

## Institute of Avian Research

Vogelwarte Helgoland  
Wilhelmshaven  
Director Prof. Dr. Franz Bairlein

### Certificate

I herewith certify that Dr. Daniel Mize, Assistant Professor in Ecology & Wildlife Biology at Department of Zoology of Rajiv Gandhi University, Doimukh, Arunachal Pradesh, India, joined the Institute of Avian Research in Wilhelmshaven, Germany, between 13th of April, 2019, and 12<sup>th</sup> of July 2019, as DFG Overseas Associationship.

Dr. Mize participated in training in the use of most recent animal tracking technology including satellite transmitters, GPS transmitters and loggers, GSM-transmitters, and light-level geolocation, to study movement ecology of birds. He also participated in bird ringing activities on the island of Helgoland, and he joined studies on the life-history biology of Common Terns using PIT tags (passive integrated transponders) and automated remote recording.

We very much appreciate having had Dr. Mize with us.
