## 1. Introduction

'Pariksha Pe Charcha' is a unique initiative launched way back in 2018 across the nation by the Hon'ble Prime Minister Shri Narendra Modi Ji to ease out the stress and tension students use to carry just before appearing different board examinations at different levels of their academic career. Parents' expectations, pressure of the curriculum, teachers' hopes and students' personal ambitions seriously jeopardize their mental strength and ability to face the examinations. Series of stresses disembark the students from concentrating on their studies and drain their memory out to work on the right point. Hon'ble Prime Minister's Programme 'Pariksha Pe Charcha' has been quite a successful endeavour to lessen the stress on the students after their active interaction with him. His just and logical answers with examples have over the years endeared enough of confidence and motivation among the students to overcome challenges of any examination and risk in their future life.

Pariksha Pe Charcha is a part of the larger movement - 'Exam Warriors' - led by Prime Minister Narendra Modi, to create a stress-free atmosphere for youngsters. It is a movement that is driven by Prime Minister's efforts to bring together students, parents, teachers and the society in one platform to foster an environment where the unique individuality of each child is celebrated, encouraged and allowed to express itself fully. Everyone can imbibe the mantras and concepts that the Prime Minister has depicted in his book 'Exam Warriors' since each mantra is pictorially represented.

## 2. About Pariksha Pe Charcha (PPC) 2022

So far four editions of 'Pariksha Pe Charcha' have been organized. Pariksha Pe Charcha (PPC) organised on 1<sup>st</sup> April, 2022 is the fifth edition in a row since 2018. This time, the Prime Minister's massively popular interaction has not only had students but also parents and teachers.

Prime Minister Narendra Modi during the *Charcha* advised students to celebrate exams as festivals. He said that April is a month full of festivals, but while celebrating festivals we also have to focus on exams. So the students should take examinations as the celebration of festivals so that they remain stress free even during examinations. He also stressed upon the importance of 'Swachh Bharat Abhiyaan'. He pointed out that students sometimes face difficulties while making important decisions. Students should develop a habit of revising whatever they have learnt in class with their friends. This will help them absorb knowledge together.

Hon'ble Prime Minister also exhorted that parents and teachers should not inject their own dreams and unfulfilled aspirations into children. Children should not be considered a replacement to their parents' desire on fulfilled. Parents sometimes fail to closely observe the strength and interests of their children. We should understand that every child is blessed with something extraordinary that parents and teachers fail to discover a lot of times. Students should be allowed to decide their future freely.

During the *Charcha* Hon'ble Prime Minister emphasized that skills are quite important across the world. Technology is not a bane, it should be used effectively. Online education is based on the principle of attaining knowledge while offline education is regarding sustaining that knowledge and practically applying it further. Students should introspect themselves while studying online, whether they actually study or spend time watching reels on social media. Whatever happens offline, same takes place online. This means the medium is not the problem. Irrespective of the medium, if our mind is delved into the subject, then it won't make a difference is grasping things.

PM Modi responded to the question on NEP. He says, "Instead of saying New Education Policy, we should call it National Education Policy because this policy is designed with modern frameworks to enhance the learning experience of a student & teaching experience of a teacher." Prime Minister Narendra Modi emphasized on remaining calm and concentrated for exam to recall everything you have studied. PM Modi while speaking about environment and cleanliness said that we need to run P3 (Pro Planet People) movement in the world. He said, "It is time that we come out of 'Use and Throw' mindset. We must focus on Reuse, Recycle and Optimum Utilisation of our resources."

Prime Minister Narendra Modi has interacted with students, teachers and parents during the 5<sup>th</sup> edition of Pariksha Pe Charcha held at Talkatora Stadium, Delhi. This year a total of 12.12 lakh students, 2.71 lakh teachers and 90,000 parents have registered themselves for the event. The event began at 11 am and was broadcasted live on Doordarshan and on YouTube channel of MoE, Facebook Live and Swayamprabha channels of MoE. Apart from Doordarshan, the programme was also transmitted by All India Radio, Live web streaming of PMO, Ministry of Education, Doordarshan, My.gov.in.

### 3. Participation of RGU in PPC 2022

Rajiv Gandhi University participated in the fifth edition of Pariksha Pe Charcha addressed by Hon'ble Prime Minister of India, Shri Narendra Modi. The Vice Chancellor of RGU, Prof. Saket Kushwaha witnessed the programme along with Deans of various faculties, statutory officers, students and teachers from Government Secondary School of RGU. There were a total of 85 participants including students and teachers from Government Secondary School of RGU in the central programme. At the end of the programme the Vice Chancellor also addressed the students participating in the 'Pariksha Pe Charcha' at RGU. He emphasized on the importance of education building students self-decision makers to drive their path on positive strength contributing to nation's integrity and development. "Strength of youth is our nation's pride and students are the torchbearers of nation's valour" is what the Vice Chancellor of RGU stated.

Apart from the main programme, every Head of the Department along with their faculty members and students also became a part of the event throughout. There have been overwhelming responses from all stakeholders of the University while attending the programme. Apart from the central programme, a total of 1450 students and 167 teachers from across various disciplines and departments joined the event through the links provided by the Ministry of Education, Government of India. Photographs of the event were tweeted with #PPC2022 and #ExamWarriors and also tagged to MOE. The banners of the event were also placed in the University website and University premises physically. A Committee was formed under the Chairmanship of Prof. S N Singh from the Department of History and Dr. N T Jose, Joint Registrar as Convenor to organize the event.
