ANNUAL REPORT
(Academic Session 2019-2020)

1. Name of the Institute: Institute of Distance Education
2. Director : Prof. Ashan Riddi, Department of History
3. Year of Inception: 2005

4. Brief History of the Institution:

The students from interior villages and from the background of poor economic conditions of Arunachal Pradesh cannot access higher education even though the Arunachalee students get stipends to pursue their education. The difficult geographical terrain and socio-economic backwardness off the state causes such a situation. It is in this context that the need for distance education in Arunachal Pradesh cannot be over emphasized. Realizing its importance, Rajiv Gandhi University has been offering distance education program at undergraduate level and started bachelors Degree in five subjects namely Economics, Education, English, History and Political Science from the session 2005-06. During the session 2006-07, two more subjects namely Hindi and Sociology have been added to its undergraduate program. During the session 2007-08, Tribal Studies have been added to its undergraduate program. The institute has also run Master Degree Programme in History, Political Science, Hindi, English and History, from the session 2013-14. During the session 2018-2019 M.A in Economics and M.A. in Sociology have been added in addition to two certificate courses. 'Certificate Course in Fisheries Technology' and 'Certificate Course in English for Communication' have been introduced in the same session.

The courses have been recognized and approved by the Distance Education Council (DEC), New Delhi. An Expert Committee from the DEC visited the Centre in November 2005 and evaluated infrastructural facilities, availability of course materials, details of delivery mechanisms, provisions of students support, library facilities etc. The self-learning course materials are prepared with subject experts and evaluated by a team of experts at the DEC, New Delhi.

In recent times, I. D. E. has embarked on the road of using ICT for distance learning. The institute is in the process of creating a computer centre and a website www.ide.rgu.ac.in, for which material is being developed.

The main objective of the institute is to provide opportunities to aspiring youths of the state for vocational and higher education. And to promote the same, IDE is working to introduce vocational and post graduate courses in the coming session.

5. Thrust Area of the Department:

The thrust area of the institute is to provide easy access to education. The institute has already produced many graduates from it, many of them being in-service candidates. It also offers professional certificate courses in 'English Communication' and 'Fisheries Technology'. The matter of introducing B. Ed is also under introspection.

6. Details of Faculty Members

9. Revision of Syllabus of Postgraduate Courses

Keeping in view that the current under graduate courses has been running since inception on 2013, the Institute conducted many Board of Study Meetings of the various boards to revise the current syllabus. This was also done to update the current syllabus of the IDE as per the new revised syllabus of the face-to-face mode of the university under the credit system. The syllabus of under post graduate courses in Education, English, Hindi, History and Political Science were revised.

10. Adoption of Villages under Unnat Bharat Abhiyan

The Institute adopted 11 rural villages like, Tun, Longlung, Sera, Ruyi, Ayeng, Model, Darka, Jeram, etc. under the mission of Unnat Bharat Abhiyan on February 2019. This was done to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions of accelerating sustainable growth. This envisages transformational changes in development of the rural area. This will try to minimize the disconnect between the rural and urban sectors in areas such as health, education, income and employment opportunities.

11. Renaming of WTP to IIC

दूरस्थ शिक्षा संस्थान

The Women and Technology Park (WTP) has been functioning under Institute of Distance Education, Rajiv Gandhi University (IDE, RGU) since the year 2015. Many agricultural activities have been taken up in this park after its handover to IDE, RGU. On the 13th March 2020 WTP was renamed to IIC (Innovation Cum Incubation Centre). With change in name came a new set of activities to be conducted in the said area. The aim of this is to culture innovative ideas and provide space for its application. Many activities have been added since then to enhance the level of innovation. The park also makes an attempt to revive and popularize following indigenous knowledge systems through the intervention of science and technology. Sericulture and modified loom, cultivation of wild vegetables of Arunachal Pradesh, seasonal vegetables, etc. are given preferences.
