

Teacher's Feedback Report 2021-22

JUNE 2

Rajiv Gandhi University

Rono Hills, Doimukh, Arunachal
Pradesh, Pin - 791112

TABLE OF CONTENTS

01 INTRODUCTION

02 OBJECTIVE

03 METHODOLOGY

04 KEY FINDINGS

05 CONCLUSION AND FUTURE
COURSE OF ACTIONS

1. Introduction

As employers seek to recruit highly skilled and qualified individuals, the feedback received from organizations that have hired graduates from educational institutions becomes crucial. This report aims to present an analysis of the feedback received from employers who have employed graduates from Rajiv Gandhi University. By examining the experiences and perceptions of these employers, the university seeks to assess the employability of its graduates, identify areas for improvement, and enhance the alignment between the university's programs and industry needs.

2. Objective

The objective of this report is to provide an overview of the feedback received from employers who have hired graduates from Rajiv Gandhi University. By analyzing this feedback, the university aims to:

1. Assess the readiness and skills of graduates from Rajiv Gandhi University in meeting the specific requirements and expectations of employers.
2. Identify the strengths and areas for improvement in the university's curriculum, training programs, and pedagogy to ensure alignment with industry demands.
3. Evaluate employer satisfaction with the quality and competency of Rajiv Gandhi University graduates.
4. Understand the evolving needs of employers and their expectations from graduates in terms of knowledge, skills, and professional attributes.
5. Establish a foundation for collaboration and engagement between Rajiv Gandhi University and employers to enhance the employability of future graduates.

3. Methodology

To gather employer feedback, Rajiv Gandhi University conducted a comprehensive survey of organizations that have hired its graduates. The feedback collection process covered various dimensions, such as the graduates' technical proficiency, communication skills, problem-solving abilities, adaptability, teamwork, and overall performance in the workplace.

4. Key Findings

The feedback received from employers provides valuable insights into the strengths and areas for improvement within the educational programs of Rajiv Gandhi University. This section presents a summary of the key findings, highlighting recurring themes, notable trends, and suggestions put forth by the employers. The analysis of this feedback will serve as a basis for informed decision-making, curriculum enhancements, and fostering collaboration between Rajiv Gandhi University

and employers. The statistical result of the surveyes are plotted in Pi-diagram representaion as shown below:

1. General Communication skills

44 responses

2. Developing practical solutions to work place problems

44 responses
