34.	Shri Tsering Megeji	JD (Computer Centre)	Member, ABC & NAD Cell

At the outset Dr. Nani Tamang Jose, Nodal Officer, NAD & ABC welcomed all members present and briefed the importance of ABC. All the Department Coordinators and verifiers were

briefed about the registration process, ABC ID Creation and other details through a power point presentation by Dr. Upamanyu Das, Coordinator and Members, ABC & NAD Cell/

Some very important points noted during the session which require immediate attention by the administration for successful implementation were:

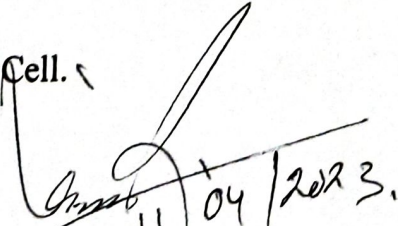

- Replacing of all Computer Sets of Examination Branch with new high-end performance level as the current system will not be able to handle the data format / tabulation sheets etc as given in the NAD / ABC portal.

Preferably, the following type of systems were suggested-

Monitor : 24 to 27 inches
RAM : 8 GB MW
Hard Disk : SSD
A3 Printers : PG and UG Section

- Minimum stationary items such cartridge, papers, folders etc to be provided to all Department Coordinators, Academic Bank Credit.
- Dedicated ABC & NAD helpline number for students. Mobile handset and a new SIM card may be obtained for the helpline number.
- Web link/ portal of ABC may be linked to the RGU website.
- **Tabulation format / template given in the portal should be adopted by the examination branch from the immediate semester for declaration of result.** This will ease the process of uploading of data.
- **Immediate appointment of two dedicated data entry operators for ABC & NAD Cell.**
- It was proposed to conduct Workshop/Interactive Session in online mode for all College Coordinators, ABC tentatively on 24th April 2023.

The session ended with vote of thanks from the Convener, ABC & NAD Cell.

(Dr. Nani Tamang Jose)
Nodal Officer, NAD & ABC
