

SYLLABUS

MASTER IN COMMERCE (M.COM.)

**DEPARTMENT OF COMMERCE
RAJIV GANDHI UNIVERSITY
RONO-HILLS: DOIMUKH
(W.E.F-2019-20)**

MASTER OF COMMERCE (M.COM.)

Course Structure with Effect from 2019-20

(Under Choice Based Credit System)

BRIEF OUTLINE

The M. Com. Course (Syllabus) under Choice Based Credit System (CBCS) has been designed keeping in view the changing scenario of the present education system in the 21st Century and as per the University Grants Commission (UGC) guidelines. The content of the syllabus is prepared on the basis of the current industrial demands to promote entrepreneurs, professionals and competitive skills in teaching and research.

AFFILIATION

The M.Com. program shall be governed by the Department of Commerce, Faculty of Commerce and Management, Rajiv Gandhi University, Rono Hills, Doimukh – 791112 (Arunachal Pradesh).

PROGRAM OBJECTIVE

The primary objective of the Master in Commerce (M.Com.) program is to mentally prepare the students to learn various courses/ subjects in the domain of Commerce and Business which is an interdisciplinary and integration of courses covering various domains like Accounting, Management, Finance, Taxation, Law, Marketing, Human Resource, Economics, Statistics, Information & Communication Technologies, Entrepreneurship, etc. leading to a post-graduate degree. Other specific objectives are as follows:

1. To provide a conducive environment that holistically engages post-graduate students through an all- encompassing knowledge impartation;
2. To widen the scope and depth of the courses enabling the post-graduate students to undertake job or employment, further studies and research in commerce/ business / trade / industry, and its allied areas on multiple disciplines concerned with the former;
3. To acquire a sound and advanced theoretical knowledge and skill with respect to various discipline specific areas;
4. To acquainting the post-graduate students with recent and contemporary practices and knowledge;
5. To encourage the post-graduate students to acquire a range of skills through ability enhanced courses which are helpful in employment, internships, and social activities;
6. To identify, formulate and analyse commerce and business problems, and to develop and test innovative solutions which will enable the post-graduate students to be future ready management leaders and industry-accepted personnel who are ethical, compassionate and above all efficient.
7. To focus on the character building of students, development of holistic personality, values and ethics, etc. through the teaching learning process so that they become good global citizens

PROGRAM OUTCOME

All the courses are designed keeping in view the employability, research, and innovation in the field of Commerce and Business. The learning outcome for each course has been carefully designed to help students to have experiential learning in various domains of Commerce discipline. The specific outcomes of the said program are:

1. A student will gain:
 - a. Disciplinary knowledge
 - b. Analytical skill
 - c. Communication skill
 - d. Critical and innovative thinking
 - e. Problem identification, problem analysis and problem solving skill
 - f. Research Oriented skill
 - g. Information and Communication Technology (ICT) and digital literacy
 - h. Self-directed Learning
 - i. Moral and Ethical Awareness/Reasoning with a holistic personality
 - j. Lifelong Learning

2. Each Post-Graduate in commerce should be able to:
 1. Demonstrate extensive and coherent knowledge of commerce and its applications in real business world;
 2. Understanding of various concepts and theories providing strong academic foundation;
 3. Demonstrate educational skills in areas of Marketing, Finance, Accounting, HR, Tax, Economics, Entrepreneurship and several other branches of Commerce;
 4. Acquire various soft skills (like communication, organizing, and analytical) required to manage complete business situation as well as life situations;
 5. Apply knowledge, understanding, and skills to identify the difficult/unsolved problems in rapidly changing environment and to collect the required information from possible range of sources and try to analyze and assess these problems using appropriate methodologies;
 6. Fulfill one's learning requirements to provide an insight of research and advanced knowledge in Commerce and interdisciplinary areas while seeking research pursuits;
 7. Apply one's disciplinary knowledge and transferable skills to new/unfamiliar contexts, rather than replicate curriculum content knowledge, to identify and analyze problems and issues and solve complex problems with well-defined solutions;
 8. Good value systems leading to high ethical and moral conduct in society at large; Competencies and attitudes; and Ethical Values.

OUTLINE OF THE COURSE

The M.Com. Programme is divided into two parts as under. Each Part will consist of two semesters.

Part	Year	Semester	Semester
Part - I	First Year	Semester I	Semester II
Part – II	Second Year	Semester III	Semester IV

For the two-year course, there will be 20 papers with five papers in each semester. Each paper carries four modules with four credits. Students have to acquire 80 credits to complete the M. Com course in the spread of two years. Keeping in view of the Choice Based Credit System (CBCS), it includes three choices of Discipline Specific Courses (specializations) and the students are to opt / select any one group of the Discipline Specific Courses (specializations) as per their interest during 3rd semester. The student opting for a specialisation in 3rd semester will have to continue in the same specialisation in the 4th semester. To enable the students to enhance their ability, 4 (four) Ability Enhancement Courses (AEC) has been designed to cope with the demands of the contemporary business requirements. In view of providing an expanded scope and to enable an exposure to some other discipline/ or domain and also to nurture student's proficiency and skill, Generic / Open paper is offered (choice based) for 3rd semester students from other departments. However, the courses offered in the specialization category will be notified at the beginning of the 3rd Semester, subject to the availability of infrastructure and teaching faculty.

1. There will be 4 lecture hours of teaching, per week, for each paper.
2. The course includes -
 - a. 7 (seven) papers under Core Course,
 - b. 8 (eight) papers under 3 (three) alternative specialised groups of Discipline Specific Courses viz.,
 - i. Group – A: Accounting and Finance,
 - ii. Group – B: Marketing Management,
 - iii. Group – C: Human Resource Management.
 - c. 4 (four) papers under Ability Enhancement Course and
 - d. 1 (One) paper under Open / Generic Course,
