Brief Report of Orientation Programme in the Department of Geology

The Orientation Programme for the first semester B.Sc. Geology (Hons.) students held in Department of Geology, RGU on 13-09-2018 at 11:00 AM. Prof. Nishamani Kar, Dean, FES and Coordinator, Department of Geology, Dr. A.A. Laskar, Head i/c, Department of Geology and Dr. Chandra Sekaran M, Assistant Professor, Department of Geology shared the dais. All the first semester students were present in the program.

Dr. A. A. Laskar opened up the programme with a warm welcome address and briefly explained about the course, syllabus and its structure to the students. It is followed by a very detailed lecture by Prof. Nishamani Kar regarding various aspects about the department, the course and the university systems. He had also elaborated about the importance of Rajiv Gandhi University and the presence of Department of Geology in Arunachal Pradesh. Later, students discussed about few issues like getting hostel accommodation etc. Finally, Dr. Chandra Sekaran M concluded the programme with few words and vote of thanks. Refreshment was provided to faculties and to students during the course of the programme.
