alongwith active participation of other faculty member of the Department. It was sponsored by the UNDP and Planning Commission, Government of India, New Delhi. The final report was released in October 2006. The Center for Development Studies (CDS) was set up in 2013 with a generous grant of the corpus fund of Rs 10 crore from Ministry of Finance, Government of India as a research adjunct at the Department of Economics, Rajiv Gandhi University to provide better research facilities to the faculty, research scholars as well as the students of the Department of Economics.

VISION:

There is good scope for further development of the department, especially the research area. So far, research was mainly focused on the state of

Arunachal Pradesh and neighboring states of the region, but with increasing globalization the research focus will be expanded to cover the new areas, especially those problems coming because of globalization and of new technology in the Tribal dominated areas.

PROGRAMME OFFERED:

Master of Arts, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 04
Assistant Professor	: 05
Total	: 09

Number of Final Semester Students:

Female	: 28
Male	: 27
Total	: 55

FACILITIES: Department library, video conferencing room cum Smart class room.

ONGOING PROJECTS:

a) Asia Regional Trade and Connectivity Programme (ARTCP) - Facilitating India's Act East Policy, Gap Analysis in Infrastructure at Land Customs Stations in the North Eastern Region of India Department for International Development (DFID), Indian Council for Research on International Economic Relations.

b Financial Inclusion in the State and Impact on Overall Economy. Department of Economics and Statistics, Government of Arunachal Pradesh.

RECENT EVENTS: Two Day International Webinar on 'Impact of Covid-19 Pandemic on Global Economy on June 22-23, 2020.

4. FINE ARTS & MUSIC:

The Department of Fine Arts and Music was established in the academic year 2017-18 with two courses- Bachelor of Fine Arts (BFA) and Bachelor of Music (B.Mus.) under the faculty of social science with a visionary initiative by Prof. Tamo Mibang, then Vice-Chancellor, Rajiv Gandhi University and Prof. Simon John as a coordinator of the Department. The Department was started with two regular faculty members. At Present the Department is under the Deanship of Prof. Tana Showren, having two regular faculties Mr. Ashok Barman Assistant Professor in Music HoD i/c, Mr. Punyo Chobin Assistant Professor in Fine Arts, one visiting faculty and four guest faculties.

VISION:

To promote and explore various forms of fine arts and performing arts with artistic thought, enhancing academic thinking and curriculum activities contributing towards community/society.

PROGRAMME OFFERED:

Bachelor of Arts in Fine Arts & Bachelor of Arts in Music

Number of Faculty Members:

Assistant Professor : 02

Number of Final Semester Students:

Female : 11

Male : 17

Total : 28

FACILITIES:

Musical Instruments for the Music course and Tools for the Fine Arts course. Music Room, Gallery & Art Room

ACHIEVEMENTS:

- 1) The Department had a great Privilege to Arrange and Composed Rajiv Gandhi University song in 2018 Coordinated by T Bandopadhyay and Ashok Barman which was written by Professor Tomo Riba Registrar RGU.
- 2) There are two B Music Students achieved National Young Artist Award in 2018 from the Minis try of Culture Govt. of India, namely Ms Likha Yari B Music 4th Semester and Mr. Nepo Tamut. B Music 4th Semester
- 3) Ms. Minam Goi B Music 2nd Semester got

RECENT EVENTS:

- a) Two Days International Webinar on Hindustani Classical Music 28th & 29th July 2020

5. HISTORY:

Since inception, the department of history has been successfully implementing its mission of providing quality and innovative education and carrying out research activities with thrust on innovation. Prior to the present location, the Department had been functioning since 1980 in Jawaharlal Nehru Government College at Pasighat, which was taken over by the erstwhile Arunachal University (now Rajiv Gandhi University) in 1988 from the Punjab University. Now the Department offers M. Phil. & Ph.D. programmes on regular basis along with the Postgraduate programme. Apart from conventional areas it is giving special emphases on the studies related to border trade, British Tribe Relations, East and South East Asian Studies, North East India, Religious History, Women Studies, Buddhist Studies, Traditional Institutions and Oral Traditions.

VISION:

- The four centers proposed in the vision document are Center for Eastern Himalayan Studies, Center for South East Asian Studies with focus on Burma, Center for Oral Traditions and Center for Gandhian and Peace Studies.
- The Department focuses on the History of Modern World, European History, American History and the History of China and Japan is taught in the context of history of other parts of the world.
- Unique focus is however is on the History of Northeast India at the Macro-level and History of Arunachal Pradesh at the Micro - Level.

PROGRAMME OFFERED:

Master of Arts, M.Phil & Ph.D

Number of Faculty Members:

Professor	: 05
Associate Professor	: 01
Assistant Professor	: 02
Total	: 08

Number of Final Semester Students:

Female	: 23

9. SOCIAL WORK:

The Department of Social Work was established in the year 2015. It aims at providing quality Social Work Education. Social Work Education has two very important components vis-à-vis theory (Class Room Lectures) and Practice (Social Work Practicum). The impetus of social work education in the University is to capacitate the students so that they make an impact in the lives of the people especially the underprivileged and disempowered communities in the state of Arunachal Pradesh and the north eastern region. The department is managed by a team of four qualified, dynamic and dedicated faculty members from different parts of the country. Department of Social is having Center for Youth Development and Leadership Studies (CYDLS) ever since 2016 which is committed for youth related activities and their developmental issues.

VISION:

The Department envisions to be a center of Excellence in higher education for social work education as well as practice. The department also envisions evolving as strong platform that continuously responds to changing social realities through the development and application of knowledge, towards creating a people-centered, ecologically sustainable and just society that promotes and protects dignity, equality, social justice and human rights for all. It envisions a world free from inequities, exploitation, in justice, and violence where civil rights as well as social-economic and political justice (s) is swiftly and certainly available to every living being.

The circulation through Kiosk from Smart Card RFID system is functional. ETD (Electronic Thesis & Dissertation and Digitized rare books on Arunachal and E-Books are also available.

9. Transport Facilities: The University extends adequate bus services from the Campus to Nirjuli, Naharlagun and Itanagar for students and staff at concessional rates. Frequent bus services are provided to NERIST point in Nirjuli on National Highway 52-A, from where public transport facility can be easily availed for onward journey within Arunachal Pradesh and for inter-state bus services.

10. Hostel Accommodation: The University maintains 12 halls of residence for students (6 for Men and 6 for Women) with accommodation capacity of around 1200 residents with facilities like common room, TV and Indoor Games. Accommodation in separate hall of residence for B.Ed / M.Ed, regular M.Phil and Ph.D scholars is provided on merit basis.

List of Halls of Residence:

- | | | |
|----------------------------------|-------------------------------|------------------------------|
| 1) Subansiri Halls of Residence | 2) Kameng Halls of Residence | 3) Siang Halls of Residence |
| 4) Lohit Halls of Residence | 5) Pare Halls of Residence | 6) Tirap Halls of Residence |
| 7) Dibang Halls of Residence | 8) Yomgo Halls of Residence | 9) Panyor Halls of residence |
| 10) Tawangchu Halls of Residence | 11) Bichom Halls of Residence | 12) Tissa Halls of Residence |

11. Career Counseling Cell: The Career Counseling Cell (CCC) started on 21st August 2012 with an objective to offer educational counseling services to the post-graduate students of Rajiv Gandhi University to help the students redefine their passion in their career, develop essential employability skills and strategies and to understand processes related to different competitive examinations related to job opportunities in the current market scenario. Career Counseling Cell has organized number of skills based training programmes under the expert professionals and resource persons invited from the state as well as national level.

12. International Scholars' Cell: This cell has been established to meet the interest of foreign students and scholars to carry out studies and research activities in Rajiv Gandhi University.

13. NET Coaching Centre: The Centre was first established as a Pre Examination Training Centre (PETC) in the year 1996 to impart coaching to the SC/ ST/ OBC (Creamy Layer) Female (General) and Minority community students for preparing themselves to appear UG / CSIR NET Examinations as well as University Examinations with the active participation of subject coordinators from different departments with an Honorary Director to run the affairs of the centre.

14. University Industry Interface Cell: Established in the Year 2014, this cell is first of its kind in the entire North East, and is functional from the Department of Management. The cell is playing its part in bringing industries closer to the University Students. Entrepreneurship has been recognized throughout the world as one of the engines of growth and development. Although, there are exceptional success stories within the region, the aggregate entrepreneurial activity is subdued in comparison with the rest of the country.

15. The Centre for Entrepreneurship: Rajiv Gandhi University was set up in May, 2015. The objectives of the centre include entrepreneurship capacity building in the state of Arunachal Pradesh to develop an ecosystem for startups and SMEs and to run practical-oriented courses in the centre especially for students.

16. RO Water Facility: The RO treated water is available for the students and other stakeholders of the university with a properly installed facility which is located near the Guest House.

17. LAN Wi Fi Facility: Internet access facility which is an essential service to the university is being monitored and maintained properly. Campus-wide Local Area Network (LAN) of the university which is the

core infrastructure in enabling sharing of resources and flow of information within and outside the University has been constantly expanding as the main facilitator of all the enabled services VSAT Facility also provides internet connectivity through a 2mbps leased line link and 1 mbps DAMA VSAT link from ERNET India, New Delhi, 1 gbps connectivity under NKN has already been extended to the university by National Informatics Center (NIC), Itanagar using the leased line circuit from BSNL. Recently, high speed internet wi-fi connectivity has been in-installed in the entire campus. Creating wireless hotspots, application repository and various other intranet services are now available.

18. Extra Curricular and Co Curricular Facilities: The University ex-tends facilities for extra - curricular and co - curricular activities to the students. Apart from the auditorium with indoor badminton court, there are provisions for tennis, caroms, etc. The University also participates in Inter - University Games and Sports competitions. There is also an active NSS unit in the University. Infra- structure Facility and Equipment are:

1. Football Ground cum Track & Field (International Standard)	:3Nos.
2. Volleyball Court	:3Nos
3. Basketball Court	:1No.
4. Badminton Court	:5Nos.
5. Multipurpose Auditorium	:2Nos.
6. Gallery	:1No

19. E-waste management: E-waste (electronic waste) comprises of obsolete computers, mobile, iPod, televisions, etc. which is ready for the disposal from the original user. These wastes become life threatening element and impact the environment. Hence, Rajiv Gandhi University provides awareness to the students about proper disposal and management of such e-waste in the campus. The students are taught about the process of easy recycling of day to day electronic waste. Thus, the University allows students to learn effective usage, dumping and recycling of the electronic waste on the natural environment. The university contributes towards sustainable development in the university campus through this e-waste management system.

20. Solid waste management: This innovative project has been introduced in the RGU by Prof. S. Kushwaha, Vice Chancellor. Currently, the solid waste management is under Women Technology Park. At present, paper recycling unit is functioning in the campus as the majority of waste is paper and the most viable mode of managing the waste is a paper recycling unit. The WTP is offering courses on handmade-paper making through the Institute of Distance Education and to create a market for eco-friendly stationary.

21. Organic waste management: Rajiv Gandhi University started awareness campaign to the students about the impact of household food waste and shared the ways to prevent food waste at hostel, home in canteens / cafeterias. In this way the University brings students together to take a pledge to save food and value the food served on plate. The organic waste management has started to prevent and reduce food waste in the campus. The Waste Management Team teaches the students to share the information to family members, friends, colleagues and others when they go out from the university.

22. Rain Water Harvesting: RGU has started to harvest rainwater from the roofs of IDE and Geography department buildings. The students of Institute of Distance Education, Mathematics and Geography departments are being benefitted currently. The university administration has decided to install rainwater harvesting system in the selected buildings to meet the water requirement of the campus.

23. Grievances Cell: The University is monitoring and addressing the various grievances of different stakeholders including students through its robust public grievances cell. The university grievance cell is working under the Centralized Public Grievance Redress and Monitoring System, which is an online web-enabled system over NICNET developed by NIC in association with the Department of Administrative Reforms and Public Grievances (DARPG) with an objective of speedy redressal and effective monitoring of grievances by Ministries / Departments / Organizations of Government of India.

24. Sexual Harassment Cell: RGU is having full-fledged sexual harassment cell which gives orientation to the students from time to time about consequences of sexual harassment as well as empowering them to report if such things happen. The cell has a help line number in which one can register their complaint. The cell conducts awareness programme on the implication of a demand for sexual favors, eve-teasing or any other unwelcome conduct of sexual harassment nature.

25. Facilities for differently able: Differently-able persons need special arrangements in the environment for their mobility and independent functioning. Rajiv Gandhi University ensures that all existing structures as well as future construction projects in the campuses are made friendly for differently-abled. To suit the special needs of differently-able persons, RGU has created special facilities such as ramps, rails and special toilets and made other necessary changes to address the accessibility issues pertaining to disability.

26. Security Cell: Rajiv Gandhi University has a full-fledged security cell which works day and night for safety and security of all denizens of the campus. Security cell is headed by a senior security officer and runs with his team of security guards. The guards placed at the entrance gate as well as for all the departments help in preventing untoward incidences in the university campus. The CCTV cameras are also monitored by the security cell, RGU.

27. Women Technology Park: Established in 2001 under the UGC Xth Plan, the park provides training facilities to the unemployed young women residing in the peripheral area of the university campus in mushroom cultivation, weaving, cultivation of local and rare organic vegetables, etc. The park supplies seasonal organic vegetables to the campus dwellers.

28. RGU Atal Community Innovation Center RGUACIC: For different activities and research projects RGU has set up Atal Community Innovation Centre (ACIC) guided by Atal Innovation Mission (AIM) of NITI Aayog, New Delhi. The University has participated in collaborative research projects under the aegis of Indian Central Himalayan Universities Consortium - an initiative of NITI Aayog. The University has also initiated a social science research project on rural and boarder areas of Arunachal Pradesh under RGUACIC.

12. FACILITIES FOR RECRUITERS:

The Rajiv Gandhi University has created all the necessary amenities to conduct on-campus / digital placement. The university has created a centralized placement cell to look after the campus placement activities with its designated Professor in-charge and Placement Officer. The large size on-campus or digital campus recruitment can be conducted in RGU. The following facilities are available for the recruiters:

1. Guest House for comfortable accommodation for the esteemed recruiters.

16. MoU FOR POOL CAMPUS:

A tripartite Memorandum of Understanding (MOU) was signed between NERIST, Nirjuli, NITAP, Yupia and RGU, Rono-Hills, Doimukh on 13th August 2019 at NERIST, Nirjuli for Pool Campus Recruitment Drive.

1. NERIST, Nirjuli

North Eastern Regional Institute of Science and Technology (or NERIST) is a science and technology oriented higher education institute in Nirjuli, Itanagar, in the Indian state of Arunachal Pradesh. Established in 1984, it is a deemed-to-be-university, autonomous, fully funded and controlled by the Ministry of Education (then Human Resource Development), Government of India. The institute is managed by a Board of Management, comprising representatives of MoE (then MHRD), the eight beneficiary states of the North Eastern region, AICTE and educationists. The governor of the state of Arunachal Pradesh is the de facto head of

the highest body, NERIST Society, in which education ministers of all North Eastern States are member. The Board of Management is headed by the Chairman. The under graduate programmes of Engineering are accredited by the National Board of Accreditation (NBA). For more details login to www.nerist.ac.in

2. NITAP, Yupia

The National Institute of Technology, Arunachal Pradesh was inaugurated on 18th August, 2010 as a member of a group of ten new NITs. These new NITS were established as Centers of Excellence in technical education to combat the growing need of technological professionals in India. NIT Arunachal Pradesh started functioning under the mentorship of NIT Durgapur, until the first permanent Director Prof. (Dr.) Chandan Tilak Bhunia assumed the charge on 1st November, 2011. Initially the NIT AP started functioning in a hired building at Yupia, district Papumpare as its temporary site. Its permanent site is under construction at Jote, district Papumpare, surrounded by beautiful green forest and mountains. The area is picturesque and surrounding makes it ideal for a noble academic environment. For more details login to www.nitap.ac.in

17. ALUMNI SPEAK:

1. **Dr. David Pertin. Joint Registrar, Rajiv Gandhi University, Rono Hills, Doimukh. M.A Batch: 2002. PhD: 2011.**

"I being from the First batch of Semester System in RGU (the then AU), had meandered through the phases of transitions, and undoubtedly have a lovely experience to cherish. We all know that, change is constant. The change was taking place, it took place, it was inevitable, and still the changes are happening for good. Lets continue with our humble attempt to recollect, connect, stand and move together with our alma mater. As a matter of fact, of late, the university as an entity has moved on with academic success stories of semester system from our time to the present to the introduction of Choice Based Credit System in all UG, PG, M.Phil & PhD programmes. Changing, it's really changing.....moving on, yeah moving on, the varsity is on the right track!!! Its growing and we take pride in its strides.

"While there is a lot that the real world teaches you, only a good institution can prepare you to handle those experiences and RGU played the role of my mentor. RGU broadened my perspectives, not only on my chosen subject, but also on personal qualities like being a good listener, ethical conduct, and most importantly, being humane. You gave me wings to fly...my Alma mater." Dear Alma mater, as you turned 37 plus, to you a loud cheers!! It has been a wonderful experience thus far! Proud to be an alumna of RGU!!! Presently serving in RGU as a Joint Registrar in RGU Cum Convener of Placement Cell, RGU"

2. **Mr. Dorjee Khandu Thungdok (APCS). Circle Officer, Lazu, Longding District, Arunachal Pradesh. M.Sc (Botany) Batch: 2006-08. BEd: 2008-09.**

"The Rajiv Gandhi University gives an immense opportunity to know about the world and most importantly for self introspection. The beauty of getting into a university from a village boy to a place where you get connected to rest of the world was full of excitement and the flow of knowledge was an ultimate bliss. It was an amazing journey with my learned mentors, hostel brethrens & cooks."

3. **Mr. Ansuma Islary Entrepreneur (Managing Director, Channel Partner Indane LPG, Indian Oil Corporation Ltd.) Borpeta, Bodoland, Assam. MBA Batch: 2007-09.**

"My overall experience in RGU, as management Graduate was extremely positive. The faculty of management department has done a very great job with laying out the course curriculum and expectations to keep students on track with management program requirements. I really appreciated the integrated class scheduled that the department has offered, viz- Student exchange program, Teacher exchange program, combined class program with different institute. The professors and lecturers were very Personable, engaged and were easily approachable. The course curriculum involved many group interactions with projects and discussion boards which has enabled me to share my real life experiences and learned from one another. This post graduate program has also enabled me to actively apply what we have learned during the course and it has helped me to prepare to use the knowledge in my own career. The completion of

MBA degree has made me to feel myself in a stronger position to continue to advance my own career. It has improved my leadership skills, research, writings and time management skills. It has also provided me with strong business management foundation. The knowledge and skills that I have gained from this department has not only prepared me to be a successful career but also helped me to differentiate myself in the workforce.”

4. Dr. Luk Bahadur Chetry. Assistant Professor. Department of Zoology. Jagannath Barooah College (Autonomous), Jorhat, Assam. MSc (Zoology) Batch: 2008-10. M.Phil: 2010-2011. Ph.D: 2012-2018.

“In terms of experience, I might just run out of words. Everything in this world gives us an experience of life. It depends on how we take that experience forward and the way we execute it. At the RGU, my journey began with a master’s degree and culminated with a doctorate. The ten years of journey give me amazing experiences. I met many good friends who were always supportive to me. My teachers were always there to inspire and encourage me to grow in my life. I truly enjoyed and learned a lot about the cultural diversity of the Arunachal Pradesh tribes. Not only does the RGU encourage me to be academically strong, but it makes me a better person in life.”

5. Ms. Karbar Riba, Assistant Manager, Industrial Development Bank of India (IDBI), Itanagar. M.Com Batch: 2010-12.

I am delighted to have this opportunity to share my blissful years spent in the beautiful, serene and amazing Rajiv Gandhi University Campus that sits atop the Rono hill. I would like to thank our state’s lone Central University and its Commerce Department with learnt faculty members. The professors of department of commerce gave constant support and advice still continues to get me through the obstacles I face today. I am very blessed to be a part of the RGU alumni. The professional individual and the good human being I am today, is a testimony to the great guidance and care I had received from my mentors, professors and the values this institution had instilled in me. And I will always carry them along with me and strive to be a better person. And how can I forget the intuitive lectures, sports events, canteen memories and the Panorama Festival. They are embedded in my memory to cherish in years to come. The Panorama festival has a special place in my heart. Besides promoting our diverse culture and traditions, it also acted as a congregation for students of other fraternities to interact with each other and witness our marvelous campus.

18. PAST RECRUITERS:

**Vivekananda Kendra Vidyalayas
Arunachal Pradesh Trust**

State Bank of India

AXIS BANK

ICICI Bank

19. MAJOR TOURIST ATTRACTION:

1. Indira Gandhi Park:

The park is 1 km from Ganga Market and is a most commonly visited place in Itanagar. It is a local recreational garden with a provision for jogging. It has a meditation centre. Tourists with family find the park beautiful where they can enjoy scenic beauty and greenery all around.

2. Itaport:

The place is 2 kms from Ganga Market. An important place to visit in Itanagar, the name literally means 'Fort of bricks' (brick being called 'Ita' in the Assamese language). The port has an irregular shape, built mainly with bricks dating back to the 14th-15th century. The total brickwork is of 16,200 cubic meters which were built by the kings of the Chutिया kingdom which ruled the region during that time. The fort has three different entrances from three different sides, i.e., the western, the eastern and the southern sides.

3. Ganga lake:

It is also known as the Gyangkar Sinyi, 6 km from Ganga Market, Itanagar which is a must visit place in Itanagar. Ganga Lake is a major tourist attraction and it is one of the most visited and popular location in Itanagar. Tourists from across the world visit this destination for recreational activities and it hosts a perfect place for dry picnic. Since the lake is still, one can notice its colour to be green.

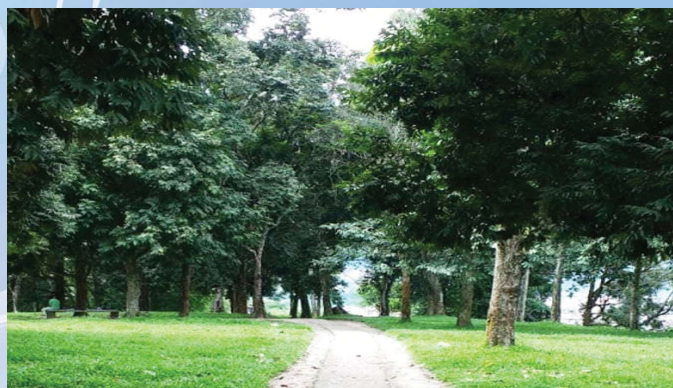

4. Gompa:

A Buddhist Temple located 3 kms away from Ganga Market is a site of tourist attraction at Itanagar. An excellent Buddhist gate at the base of the hill and a road spiralling up the hill takes all the way to the Gompa located at the top. The Gompa is very near to the main highway however the monastery is separated from the rest of the town by a small hill. It is one of the most peaceful and serene place in Itanagar.

5. Polo Park:

The park is 9 kms from Ganga Market and located at Naharlagun. An astounding botanical park at the top of the ridge, this park is a must visit for tourists. The view from the park is excellent as it is a view point for the town of Naharlagun.

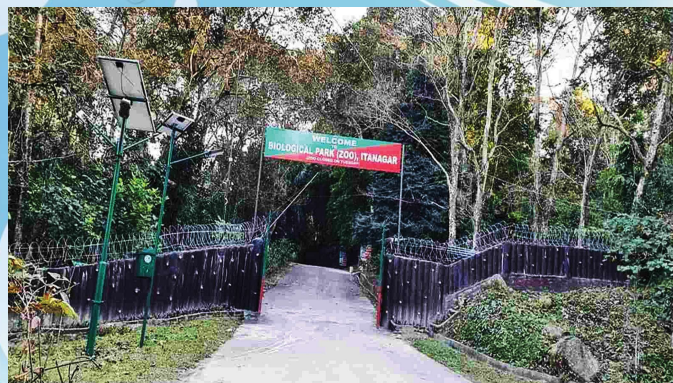

6. Jawaharlal Nehru State Museum:

The Museum is located at a distance of 3 kms from Ganga Market. The museum divided into sections was established by the state government in 1980s. Each section displays an extensive gamut of handicrafts, reminiscent of traditional Arunachal Pradesh and archaeological findings of the region. A visit to the museum restores faith in handicrafts and gives the rich artistic culture of the region.

7. State Zoo:

It is 4 kms away from the Ganga Market which is another point of tourist attraction at Itanagar. The zoo is one of the fascinating place for children and the best for family tour day out. Species like Himalayan Black Bear, Royal Bengal Tiger, Panther, Leopard, great Indian Hornbill and many rare birds are the main attraction of the state zoo.
