Internship Program Report 2018-2020

INTRODUCTION:

An internship program was conducted for the students of bachelor of physical education, by the department of physical education, R.G.U for 45(forty five) days in different schools of Arunachal Pradesh, from 22nd of Dec., 2019 to 4th of Feb., 2020. Internship program was conducted under the guidance of Dr. Anil Mili Head Department of Physical Education and was mandatory for the students for the degree of B.P.Ed. To be awarded.

In this program, the students (intern) selected schools, as per their convenience and the availability (after taking permission from the headmaster/principal of the school). The interns were engaged for administrative duties, students' activities or as a hostel warden in respective schools for six hrs per day and fulfilled the requirement of 90% attendance during internship program.

The respective principal or headmaster/headmistress monitored the interns strictly and carefully, during the whole course of program.

OBJECTIVES:

The main objective of offering internship program to the students was to give them a practical and real experience of physical education teacher and to develop a sense of responsibility for the students to be taught in near future.

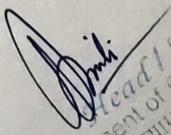

Combine feedback from the respective the Heads/Principals:

As per the feedback collected in written mode, the principals or headmasters/ headmistress were highly satisfied by the performance and dedication shown by the interns in their respective schools. The head of the various schools, praised the interns for their discipline and commitment towards their duties. After engaging, the interns and experiencing the activities conducted by them. The head or the authorities were now recognizing the need of Physical Education Teacher in a school curriculum and the importance of sports and physical education for the students. It helps them in understanding the true meaning of "health is wealth" (experienced).

FEEDBACK BY THE INTERN:

As per the feedback collected by the authority, the interns were highly satisfied and thankful to the authority (Dept. of Physical Education and various schools) for giving them chance to have a real time experience. The opportunity given was wholeheartedly grabbed by the interns and it helped them in developing confidence, building relationship with the students and gave them an opportunity to have an insight into the hurdles to be faced by a physical education teacher.

CONCLUSION:

All the students of B.P.Ed 4th Semester of the session 2018-20 have successfully completed the 45 days internship program and fulfilled the requirements placed by the authority. There were total 31 students in the Bachelor of Physical Education and out of that, 30 students attended the internship program (one student left the course in mid-session) and successfully completed the program (*list of the students and their schools are enclosed below*). As a whole, it was for the development of the students, but during the process, it helped the authorities by making them aware of the need of physical education teacher in a school curriculum and also gave them an insight of the activities conducted under the guidance of physical education teacher. Therefore, the internship program was successfully concluded by making awareness and developments among the students and teaching fraternity.
