# Report on

One week national workshop on "Introduction to Time Series Econometrics" (for the faculty members/researchers in Economics) Centre for Development Studies Department of Economics Rajiv Gandhi University December 18-22, 2017

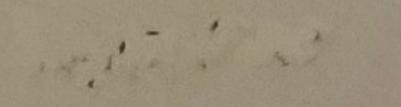

A one week national workshop on 'Introduction to Time Series Econometrics' was organised during 18<sup>th</sup> -22<sup>nd</sup> December, 2017. Around 40 applications were received for the workshop from different parts of the country. A total of 25 participants from different institutes of India Like Dibrugarh University, Tripura University, University of Hyderabad, F. M. University, Assam University, Gauhati University and Rajiv Gandhi University were selected for the programme. Prof. M.P. Bezbaruah, Gauhati University; Dr. Raju Mandal, Assam University; Prof. C. K. Mukhopadhaya, North Bengal University; Prof. S. B. Paul, IIT Delhi, New Delhi; Hemanta Barman, IIT Guahati and Prof. N. C. Roy, Rajiv Gandhi University were the resource persons of the workshop. The workshop was started with the inaugural programme on day one. The inaugural programme was chaired by Prof. S K Nayak, Head of the department of Economics and Coordinator, Centre for Development Studies and Prof. S. K. Singh, Dean of Faculty of Social Sciences graced the occasion as chief guest. As the title of the workshop reflects, the topics discussed were introductory in nature. Both theoretical and technical sessions were included in the workshop and use of some statistical packages to handle time series analysis was also discussed. The workshop was ended with the valedictory programme on 22<sup>nd</sup> December, 2017. Prof. Tomo Mibang, VC of Rajiv Gandhi University was present as chief guest in the valedictory programme. The participants expressed their satisfaction from the participation in the programme during the valedictory programme.

#### One week national workshop on **"Introduction to Time Series Econometrics"** *(for the faculty members/researchers in Economics)*

Centre for Development Studies Department of Economics Rajiv Gandhi University December 18-22, 2017

The use of various econometric tools and techniques in research in Economics is increasing day by day. Among the different econometric tools and techniques, the use of time series econometric tools and techniques have become more popular in recent times. The appropriate use of such tools and techniques require a clear understanding of the theoretical issues and capability of handling various software. Hence, with an objective to give a preliminary understanding of time series econometrics and handling of relevant software, the Centre for Development Studies (CDS), Department of Economics, Rajiv Gandhi University is going to organise a week long national workshop on "Introduction to Time Series Econometrics" during 18<sup>th</sup> to 22<sup>nd</sup> December, 2017 for the faculty members and researchers in Economics.

### How to apply:

Interested faculty members/researchers have to submit the filled-in application form along with a write-up of 200-300 words about the significance of the workshop in their research and email it to <u>ecorgu.16@gmail.com</u> on or before 5<sup>th</sup> **December, 2017**. Preference will be given to young faculty members/researchers.

Notes:

- 1. Resource persons would be invited from different institutes of the country.
- 2. TA (AC 3 tier train fare by the shortest route) would be provided to the outstation participants.
- 3. Free food and lodging would be provided to the participants.
- 4. A total of 25 participants would be selected from different parts of the country.
- 5. Applicants from only Economics discipline would be considered.

Coordination : Prof. S.K. Nayak

Joint Coordinator: Dr. Anup Kumar Das (9678568290)

: Dr. Prasenjit Bujar Baruah (9401045756)

## Application form:

# CENTRE FOR DEVELOPMENT STUDIES DEPARTMENT OF ECONOMICS RAJIV GANDHI UNIVERSITY DOIMUKH

One week national workshop on **"Introduction to Time Series Econometrics"** *(for the faculty members/researchers in Economics)*
