Sub: Sponsorship of Borderland Narratives- Festival of films from contemporary Northeast India

Dear Sir,

We have come to know that the Rajiv Gandhi University is going to organize a 3-day film festival called Borderland Narratives- Festival of Films from Contemporary Northeast India, from 24-26 March 2019.

We would like to applaud this initiative that is being taken by the University to bring out the best of films from the NE region and engage in a dialogue on cross-cultural understanding. As you are aware, CCRD is an NGO which has been committed to contribute to the documentation of culture and to understand the processes of cultural change that the State is going through.

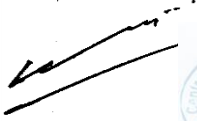

When we came to know about the film festival in the University, it was natural for us to try to contribute to this initiative in any way possible. In this regard, we would like to propose that we will provide different materials needed for organizing the film festival. This will be a humble token of our service to the state. Given below is a list of items that we would like to sponsor in kind:

Sl No.	Item	Quantity	Amount (Rs.)
1.	Design and Branding of the film festival including printing of all publicity material	1	2,00,000.00
2.	Side Event of an exhibition of Women Artistes of Arunachal entitled SHE	1	50,000.00
3.	Equipment Support for audio visual documentation of the film festival	1	1,50,000.00
4.	Valedictory dinner for all invited film directors, invitees, and participants	1	1,12,000.00
Total Amount			5,12,000.00

We hope that our proposal is considered and that we can contribute to this very significant event.

We look forward to partnering with the Rajiv Gandhi University, in this and other initiatives too.

Yours truly,

M Riba
