National Faculty Development Programme (FDP) in Entrepreneurship

(23rd April, 2019 – 4th May, 2019)

Entrepreneurship has become one of the driving forces of economic growth and development. Regional developments in different levels have emphasized the role of entrepreneurship as a tool of development. Under these circumstances, it has become imperative that awareness of entrepreneurship must be spread to the youth population of the country. In this regard, faculties across colleges and universities can play an important role in the development of the entrepreneurship mindset among the students.

The (12) twelve days FDP programme was a structured training programme targeted at faculties across the country. The faculty development programme was conducted to promote faculties to act as a facilitator of entrepreneurship development cells in their respective institutions. Different pedagogical aspects of entrepreneurship education were introduced in the programme. In addition, diverse resources available to start entrepreneurship programmes in their respective institutions were also part of the programme.

Objectives

- I. To develop entrepreneurship faculty capacity in the region
2. Different pedagogical aspects of entrepreneurship were introduced.
3. To teach entrepreneurship as a career.

Programme Content

1. Developing an entrepreneurial mindset
2. Entrepreneurship process
3. Opportunity identification

4. Sources of funding
5. Management issues related to entrepreneurship
6. Developing entrepreneurship infrastructure

Audience: Faculties from Universities, Colleges and Polytechnics across India (For a detail participants list, please refer to Annexure I)

Resource Persons: The resource persons were a mix of academic and practitioners in the field of entrepreneurship. (For a detail list of Resource Persons, please refer to Annexure II)

Pedagogy:

In the FDP, resource persons with different backgrounds utilized various pedagogy methods related to entrepreneurship education. Lectures, Participatory method, Simulation, Experiential learning, and Field Visit were used in the FDP. (For a detail content of the programme, please refer to Annexure II)

Outcome:

The goal of the FDP programme was to introduce faculties from different disciplines to the different dimensions of entrepreneurial educations content, pedagogy and hands on methods. We expect faculties once they go back to their respective departments and

Organizations to spread the message of entrepreneurship and further promote entrepreneurship in their organization by establishing entrepreneurship cells and other activities related to entrepreneurship
