FOR DIGITAL PLACEMENT OF STUDENTS

SIGNED ON

2nd JUNE 2020

MEMORANDUM OF UNDERSTANDING between Rajiv Gandhi University Rono-Hills Doimukh, Arunachal Pradesh and VSS Tech Solution Private Limited, New Delhi for Digital Placement activities

This is a Memorandum of Understanding (MoU) being signed **Rajiv Gandhi University Rono-Hills Doimukh, Arunachal Pradesh**

and

VSS Tech Solution Private Limited, New Delhi for Digital Campus Placement activities

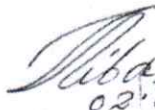

With the objective to conduct and facilitate digital campus placement facilities to the students of Rajiv Gandhi University.

ACTION PLAN FOR IMPLEMENTATION AND MONITORING OF THE MoU

1. That the VSS Tech Solution Private Limited, New Delhi through Jeevitam (Technology) Digital Platform offers to provide digital platform to conduct digital campus placement activities for the students of Rajiv Gandhi University.
2. That the Digital Campus Placement is a tech driven solution. The cost is low as compared to the traditional campus placement methods. The negotiated price for AIU member universities is Rs.10,000/- per campus placement drive per institute.
3. That Rajiv Gandhi University accepted the offer of Jeevitam Technology to provide three months package for conducting digital placement activity @ Rs. 30,000/- (Rupees thirty thousand) only with additional GST charge of Rs. 5,400/- (five thousand four hundred) only.
4. That Rajiv Gandhi University will inform the Jeevitam Technology about the date from which the validity of the package begins after the payment has been made.
5. That Jeevitam Technology shall conduct three times digital campus placement for the students of Rajiv Gandhi University under the present package.
6. That Rajiv Gandhi University will register the students and participating employers with Jeevitam Technology.
7. That Jeevitam Technology shall have to maintain the confidentiality of the students and employers data.
8. That the rest of activities of conducting digital campus placement is to be handled by Jeevitam Technology. This is how it'll work:
 - a. Digital Campus Placement will be run individually for each institute, thereby ensuring complete privacy and data confidentiality.
