

One Week Workshop on
NSSO Data Handling and Research with Big Data Sets
Centre for Development Studies, Department of Economics
Rajiv Gandhi University, (Doimukh) Itanagar-791112 Arunachal Pradesh
5th to 9th February 2019

Research with big data set has assumed importance in view of its widespread use in different socio-economic analyses and policy formulations. National Sample Survey Organization (NSSO) conducts country-wide surveys from time to time on various socio-economic issues and publishes reports. Further, NSSO provides the data sets to the researchers to conduct research on different topics. However, only a few researchers from Northeast India are working on NSSO data because of the lack of specific expertise in the extraction of NSSO data as well as handling of large data set. Hence, with an objective to give a preliminary understanding of NSSO data extraction and handling of large data sets, the Centre for Development Studies (CDS), Department of Economics, Rajiv Gandhi University has decided to organize a week long national workshop on “**NSSO Data Handling and Research with Big Data Sets**” from 5th to 9th February 2019, for the faculty members and researchers in Economics. The workshop would cover NSSO data extraction as well as estimation of different econometric models with NSSO data.

How to apply:

Interested faculty/researchers have to submit the filled-in application completed in all respects along with a write-up of 200-300 words about the relevance of the workshop in their research to the email id: ‘ecorgu.16@gmail.com’ on or before 20th January, 2019. Preference will be given to young faculty members and researchers.

Notes:

1. Both theoretical and practical classes will be arranged
2. Resource persons would be invited from different Universities/institutes of the country.
3. TA (AC 3 tier train fare by the shortest route) would be provided to the participants.
4. Free food and lodging would be provided to the participants.
5. A total of 25 participants would be selected from different parts of the country.
6. Outstation Participants will have to pay a registration fee of Rs.500.
7. Candidates will have to bring their own laptop.
8. Applicants with only Economics background would be considered.

Joint Coordinators

Dr. Prasenjit Bujar Baruah
Dr. Dil Bahadur Gurung

Coordinator

Prof. Vandana Upadhyay
