MINUTES OF THE MEETING

A meeting of all student mentors, Guest faculty members and technical staff was held on 20th September 2021 at the conference Hall, CSE Department and was presided by Shri Ani Taggu, HoD, CSE, RGU to propose various measures for success of the mentorship programme which has been implemented the CSE department.

The list of attendees of this meeting is attached in a separate sheet below.

After a vigorous discussion based on preliminary student and mentor feedback, the following resolutions have been taken.

1. **Smooth Conduct of Laboratory Sessions:** During laboratory sessions, a prolonged power cut causes disruption during the laboratory classes. Therefore, it is proposed to upgrade the UPS infrastructure of the department by centralizing the location of all UPS installations in the first floor of the CSE building.
2. **Emphasis on Student Attendance:** In order to implement strict compliance of the attendance requirements as per the University norms, Mr. Harih Nabam, attendance i/c is hereby entrusted to develop Excel sheets for weekly data entry.

As there were no other issues to discuss, the meeting ended with thanks from HoD, CSE.

The list of attendees of this meeting is attached in a separate sheet below.

After a vigorous discussion based on preliminary student and mentor feedback, the following resolutions have been taken.

1. **Software for Conduct of Theory classes**: It has been observed that classes are being conducted by different video conferencing software like Microsoft Team, Google Meet and Cisco Webex which is causing potential confusion among students attending various online classes. Since RGU has subscribed to Google Educational Suite, it is recommended to use Google Meet software for uniformity.
2. **Conduct of Practical Experiments**: As per students feedback, the laboratory sessions for subjects with practicals are being effected due to online mode of education. After a vigorous discussion, it was decided that each individual faculty member can tailor the laboratory experiments which are doable online.

As there were no other issues to discuss, the meeting ended with thanks from HoD, CSE.
