RGU/VCS/63/2023
Dated: 19th April 2023

MESSAGE

'Building India as the skill capital of the world', constitutes the core philosophy and motivation of Skill India Mission. Guided by the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi ji, the Union Ministry of Skill Development and Entrepreneurship (MSDE), Government of India launched the third phase of its flagship scheme — Pradhan Mantri Kaushal Vikas Yojana (PMKVY 3.0) on 15 January, 2021 to encourage and promote skill development throughout the country, to address industry needs, meet market demands, and impart skills in services and in new-age job roles which have become crucial with the advent of COVID-19 pandemic. One of the main objectives of the Skill India Mission is to bridge the skills gap by providing training and skill development programs to the youth of New India. Rajiv Gandhi University (RGU), the lone central university located in the eastern most state of the country (Arunachal Pradesh) in North Eastern Region (NER), has vigorously and pro-actively joined the nation in realizing the vision of Skill India Mission on a learner centric mode to address the cherished dreams of Aatma Nirbhar Bharat.

In this regard, the Skill Hub Centre at Rajiv Gandhi University was established during March 2022 (vide letter No.AC-2365/Skill-Hub/PMKVY 3.0/2022 dated 29 March, 2022). So far, the Centre has offered two courses namely – 'CCTV Installation Technician' and 'Technician - Paper Bag Manufacturing'. The learners of first batch from both the courses have successfully completed the programme and have been awarded certificates towards fulfillment of the PMKVY 3.0 focus on upskilling and/or reskilling to increase productivity of existing workforce so as to help them in securing a better livelihood and also to empower the youth for nation building. It fills me with pride to place on record that the Skill Hub Centre at Rajiv Gandhi University having a dedicated approach towards streamlining skill training programmes in the mainstream education ecosystem, contributes to the cause of policy level synergy on integration of vocational education with general education as envisaged in the National Education Policy - 2020 and also under the objectives of National Policy for Skill Development and Entrepreneurship, 2015.

This makes me feel immensely pleased to learn that the Skill Hub Centre at Rajiv Gandhi University is bringing out a Programme Booklet highlighting the Centre's Contributions to the cause of ensuring skilled youth participation in the making of Aatma Nirbhar Bharat.

I congratulate Dr. Kaushalendra Pratap Singh, Nodal Officer of the Skill Hub Centre at Rajiv Gandhi University and his dedicated team for their dynamic role in empowering the youth towards the vision behind the Skill-Hub Initiative.

I congratulate the beneficiaries/trainees/learners on their successful completion of the courses offered by the centre and wish them a bright future.

Jai Hind! Jai Arunachal!

(Saket Kushwaha)

MESSAGE FROM THE REGISTRAR

I am extremely happy to learn that the Skill Hub Centre at Rajiv Gandhi University is bringing out a Programme Booklet with details of the Centre's Contribution to the national effort at ensuring quality skilled youth participation in the making of the *Aatma Nirbhar Bharat*.

The Skill Hub Centre at Rajiv Gandhi University was established in March 2022 (through vide No.AC-2365/Skill Hub/PMKVY 3.0/2022 dated 29 March, 2022). The Centre has offered two courses namely – 'CCTV Installation Technician' and 'Technician - Paper Bag Manufacturing' in a very short duration of its existence.

The University is known for its timely response to all Government of India programmes meant to be carried out at the Higher Education Institutes (HEIs) of the Country. The present Skill Hub Scheme has been undertaken in line of this commitment to serve the dropout/youth in particular and the society in general.

I find it an opportune moment to congratulate Dr. Kaushalendra Pratap Singh, Nodal Officer of the Skill Hub Centre at Rajiv Gandhi University and his dynamic team for very successfully launching the flagship programme of the Government of India targeted at the youth and the *Aatma Nirbhar Bharat* Mission.

I congratulate the learners of first batch from both the courses who have successfully completed the programme and earned their certificates. I wish them a productive future in line of the vision of the PMKVY 3.0 on upskilling/reskilling and meaningful youth empowerment.

Jai Arunachal Pradesh! Jai Hind!

(Dr. N T Rikam)
Registrar

Part 1: About the Institution

1.1. The University

The Inception

Rajiv Gandhi University (RGU), formerly Arunachal University nestled atop Rono Hills on a picturesque table land of 302 acres is a premier institution of higher education in Arunachal Pradesh and has completed thirty-eight years of its existence. Late Smt. Indira Gandhi, the then Prime Minister of India, laid the foundation stone of the University on 4th February, 1984 at Rono Hills, Doimukh. The University was converted into a Central University with effect from 9th April, 2007 as per the notification of the erstwhile Ministry of Human Resource Development, Government of India. Since then, Rajiv Gandhi University has carved a niche for itself in the educational scenario of the country. Prof. C.L. Anand appointed in 1987 was the first Vice-Chancellor of the university whereas Shri A P Srivastava was the first Registrar of this University who served from 1985 till 1988. Currently, Prof. Saket Kushwaha is serving as the Seventeenth Vice-chancellor of this university and Dr. N T Rikam is the Twenty Second Registrar of Rajiv Gandhi University serving from 2020.

The University received academic recognition under section 2(f) from the University Grants Commission on 28th March, 1985 and started functioning from 1st April, 1985. It received financial recognition under section 12B of the UGC on 25th March, 1994. The University started its academic journey in the year 1988 with 48 students, 18 faculty members, and three departments namely History, Political Science, and Education. B.Ed. programme was started in the current campus whereas post graduate programmes in History and Political Science initiated with Jawaharlal Nehru College (JNC), Pasighat.

Teaching and Research

The teaching and research programmes of the University are designed to play a leading role in the socio-economic and cultural development of the state as well as the nation. The University has been consistently and effectively catering to the educational needs of the state of Arunachal Pradesh and the neighbouring states

in the North East Region (NER) since its inception. The University has been extending educational facilities to the students from all over India.

Currently, the University offers Under Graduate, Post Graduate, Doctor of Philosophy (Ph.D.) and other skill-based Certificate and PG Diploma programmes through its thirty-nine departments and one centre. RGU is also offering graduate, post graduate and many certificate courses through distance education. We are also reaching out to the remotest locations through forty-five affiliated colleges spread across Arunachal Pradesh.

There has been exponential growth in the number of students over the years in various departments of the university and in its affiliated colleges. Currently, a total of 3349 students are enrolled with University in which 205 students are enrolled in Diploma/Certificates Courses, and 558 and 2076 students in undergraduate and post graduate programmes, respectively. A total of 510 PhD scholars are registered with the University. University has a near equal ratio of male and female students over the years.

Currently the University has 186 highly acclaimed regular faculty members and 67 guest/contract faculty members. 29 new regular faculty members have been recruited during the year 2021. 69 faculty members have been promoted under CAS at different level. The faculty members are actively engaged in research activities with financial support from the UGC, DST-SERB, DBT, CSIR, ICSSR, NCW, Govt. of Arunachal Pradesh and other funding agencies. Number of faculty members of the university have been awarded with prestigious fellowships by national and international agencies of repute. This year nearly half a dozen faculty members of the university have successfully got registered for their patents. Also, the university has more than two hundred administrative and other non-teaching full time staff.

The University for its Academic Expansion has entered MoU with several institutions. Rajiv Gandhi University has also been closely working with state

government of Arunachal Pradesh in research, innovations and other constructive ways. The departments of the university regularly organise capacity building programmes, seminars, workshops and conferences as part of their commitment towards academic excellence. Apart from the enthusiastic conduct and observance of Republic Day, Independence Day, International Day of Non-Violence (Commemorating the birth-anniversary of Mahatma Gandhi) the Rajiv Gandhi University had organized many flagship programmes of the central government such as –

1. Unveiling of the 'Wall of Heroes' Portraits in RGU under *Vidya Veerta Abhiyan* – An initiative under the aegis of Ministry of Human Resource Development (erstwhile MHRD), Govt. of India;
2. International Day of Yoga - An initiative of UGC (MoE, GOI);
3. *Swachhta Hi Sewa Hai* – *Swachh Bharat* Mission, GOI;
4. Run for Unity - The *Rashtriya Ekta Diwas* on the occasion of Birth Anniversary of Sardar Vallabhbhai Patel;
5. Cyclothon & Walkathon - Under Fit India Movement initiative of the GoI;
6. *Unnat Bharat Abhiyan* (UBA) - Under UBA RGU has adopted five villages in different parts of the State. Regular outreach programmes are being organised in these villages;
7. *Ek Bharat Shrestha Bharat* (EBSB) - Under EBSB MoU has been signed with *Aligarh Muslim* University and BHU (Uttar Pradesh) and NEHU (Meghalaya). Several programmes have been organised wherein visit to *Uttar Pradesh* two teams and one team to *Meghalaya* for cultural exchange programme have been conducted besides webinar dialogue on *YuvaSangeet Samaroh*(Aligarh and RGU students), *Dekho Apna Desh*, and Meghalaya. Culture exchange programme to BHU;
8. National Service Scheme (NSS) - RGU NSS Cell has been organising regular activities and annual special camp programmes. Near about 350 volunteers are registered. Two of the NSS volunteers from RGU have been recognized with State Best NSS award. And one volunteer has been honoured with National NSS award during 2019. NSS park has been set up in the university;

9. National Cadet Corps (NCC) - RGU NCC unit is organising regular NCC programmes. A mega NCC camp was organised at RGU where 600 cadets participated;
10. *Beti Bachao Beto Padhao*; and
11. Skill India and Fit India.

The university has also completed its academic and administrative audit (AAA) for 2020. To improve performance and achievement, the University has decided to implement and conduct Academic and Administrative Audit annually. It not only facilitates and helps respective Departments/ Centres but also prepares the University for better grading by the NAAC Evaluations and Accreditation.

Affiliated Colleges

Presently university has about forty five (45) affiliated colleges comprising of nineteen (19) Government Degree Colleges, Nine (09) private degree colleges, One (01) Government Medical College (TRIHMS), One (01) Government Law College, Two (02) Government Nursing Colleges, One (01) private Law College, Nine (09) private Teacher Education Colleges, Two (02) private Nursing Colleges and a (01) private Homoeopathy Medical College.

Academic and Infrastructural Resources

Smart class room facility has been provided to all the departments. Currently, the University library has 74,500 numbers of books. Apart from the printed books, the University Library also has 12700 numbers of e-books in total which are perpetual access in nature. 462 Ph.D. theses have been uploaded under ETD *Shodhganga* Project till the date also. The University Library has subscribed I-Thenticate (Turnitin) –Anti –plagiarism software in the year-2021 from the session 2020-21. This year, Rajiv Gandhi University, Central Library has also started the IR (Institutional Repository) which has inaugurated its portal (<http://rguir.inflibnet.ac.in>) on 20th May 2021. 7066 numbers of e-books have been already uploaded in the Institutional Repository. Besides, the library has subscribed IEEE CSDL for its users in the current academic session.

Rajiv Gandhi University has more than a dozen students' hostels with a capacity to accommodate nearly sixty per cent (60%) of its students as on date whereas complete (100%) accommodation for *divyangjan* has been ensured in university campus. Nearly a dozen buses of the university ply everyday on fixed schedule to facilitate smooth transportation of students and staff. Currently, University has two (02) senior medical officers, two (02) nurses, one (01) pharmacist and one (01) health assistant together with three (03) MPW staff serving in its health centre which has three (03) beds for emergency service. To promote and protect the rights of women and human rights of the Minorities, University has a proactive anti-sexual harassment committee and minority cell respectively which organizes awareness programmes for different stakeholders and takes remedial measures. University has upgraded its basic infrastructure in due course of time and currently has eleven (11) bore-wells functioning with full capacity and also 250 kilowatts 3DG sets to serve the emergency electric requirements. Additionally, university has eight (08) Rooftop Solar Power Plants, supplied and installed by Arunachal Pradesh Energy Development Agency (APEDA) during 2019-20. The capacity of the plant is around 60 KW and it provides power to different hostels and academic buildings. This project saves around 476.26 KW daily during a sunny day. The APEDA will maintain these plants for five years from the date of installation.

Six (06) artificial water harvesting systems, with bricks and RCC foundation, were installed in the university campus with a capacity of 1.5 lakh litres each during 2002 (at Academic Block and Central Library each) and 2018 (at Department of CSE, Eco-Park, IDE, and Department of Geography each). Out of six (06) systems, four (04) are operational currently. The water, so stored has been used for gardening and cleaning purposes and the rest are used to recharge the ground water level. Due to availability of the water for nonconventional uses, the green vegetation in the campus is on a path of growth, and adding aesthetics to the campus life. Further, university has developed two (02) water reservoirs to recharge the ground water naturally, during the rainy season.

University has hundreds of trees planted in last few years. Also, there is a complete ban on cutting of trees and bird hunting in the campus. Last year, Rajiv Gandhi University Campus has been declared as a fully plastic free zone.

The use of solar power, conservation of conventional energy, plastic free campus-swachhta hi sewa and green audit are indicative as well as substantive sustainable practices of RGU campus. Plants provide everything for our survival. All three basic needs for survival, Oxygen, Water and Food we get from plants. University recently completed green audit of the campus to take stock of the per capita carbon footprint. The green audit, conducted during December 2019 to February 2020, has recorded the occurrence of as much as 116 species of trees in the developed area of the Rajiv Gandhi University campus on top of the Rono Hills. This is for the first time, and it is expected to significantly serve as the base-line data, for similar future assessment. All the plants growing inside the campus with Girth at Breast Height (GBH) over 20 cm were spotted identified and measured for GBH. For this purpose, entire development part of the campus was loosely divided into 26 sectors/areas. Rajiv Gandhi University Museum of Fish (RGUMF) maintained by Department of Zoology is actively contributing in conservation and promotion of new fish species.

Achievements

RGU, the easternmost located central university of the country has kept behind many central universities in the race of academic achievement and secured second place in the rankings released by the Ministry of Education, Government of India, in 2020, by registering 83% in the grading of performance. The varsity lapped up the coveted title of 'Best Central University' in 2020 at the third Himalayan Educators Summit, 2020 and ranked third to receive the '*Divya Himagiri* Himalayan State Education Excellence Award 2020'. These awards mirror RGU's hard work and the urge to excel.

Rajiv Gandhi University has earned the unique distinction of being the first university in the country to prepare First Human Development Report (HDR) of

Arunachal Pradesh. The department of economics received a grant of Rs. 10 crore as corpus fund in union budget, 2012 for research and establishment of Centre for Development Studies (CDS).

The huge (81.37%) forest cover, zoo-geographic location, altitudinal variation, various vegetation, high rainfall, different climate regimes etc., contribute in making Arunachal Pradesh an extremely rich biodiversity region. Department of Zoology & Botany of this University has been recognized as the “Centre with Potential for Excellence in Biodiversity (CPEB)” in the year, 2002, vide UGC DO Letter No. F14-2/99(IUC/UNIV. Excellence), dated 23rd May, 2002. The Centre has successfully completed two successive phases of 5 years each.

The RGU added a priceless feather to its colourful cap by establishing the “Centre of Excellence on Sports Science Education and Research” under the scheme "National Centre of Sports Science and Research" (NCSSR) of the Ministry of Youth Affairs and Sports (MYAS) to develop for the enhancement of the performance of Indian sportspersons in the international competitions. It is the first of its kind in the North-East India and only the 6th in the entire country. Under this, the University has started four (04) new departments for holistic development of youth. They are; (a) Sports Biomechanics, (b) Sports Physiology, (c) Sports Psychology, and (d) Strength Training & Conditioning. It envisions to infuse vigour and dynamism into the sporting culture of the university and the region as well.

Rajiv Gandhi University has been selected by the NITI Aayog to set up ‘Atal Community Incubation Centre (ACIC)’ for augmenting entrepreneurial acumen and capacity-building among the unemployed youth. As an integral part of the ‘Indian Himalayan Central Universities Consortium’ of NITI Aayog, New Delhi under UGC STRIDE Scheme, the RGU is contributing in collaborative research pertaining on five different themes.

The University received financial support of Rs. 10 Crore from Department of Science and Technology, Ministry of Science and Technology, Govt. of India under PURSE 2021 Programme. The university is assigned by the Govt. of Arunachal Pradesh to document the Unsung Heroes of Arunachal Pradesh who fought against British invasion. This year the University has partnered with the State Government for celebrating the golden jubilee of the State's foundation and the its naming as 'Arunachal Pradesh'. Presently, the University is celebrating the 'Azadi ka Amrit Mahotsav' with a series of well-planned programmes and events, in a befitting manner.

RGU's Arunachal Institute of Tribal Studies (AITS) inked a memorandum of understanding (MoU) with State Research Directorate for extensive heritage documentation and to formulate a State Culture Policy (SCP) on 16th Oct., 2020, one of few such moves in the country. The Directorate of Youth Affairs, Govt. of Arunachal Pradesh has constituted a Drafting Committee for examining State Youth Policy of Arunachal Pradesh taking into account the National Education Policy, 2020 as well as latest Youth Policy of Govt. of India and other states.

The University adheres to the academic calendar, conducts the examinations, declares the results on time and organizes convocation every year on a fixed date as the part and culture of its best practices. In our pursuit to infuse and consolidate Constitutional Values and also those of Indian Freedom Struggle, during the convocation each year, university distributes Preamble of the Constitution of India and Fundamental Duties to all the passing out students along with their degree. In equity and diversity parameters, the University always has upheld a consistent and constructive role. Gender equality and promotion of indigenous students and learners with special abilities have been remaining a top priority for the university. The University is also in the process of expanding its campuses in three locations for the larger benefit of students. Rajiv Gandhi University is creditably matching the new trends in the field of higher education and has assiduously maintained its scholastic distinction to enable the aspiring students keep abreast with their fellow students across the Nation and the Globe.

Vision

Rajiv Gandhi University aspires to be India's most vibrant, energetic, responsive and acclaimed University, to be recognized for excellence in teaching, research and providing the highest quality educational opportunities for the learners of all communities. The University aims at nurturing their talent by promoting intellectual growth to shape their personality and serve humanity as multi-skilled, socially responsible, creative, adaptable, contributing and morally sound global citizens.

Mission

Our mission is to provide opportunities and support students from diverse background and assist them to become well-informed global citizens by developing their intellectual, moral, civic and creative capacities to the fullest through multi-faceted education and sustained engagement with local, national and global communities. The University also aims to carry out academic process for achieving excellence through active and dynamic student-teacher participation and inculcate high moral, ethical and professional standards among students which will enable them to develop knowledge and skills necessary to achieve their professional goals so as to improve the performance and also provide leadership and service to the community.

1.2. The Skill Hub Centre

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development and Entrepreneurship (MSDE) implemented by National Skill Development Corporation (NSDC). The objective of this Skill Certification scheme is to enable Indian youth to take up industry relevant skill training that will help them in securing a better livelihood.

With an aim to empower country's youth and continue the journey of Skill India Mission in building India as the skill capital of the world, the Ministry of Skill Development and Entrepreneurship (MSDE) launched the third phase of its

flagship scheme — Pradhan Mantri Kaushal Vikas Yojana (PMKVY 3.0) on 15 January 2021. PMKVY 3.0 aims to encourage and promote skill development throughout the country to address industry needs, meet market demands and impart skills in services and in new-age job roles that have become crucial with the advent of COVID-19 pandemic. The scheme aims to benefit over eight (08) lakh candidates in FY 2020-2021 with a budget of INR 948.90 crores while targeting the youth under the age group of 15-45 years. The scheme have two components — Central Component to be implemented by National Skill Development Corporation (NSDC), Directorate General of Training (DGT) and other agencies of the Central Ministries and the State Component to be implemented by State Skill Development Missions (SSDMs)/respective Departments of the States/UTs.

The focus of PMKVY 3.0 (2020-21) has been shifted from supply-based approach to demand-based approach. In the wake of disruption caused by COVID-19 and resultant impact on livelihood, the scheme (PMKVY 3.0) will give major focus on upskilling/reskilling with a focus on future skills (industry 4.0) courses to increase productivity of existing workforce and provide online/digital mode of training for wider coverage. **Skill training will be imparted under three categories, pan-India: (1) Short Term Training (STT), (2) Recognition of Prior Learning (RPL), and (3) Special Project (SP)**

Ministry of Skill Development and Entrepreneurship (MSDE) in consultation with Ministry of Education (MoE) has planned to implement the 'Skill Hub Initiative' under Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0). Scheme aims to facilitate and make education more relevant and create industry fit skilled workforce.

The 'Skill Hub Initiative' under the PMKVY 3.0 scheme shall focus on the introduction of skill training programmes in the education ecosystems. Initiative shall consider the policy level synergy on integration of vocational education with general education as envisioned in the 'National Education Policy 2020'. The

effort shall supplement the objectives of 'National Policy for Skill Development and Entrepreneurship, 2015'.

In view of the above, successful integration of skilling with education will require support and synergy from every stakeholder(s) such as MoE, MSDE and other central Ministries/Departments including Higher Education Institutions (HEIs). The 'Skill Hub Initiative' shall be implemented under Central component of PMKVY 3.0 through National Skill Development Corporation (NSDC) and support of State Education Department/Agencies. The implementation of the initiative shall ensure broad-based convergence of vocational education with formal education in a phased manner to achieve outcomes with speed and standard.

In pursuance to the discussion with Ministry of Skill Development and Entrepreneurship on 4th March, 2022, a committee was constituted through vide notification No.RGU/REG-45/AC/21 dated 4th March, 2022 with regard to offer Skill Development Courses regarding Skill Hubs Initiatives (SHI) under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 3.0.. Subsequent to that Skill Hub Centre at Rajiv Gandhi University was established through vide No.AC-2365/Skill-Hub/PMKVY 3.0/2022 dated 29th March, 2022. The Centre has offered two courses namely - **CCTV Installation Technician and Technician - Paper Bag Manufacturing** in very short span of time. The learners of first batch from both the courses have been successfully completed the programme.

Part 2: About the PMKVY

2.1. The Background

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development and Entrepreneurship (MSDE) implemented by National Skill Development Corporation (NSDC). The objective of this Skill Certification scheme is to enable Indian youth to take up industry relevant skill training that will help them in securing a better livelihood. Individuals with prior experience are also assessed and certified under Recognition of Prior Learning (RPL).

2.2. PMKVY 3.0

With an aim to empower country's youth and continue the journey of Skill India Mission in building India as the skill capital of the world, the Ministry of Skill Development and Entrepreneurship (MSDE) launched the third phase of its flagship scheme — Pradhan Mantri Kaushal Vikas Yojana (PMKVY 3.0) on 15 January 2021. PMKVY 3.0 will encourage and promote skill development throughout the country to address industry needs, meet market demands and impart skills in services and in new-age job roles that have become crucial with the advent of COVID-19 pandemic. Incorporating the learnings from PMKVY 1.0 and PMKVY 2.0, PMKVY 3.0 will be implemented in a more decentralised structure with greater responsibilities and support from States/UTs and Districts. District Skill Committees (DSCs), under the guidance of State Skill Development Missions (SSDM), shall play a key role in addressing the skill gap and assessing demand at the district level. The new scheme will be more trainee and learner centric addressing the ambitions of Atmanirbhar Bharat.

The scheme aims to benefit over eight (08) lakh candidates in FY 2020-2021 with a budget of INR 948.90 crores while targeting the youth under the age group of 15-45 years. The scheme will have two components — Central Component to be implemented by National Skill Development Corporation (NSDC), Directorate General of Training (DGT) and other agencies of the Central Ministries and the

State Component to be implemented by State Skill Development Missions (SSDMs)/respective Departments of the States/UTs.

Skill training will be imparted under three categories, pan-India:

- 1. Short Term Training (STT)**
- 2. Recognition of Prior Learning (RPL)**
- 3. Special Project (SP)**

The focus of PMKVY 3.0 (2020-21) has been shifted from supply-based approach to demand-based approach. In the wake of disruption caused by COVID-19 and resultant impact on livelihood, the scheme (PMKVY 3.0) will give major focus on upskilling/reskilling with a focus on future skills (industry 4.0) courses to increase productivity of existing workforce and provide online/digital mode of training for wider coverage.

2.3. Skill Hub Initiative

Knowledge and skills are the driving forces for social development and economic growth for any country. As there is demand-supply mismatch, the economy needs more 'skilled' workforce than in the availability of it. In the school and higher education sphere, knowledge and skills are required for diverse forms of employment in all the industry sectors and other services. By realizing the importance and the necessity for developing skills among students, National Education Policy 2020 emphasised on mainstreaming vocational education and to enable removal of academic silos, a Credit based framework to ensure vertical and horizontal pathways for students and creating work-ready human capital.

Ministry of Skill Development and Entrepreneurship (MSDE) in consultation with Ministry of Education (MoE) has planned to implement the 'Skill Hub Initiative' under Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0). Scheme aims to facilitate and make education more relevant and create industry fit skilled workforce.

The 'Skill Hub Initiative' under the PMKVY 3.0 scheme shall focus on the introduction of skill training programmes in the education ecosystems.

Initiative shall consider the policy level synergy on integration of vocational education with general education as envisioned in the 'National Education Policy 2020'. The effort shall supplement the objectives of 'National Policy for Skill Development and Entrepreneurship, 2015'.

As envisioned in the Guidelines of the PMKVY 3.0, for creation of state-of-the-art and sustainable skill Training Centres, phase-wise introduction of vocational courses in school curriculum in coordination with Ministry of Education (MoE) is the need of the hour. This can be accomplished through technical support, greater cross utilization of available infrastructure from Universities/ Colleges/ Industrial Training Institutes (ITIs)/ Polytechnics/ Schools, strengthening of District Skill Committees (DSCs), State Skill Development Missions (SSDMs)/ State Directorate of Technical Education along with handholding, strategic and funding support.

In view of the above, successful integration of skilling with education will require support and synergy from every stakeholder(s) such as MoE, MSDE, other central Ministries/Departments, SSDMs, DSCs, Sector Skill Councils (SSCs), School boards and other key players like Schools, Higher Education Institutions (HEIs), Industrial Training Institutes (ITIs), Polytechnics, Training Providers (TPs).

The 'Skill Hub Initiative' shall be implemented under Central component of PMKVY 3.0 through National Skill Development Corporation (NSDC) and support of State Education Department/Agencies. The implementation of the initiative shall ensure broad-based convergence of vocational education with formal education in a phased manner to achieve outcomes with speed and standard.

What is Skill Hub?

Skill Hubs are nodal skill centres identified to provide skill development and vocational training opportunities to target population segments from class 6-8th (introduction to world-of-work through orientation, industry visits, bag-less days),

9th to 12th (aimed at exposing students to skill development avenues), school dropouts and out-of-education (aimed for academic credit, mainstreaming back to education and or apprenticeship and employment linkages).

Over a period of time these Skill Hubs will associate with adjoining education and skilling institutions (spokes) over a district, or a cluster of adjacent districts, to provide access to skill development training at hub location or at spoke location. Such adjoining institutions in the vicinity of the Skill Hub may leverage the infrastructure and resources available at the associated Hub for their In-school, drop-outs and out-of-education candidates in the 15-29 age cohort.

In the initial phase, 5,000 such skill hubs will be identified in the country from across the education and skill ecosystems.

Skill Hubs will be co-opted from the vocational system and education system with participation from MSDE (ITI, PMKK, PMKVY Center, Fee based Center), MoE (Department of School Education & Literacy-DoSEL and Department of Higher Education-DoHE), Ministry of Rural Development (MoRD), Ministry of Micro, Small and Medium Enterprises (MSME) and Ministry of Electronics and Information Technology (MeitY).

Any entity from the below mentioned category will be selected as a Skill Hub depending on the available capacity and/ or previous experience of imparting vocational courses:

- Schools (Government, and Private)
- Higher Education Institutions (Engineering, Technical and General Institutions including institutions offering Language courses)
- Polytechnics
- Government Industrial Training Institutes (ITIs)
- Other Govt Skilling Institutions like RSETI, NIELIT, etc
- Pradhan Mantri Kaushal Kendras (PMKKs)
- Corporate Skill Institutions/ Industry Bodies.
- Institutions under Jan Shikshan Sansthan (JSS) Scheme
- Institutes under Ministry of Micro, Small and Medium Enterprise (MSME)

Part 3: Programme Objectives and Expected Outcome

3.1. Programme Objectives

The 'Skill Hubs Initiative' under PMKVY 3.0 aims at creating shared infrastructure, aligning with the needs of the local economy, and addressing the needs of all target segments for vocational training. It is also expected that existing resources in education and skilling system can be put to optimum usage by utilization for skilling beyond normal working hours and during weekends. The scheme is aimed at the following:

- a. Provision of permanent vocational infrastructure and resources for skilling;
- b. To ensure contiguous availability of skilling centre's for ease of candidates;
- c. Align the vocational offerings at all levels with overall economic and local economy needs;
- d. Introduce vocational learning at an early stage with multiple well-defined pathways for candidates to continue with their chosen vocations;
- e. Provide vocational offerings for target segments including in-school, drop-outs and out-of-education candidates;

3.2. Expected Programme Outcome

The expected programme outcome of the two offered courses vis-à-vis - 'Technician - Paper Bag Manufacturing (SGJ/Q8701)' and 'CCTV Installation – Technician (ELE/Q4605)' have the following expected outcome:

- a. To impart skill based training among school dropouts;
- b. To develop the competencies of the learners;
- c. To produce the trained human resource in the field of Paper Bag Manufacturing and CCTV Installation; and
- d. To fulfill the need of required employability skills among the learners.

Part 4: Technician - Paper Bag Manufacturing (SGJ/Q8701)

‘Technician - Paper Bag Manufacturing (SGJ/Q8701)’ aimed at training candidates for the job of a “Technician-Paper Bag Manufacturing”, in the “Green Jobs” Sector/Industry and aims at building the key competencies amongst the learner. The sector of this course is ‘Green Jobs’ and sub-sector is ‘Other Green Jobs’. The course has Three (3) NSQF Level.

4.1. Training Outcomes

The training outcomes of the course ‘Technician - Paper Bag Manufacturing (SGJ/Q8701)’ are detailed below:

- a. Check machines, tools and equipment for paper bag manufacturing;
- b. Carry out paper cutting and creasing;
- c. Make eyelets in paper bag;
- d. Paste, print and dispatch paper Bag;
- e. Maintain basic health and workplace safety; and
- f. Improve communication and soft skills which include etiquette manner, perception etc.

4.2. Course Curriculum

The prescribed course curriculum of the ‘Technician - Paper Bag Manufacturing (SGJ/Q8701)’ is detailed below:

Model Curriculum

Technician-Paper Bag Manufacturing

SECTOR: GREEN JOBS
SUB-SECTOR: OTHER GREEN JOBS
OCCUPATION: MANUFACTURING
REF ID: SGJ/Q8701, V1.0
NSQF LEVEL: 3

This course encompasses 5 out of 5 Compulsory NOS (National Occupational Standards) of “Technician-Paper Bag Manufacturing” Qualification Pack issued by “Skill Council for Green Jobs”.

COMPULSORY NOS:

Sr. No.	Module	Key Learning Outcomes	Equipment Required
1	<p>Introduction</p> <p>Theory Duration (hh:mm) 06:00</p> <p>Practical Duration (hh:mm) 10:00</p> <p>Corresponding NOS Code Bridge Module</p>	<ul style="list-style-type: none"> • Explain different types of waste • Describe different sources of waste and methods of treatment, re-use and disposal • Describe use of recycled/processed paper for paper bag manufacturing • Explain the extent and use of paper bags for various end use purposes • Explain toxins and harmful chemicals in printing industry • Explain waste management hierarchy • Explain importance of wastewater reuse and recycling • Explain different stages of paper bag manufacturing • List out types of computational based printing available in market 	<p>Demo model of paper bag manufacturing plant, geographical map of India, chemicals used in printing, computational design of paper bag</p>
2	<p>Check machines, tools and equipment for paper bag manufacturing</p> <p>Theory Duration (hh:mm) 15:00</p> <p>Practical Duration (hh:mm) 27:00</p> <p>Corresponding NOS Code SGJ/N8701</p>	<ul style="list-style-type: none"> • Identify different parts of paper bag manufacturing machines • Explain dos and don'ts while assembling components of machines • Explain operation and maintenance requirement for machine components which required replacements • Assess rating of the machines and electrical requirements specified • Assess required dimension of paper to be cut • Check sharpness of the blade • Explain how to place paper reel on the reel stand • Adjust the specification of the cutting machine as required • Insert the paper through feeding table • Place the stands in vertically upward position • Explain how to connect both stands using a cross bar • Explain how to place the machine unit over the top of the stand • Fix feeding table as required on unit • Connect accelerator unit to the machine • Connect the creasing machine to external power • Check functioning of creasing machine • Fix base of screen printing apparatus • Fix template 	<p>Activity material, demo model of paper cutting machine, creasing machine, dye</p>

Sr. No.	Module	Key Learning Outcomes	Equipment Required
		<ul style="list-style-type: none"> • Check required ink for screen printing • Fit the frame with screen printing apparatus • Check punching hole dimension as per requirement • Explain how to change the measurements between the two holes • Explain how to change dye according to requirement • Demonstrate troubleshooting mechanism for repair of cutting and creasing machine 	
3	<p>Carry out preparatory activities for making paper bag</p> <p>Theory Duration (hh:mm) 09:00</p> <p>Practical Duration (hh:mm) 36:00</p> <p>Corresponding NOS Code SGJ/N8702</p>	<ul style="list-style-type: none"> • Explain product specification of paper bags to be produced as per production line-up • Evaluate measurements • Explain different templates used for standard bag measurements • Adjust male and female creasing wheels horizontal based on measurements • Align vertical shaft based on GSM of paper • Explain load bearing capacity of paper • List out different types of paper • Identify Grams per Square Meter (GSM) of various papers from the list • Identify Burst Factor (BF) of various papers from the list • Explain how to select the appropriate paper based on BF, GSM and reel width • Select dimensions of the paper bag • Select appropriate cutting measurements • Cut the paper as per selected dimensions • Align the creasing wheels as per the dimensions of the paper bag • Mark the paper as per the required dimensions • Crease the paper • Fold paper based on the creasing • Explain how to press the folding 	<p>Activity chart, different types of papers</p>
4	<p>Paste, print and dispatch paper Bag</p> <p>Theory Duration (hh:mm) 25:00</p> <p>Practical Duration (hh:mm)</p>	<ul style="list-style-type: none"> • Explain packing system adopted for easy supply chain • Explain about dispatch procedures • Explain to use inks for product marking for dispatching right product to the right customer • Explain technique of impression exposing match with customer 	<p>Frame, ink, activity material, demo model of screen printer, eyelets, handles</p>

Sr. No.	Module	Key Learning Outcomes	Equipment Required
	50:00 Corresponding NOS Code SGJ/N8703	requirements <ul style="list-style-type: none"> Identify various parts of screen printing apparatus Prepare the screen as per the required impression Explain how to fit the frame with the exposed sheet Apply ink and print the required image on paper bag Explain how to paste side of the paper on folding Explain how to paste bottom of the paper on folding Make eyelets Explain how to fix handle either with thread or paper Make bundle of paper bag Identify the demand of sales department Explain how to dispatch the bundle of paper bag as per demand 	
5	Maintain basic health and workplace safety Theory Duration (hh:mm) 02:00 Practical Duration (hh:mm) 05:00 Corresponding NOS Code SGJ/N6205	<ul style="list-style-type: none"> Maintain proper hygiene and protection from dust and other infections Demonstrate transportation safety like use of indicators, avoid bulging of material, etc. Administer first aid and use of different ways and means to handle emergency situations like fire, natural disasters, riots, etc. Select methods to dispose of waste in accordance with environmental safety Demonstrate use of Personal Protective Equipment (PPE) and its availability at work place 	Safety tool kits (including gloves, mask, boots etc.), first aid kit
6	Work effectively with others Theory Duration (hh:mm) 08:00 Practical Duration (hh:mm) 24:00 Corresponding NOS Code SGJ/N0120	<ul style="list-style-type: none"> Identify ways to assist colleagues positively to maximize effectiveness and efficiency in carrying out tasks Discuss importance of work culture Demonstrate appropriate communication etiquette and dressing at work place Demonstrate responsible and disciplined behaviour at the workplace Identify ways to put up grievances and problems to appropriate authority Demonstrate collaboration and group participation to achieve common goals Explain gender sensitivity and PwD sensitivity List different types of disability and overcoming challenges 	Short-answer and fill-in-the blank papers, rubrics and quizzes, internet connecting devices

Trainer Prerequisites for Job role: “Technician-Paper Bag Manufacturing” mapped to Qualification Pack: “SGJ/Q8701, v1.0”

Sr. No.	Area	Details
1	Description	To deliver accredited training service, mapping to the curriculum detailed above, in accordance with the Qualification Pack “SGJ/Q8701, Version 1.0”
2	Personal Attributes	The Individual is expected to have good communication skill, team spirit, be courteous and polite and should be able to work across various locations. S/He should be energetic, self-motivated and able to produce good quality work
3	Minimum Educational Qualifications	Graduate preferably in electrical, electronics, environment or chemical discipline
4a	Domain Certification	Certified for Job Role: “Technician-Paper Bag Manufacturing” mapped to QP: “SGJ/Q8701, Version 1.0”. Minimum accepted score as per SCGJ guidelines is 80%
4b	Platform Certification	Recommended that the Trainer is certified for the Job Role: “Trainer”, mapped to the Qualification Pack: “MEP/Q2601” or equivalent. Minimum accepted score as per SSC guidelines is 80%
5	Experience	10 th pass with two years of experience in relevant waste management organisation or similar occupation

4.3. Details of Enrolled Candidates

Sl.	Name of the Enrolled Candidates	Gender	Candidate ID
1	Ms. Yame Techii	Female	CAN_17729689
2	Ms. Tutumoni Kaman	Female	CAN_17729985
3	Ms. TeyiYabi	Female	CAN_17730150
4	Ms. Tarh Mala	Female	CAN_17730767
5	Mr. Tana Tat Tara	Male	CAN_17730977
6	Ms. Taba Atup	Female	CAN_17731584
7	Ms. Sumitra Pegu	Female	CAN_17731687
8	Ms. Sorry Tarak	Female	CAN_17731711
9	Ms. Nabam Jermin	Female	CAN_17731846
10	Ms. Jumila Doley	Female	CAN_17731915

11	Ms. Reboti Rai	Female	CAN_17732187
12	Mr. Toko Nili	Male	CAN_17751174
13	Ms. Mero Techhi	Female	CAN_17751188
14	Ms. Yanya Riba	Female	CAN_17751203
15	Ms. Phiangcha Hosai	Female	CAN_17751213
16	Ms. Bayir Romin	Female	CAN_17751229
17	Mr. Rijo Dabi	Male	CAN_17751238
18	Ms. TokoYakam	Female	CAN_17751247
19	Mr. Tana Totu	Male	CAN_17751267
20	Ms. Rupa Pradhan	Female	CAN_17751276
21	Ms. Sunita Majhi	Female	CAN_17751292

23	Ms. Dipali Hazarika	Female	CAN_17751394
24	Ms. Anjali Chetry	Female	CAN_17751409
25	Mr. JoramJerbin	Male	CAN_17751424
26	Mr. Karma Gyadi	Male	CAN_17751429
27	Ms. Sumi Basumatari Chetia	Female	CAN_17814342

4.4. Profile of the Successfully Certified Candidates

Out of Twenty Seven (27) enrolled candidates, Eight (8) candidates have completed the course successfully and have been certified. The profiles of successfully certified candidates have been detailed below:

Name Ms. Sorry Tarak
Gender Female
PMKVY ID CAN_17731711(Green Jobs)
Email sorrytarak54@gmail.com
Phone Number 8259029637
Educational Qualification 10th Class
Address C/o Maro Tapi
 Upper Subansiri - 791122
 Arunachal Pradesh

Name Ms. Tarh Mala
Gender Female
PMKVY ID CAN_17730767(Green Jobs)
Email Richojr18@Gmail.Com
Phone Number 9436851417
Educational Qualification BDS
Address House No 31
 Chimpu - 791113
 Papum Pare, Arunachal Pradesh

Name Ms. Yame Techhi
Gender Female
PMKVY ID CAN_17729689 (Green Jobs)
Email Yametechi@Gmail.Com
Phone Number 9774691761
Educational Qualification 10th Class
Address Taso Techhi, Bazar Line Seppa,
 Pakro, P. Kessang - 790102
 East Kameng, Arunachal Pradesh

Name Ms. Mero Tech
Gender Female
PMKVY ID CAN_17751188 (Green Jobs)
Email Merotech999@Gmail.Com
Phone Number 7085965176
Educational Qualification 10th Class
Address Pakro – 790102
 East Kameng, Arunachal Pradesh

Name Ms. Bayir Romin
Gender Female
PMKVY ID CAN_17751229 (Green Jobs)
Email Bayirrominbayir@Gmail.Com
Phone Number 6909184121
Educational Qualification 10th Class
Address Villa Road, Bopu Village
 Bopu - 791101
 West Siang, Arunachal Pradesh

Name Ms. Toko Yakam
Gender Female
PMKVY ID CAN_17751247 (Green Jobs)
Email Tokoyakam1122@Gmail.Com
Phone Number 9615772712
Educational Qualification 10th Class
Address E- 469 Town D Sector
 Naharlagun - 791110
 Papum Pare, Arunachal Pradesh

Name Ms. Nabam Jermin
Gender Female
PMKVY ID CAN_17731846 (Green Jobs)
Email Harih.Nabam@Rgu.Ac.In
Phone Number 8787486921
Educational Qualification 10th Class
Address Mengio Pami
Doimukh - 791112
Papum Pare, Arunachal Pradesh

Name Ms. Dipali Hazarika
Gender Female
PMKVY ID CAN_17751394 (Green Jobs)
Email Nil@Gmail.Com
Phone Number 6000366851
Educational Qualification Ability To Read And Write
Address Doimukh Near Railway Station
Gumto 1 - 791112
Papum Pare, Arunachal Pradesh

Part 5: CCTV Installation – Technician (ELE/Q4605)

'CCTV Installation – Technician (ELE/Q4605)' course encompasses 4 out of 4 National Occupational Standards (NOS) of "CCTV Installation Technician" Qualification Pack issued by "Electronic Sector Skill Council". The sector of this course is 'Electronics' and sub-sector is 'IT Hardware'. The course has Four (4) NSQF Level.

5.1. Training Outcomes

The training outcomes of the course 'CCTV Installation – Technician (ELE/Q4605)' are detailed below:

- a. Interact with the customer in order to identify and understand their requirements;
- b. Ensure customer satisfaction;
- c. Install and Repair dysfunctional system;
- d. Identify dysfunctional components through visual inspection and by use of multimeter;
- e. To understand CCTV camera installation requirement in terms of equipment, system, tools, applications appropriate for a particular site;
- f. Select Suitable cameras & DVR to provide the better solution to the customers;
- g. Read and Comprehend signs, labels and warning;
- h. Communicate effectively;
- i. Follow behaviour etiquettes while interacting with others; and
- j. Establishing good working relationships with colleagues within and outside the department by coordinating.

5.2. Course Curriculum

The prescribed course curriculum of the 'CCTV Installation – Technician (ELE/Q4605)' is detailed below:

Sr. No.	Module	Key Learning Outcomes	Equipment Required
1	<p>Basics of Security Surveillance</p> <p>Theory Duration (hh:mm) 16 :00</p> <p>Practical Duration (hh:mm) 16 :00</p> <p>Corresponding NOS Code ELE/N4611</p>	<p>Understand the surveillance system.</p> <ul style="list-style-type: none"> • Knowledge of pro's & con's of surveillance. • Explain the facts of video surveillance • Explain and construct various nodes of CCTV surveillance system 	<ul style="list-style-type: none"> •
2	<p>Functions of Video Surveillance</p> <p>Theory Duration (hh:mm) 16 :00</p> <p>Practical Duration (hh:mm) 16 :00</p> <p>Corresponding NOS Code ELE/N4611</p>	<ul style="list-style-type: none"> • Constructing of a video surveillance system. • Explain function of blocks and equipment required to implement a video surveillance system. • Understanding the facts about CCTV and its interfacing devices 	<ul style="list-style-type: none"> • Camera. • DVR. • Cables • Adapter • Display device.
3	<p>Types of Cameras and their functions</p> <p>Theory Duration (hh:mm) 16 :00</p> <p>Practical Duration (hh:mm) 16 :00</p> <p>Corresponding NOS Code ELE/N4611</p>	<ul style="list-style-type: none"> • Understanding the various types of camera and their functionality. • Reassembling the camera & exam the parts of camera to understand their mechanism. • Selecting suitable camera after understanding 	<ul style="list-style-type: none"> • Camera(diff. types). <ol style="list-style-type: none"> i. CCTV cameras ii. Analog Camera iii. HD Camera iv. IP Cameras v. Dome vi. bullet vii. IR viii. IR array ix. Vandal Proof x. Vari-focal xi. Box camera xii. Wifi camera xiii. PTZ • DVR. • Cable • Screw driver set • Display.
4	<p>Sensors, Light, Lens(and selection) and About Zoom</p> <p>Theory Duration (hh:mm)</p>	<ul style="list-style-type: none"> • Different types of lens and their utility. • Differentiate & select the best camera from the same group depending on the image quality being measured by TVL chart. 	<ul style="list-style-type: none"> • Lenses(diff. types). • Screw driver set • Camera • DVR

	<p>16 :00 Practical Duration (hh:mm) 16 :00</p> <p>Corresponding NOS Code ELE/N4610</p>	<ul style="list-style-type: none"> • Selecting a camera for higher security application. • About Illumination & it's functionality • Different types of zoom technologies & their utility to get a better output in surveillance. • Angle of view settings • Selecting the proper lenses will give you a quality output. 	
5	<p>DVR and Switcher</p> <p>Theory Duration (hh:mm) 17:00</p> <p>Practical Duration (hh:mm) 17 :00</p> <p>Corresponding NOS Code ELE/N4611</p>	<ul style="list-style-type: none"> • DVR as interface to view and record the image transmitted by a camera. • Explain the function of various blocks of DVR. • Understand the recording format of a DVR. • Enabling and disabling the features of a DVR depending on the level of surveillance and customer requirement. • Sequential switcher Matrix switcher • Automatic Sequential Switcher switches the images at specified intervals. 	<ul style="list-style-type: none"> • Customer Application Form • Feedback Form • Packages Form • Props depending on Activity • Videos • Powerpoint • Laptop • Projector • Projector Screen • White Board • Marker
6	<p>Principles of Network Remote Accessing</p> <p>Theory Duration (hh:mm) 17 :00</p> <p>Practical Duration (hh:mm) 17 :00</p> <p>Corresponding NOS Code ELE/N4611 ELE/N4610 ELE/N4609</p>	<ul style="list-style-type: none"> • Explain the nodes for remote access of a CCTV camera / DVR • Configuring the DVR with Different type of router configuration <ul style="list-style-type: none"> o Connection setup o Confirming the Connection. o Connecting DVR to the router o Port Forwarding guide by router o Eg. D-Link, Net gear, Linksys • DVR DDNS Configuration 	<ul style="list-style-type: none"> • DVR. • Camera • Cable • LAN connection/Modem. • Laptop • Display
7	<p>Install the CCTV Camera</p> <p>Theory Duration (hh:mm) 17 :00</p> <p>Practical Duration (hh:mm) 17 :00</p> <p>Corresponding NOS Code ELE/N4610</p>	<ul style="list-style-type: none"> • To understand the warranty associated with the hardware product • To know related documents for the hardware equipments • To know company's policy on product's warranty and other terms and conditions • To know company's customer support and service policy • To know camera specifications such as focus, lens type, zoom • To check the hardware equipments before taking to the installation site • To replace the hardware if there is any issue or malfunction is found while testing 	<ul style="list-style-type: none"> • Practical Lab <ol style="list-style-type: none"> Computer LCD display White board Marker Tool Kit for installing camera Installation manual Safety precaution manual Hardware equipment • Cables <ol style="list-style-type: none"> co-axial(3+1 cable) twisted pair (CAT 6) Routers Switchers • connectors <ol style="list-style-type: none"> BNC

		<ul style="list-style-type: none"> • To Know different types of electronic surveillance products and functionalities • To read the standard operating procedures for different equipment • To Know elements of CCTV systems such as camera, DVR, monitor • To check for critical equipment such as camera, recorder w.r.t quality and output • To ensure all the tools, equipments, utilities are available in good to enable installing in single visit • To know specification and the procedures to be followed for setting up the system • To know functions of electrical and mechanical parts or modules • To know power requirement of different CCTV related equipment • To use BNC connectors for joining cables and crimp them • To connect all the cables from multiple cameras to the CCTV system area • To know installation procedures given in the manuals• To use power cable of specified thickness to connect CCTV system with power supply • To know basic electronics involved in the hardware • To know voltage and power requirement for different hardware devices • To know voltage requirement and other specification on CCTV hardware • To mount the CCTV camera so as to cover maximum area • To decide whether the camera requires any enclosure to protect from dust, vandalism and climatic conditions • To know camera specifications such as focus, lens type, zoom • To know controls of different options in camera such as rotation, speed of movement in pan / tilt camera • To use stable mounting structure and ensure that is not disturbed by wind or rain which would affect the video quality • To decide on the height of camera installation according to the end purpose (for example: if the visitor entering the premise is to be 	<ul style="list-style-type: none"> b. Power pin c. RJ-45 jacks
--	--	---	--

		<p>monitored, camera should not be placed too high and their face would not be captured)</p> <ul style="list-style-type: none"> • To set up the type of camera such as pan, tilt, zoom unit as per customer requirement • To set camera controls • To connect the power and video output cable to the camera • To use tools such as diagonal cutters, screwdrivers, crimp tools, knife for cabling and camera mounting • To use recommended tools for specific equipment to avoid damage • To know functions of electrical and mechanical parts or modules • To know how to operate the system and other hardware • To follow standard operating procedure of tools and equipments and avoid any hazard • To follow the installation manual for specific hardware product • To follow standard safety procedures while installing • To know installation procedures given in the manuals • To operate hardware equipment in CCTV system • To Know safety rules, policies and procedures –To Know quality standards to be followed • To use other specific devices for installation of camera • To improve work processes • To ensure that only quality hardware products are procured complying to industry and quality standards • To ensure product installation and user manual is available which should be given to the user or customer • To ensure that there are no cable joins, sharp bends during cabling • To ensure weather proof (UV proof) cable are used in outdoors • To ensure that cabling is sturdy, protected and does not disturb the ambience of building • To ensure that cameras are protected from light while installing in outdoor • To ensure the intended area is covered during movement in case of tilt or pan type of camera • To assess power requirement of camera and use required power 	
--	--	--	--

		<p>supply and cable</p> <ul style="list-style-type: none"> • To educate customer on use of cameras for desired monitoring and warranty period and annual maintenance requirement • To ensure zero material damage while handling the equipment during installation process • To install target number of CCTVs as per company's policy • To know company's sales and after sales support policy • To know company's policy on product's warranty and other terms and conditions • To know company's customer support and service policy • To know importance of the individual's role in the workflow • To know company's policies on: incentives, delivery standards, and personnel management • To share work load as required • To achieve the targets given on installations • To reduce repetition of errors 	
<p>8</p>	<p>Setup the CCTV Surveillance system</p> <p>Theory Duration (hh:mm) 17 :00</p> <p>Practical Duration (hh:mm) 17 :00</p> <p>Corresponding NOS Code ELE/N4611</p>	<ul style="list-style-type: none"> • To procure and place the Digital Video Recorder (DVR) in an appropriate place as per customer's requirement • To connect all the cameras installed to the DVR • To ensure that all cameras are connected to the DVR and the wiring is appropriate • To connect the monitor (TV / PC) with the video output connection in the DVR • To connect speakers, if required, for audio output to DVR • To connect the camera optional controls (tilt / pan / zoom) to DVR • To use DVR link option to connect with other DVR in the network • To connect the DVR to router, if required, to enable remote monitoring • To connect the power supply of DVR, monitor, speakers to set up the system • To install the appropriate software for IP network or remote monitoring • To enter the appropriate IP address to receive the video signals through IP network / internet • To connect all equipments and switch on to start the video capture 	<ul style="list-style-type: none"> • Practical Lab <ol style="list-style-type: none"> a. Grand Total Course Duration: **360 Hours 00 Minutes**

(This syllabus/ curriculum has been approved [Electronics Sector Skills Council of India](#))

5.3. Details of Enrolled Candidates

Sl.	Name of the Enrolled Candidates	Gender	Candidate ID
1	Mr. Nyajum Riba	Male	CAN_17512543
2	Ms. Biki Appi	Female	CAN_17535378
3	Mr. Taba Jakesh	Male	CAN_17535791
4	Mr. Bengia Bai	Male	CAN_17536025
5	Mr. Tadar Tating	Male	CAN_17536617
6	Ms. Taba Math	Female	CAN_17537025
7	Mr. Millo Horchi	Male	CAN_17537931
8	Mr. Hage Tabyo	Male	CAN_17538432
9	Mr. Bablu Hatimuria	Male	CAN_17539221
10	Mr. Roshan Subba	Male	CAN_17539657
11	Mr. NyklarWeshi	Male	CAN_17540099
12	Mr. Sudem Ramchiary	Male	CAN_17540528
13	Mr. Techu Arun	Male	CAN_17548322
14	Mr. Sonam Rai	Male	CAN_17549233
15	Mr. Nangram Mama	Male	CAN_17686247
16	Mr. LokamTalo	Male	CAN_17689803
17	Mr. Rinku Saikia	Male	CAN_17690302
18	Mr. Rohit Gurung	Male	CAN_17690567

5.4. Profile of the Successfully Certified Candidates

Out of Eighteen (18) enrolled candidates, Nine (9) candidates have completed the course successfully and have been certified. The profiles of successfully certified candidates have been detailed below:

	Name	Mr. Millo Horchi
	Gender	Male
	PMKVY ID	CAN_17537931
	E- mail	millohorchi01@gmail.com
	Phone No.	6009556800
	Qualification	X Pass
	Address	Vill- Lempia PO/PS Ziro, District Lower Subansiri Arunachal Pradesh 791120

	Name	Mr. Hage Tabyo
	Gender	Male
	PMKVY ID	CAN_17538432
	E- mail	byotageha@gmail.com
	Phone No.	7896609620
	Qualification	X Pass
	Address	Lower Subansiri, Ziro, 791120

	Name	Mr. Nangram Mama
	Gender	Male
	PMKVY ID	CAN_17686247
	E- mail	sappymangrii321@gmail.com
	Phone No.	97741 26634
	Qualification	X Pass
	Address	Nikja, Kolaring, Karung Kumey

	Name	Mr. Nyklar Weshi
	Gender	Male
	PMKVY ID	CAN_17540099
	E- mail	niklarweshiniklarweshi@gmail.com
	Phone No.	84130 32525
	Qualification	X Pass
	Address	Weshi, Seppa

	Name	Mr. Rohit Gurung
	Gender	Male
	PMKVY ID	CAN_17690567
	E- mail	rohitgurung171@gmail.com
	Phone No.	96125 18388
	Qualification	X Pass
	Address	Harmuti, North Lakhimpur, Assam

	Name	Mr. Sudem Ramchiary
	Gender	Male
	PMKVY ID	CAN_17540528
	E- mail	sudemramchiary79@gmail.com
	Phone No.	70858 57945
	Qualification	X Pass
	Address	Vill. Rampur, P.oDekapam, P.S. Simenchapori

	Name	Mr. Tadar Tating
	Gender	Male
	PMKVY ID	CAN_17536617
	E- mail	tadartating22@gmail.com
	Phone No.	8837413015
	Qualification	X Pass
	Address	Nyaping, KurungKumey 791113

	Name	Mr. Bablu Hatimuria
	Gender	Male
	PMKVY ID	CAN_17539221
	E- mail	bablubiswas5736@gimail.com
	Phone No.	87944 45437
	Qualification	X Pass
	Address	Bihpuria, North Lakhimpur, Assam

Name	Mr. Rinku Saikia
Gender	Male
PMKVY ID	CAN_17690302
E- mail	NA
Phone No.	9362810608
Qualification	X Pass
Address	Bihpuria, North Lakhimpur, Assam

5.5. Certificates of the Successfully Certified Candidates

Respected Madam / Sir,

This is regarding the Skill Hub Initiative. As discussed in today's meeting, the University may offer one or two courses in any skill trade (to be chosen from the attached QP list) apart from the foreign language courses. **Courses need to be commenced before 15th March, 2022.** Before commencement of the courses, the Universities shall have to register on the skill India portal.

For successful registration of institutions on the skill hub portal, we request you to kindly provide a few relevant details in a google form.

The link to the google form is:

https://docs.google.com/forms/d/e/1FAIpQLSdju_-F1wi8cK7XuUllQpKxYJPrnAuCmueT7wpWrPwvRKKoEdu/viewform?usp=sf_link

Kindly note the following:

1. All the institutions to select NOT MORE than TWO job roles
2. District name to be filled correctly
3. Only ONE email id to be provided for TP and another ONE mail for TC. Please avoid giving multiple mail id against TP and or TC.
4. Mobile number to be of 10 digits, entities should avoid providing details with prefixes like +91, 0, 09.
5. No field to be left BLANK (In case, you do not have any information under a particular column, you may simply write NIL/NA)
6. You need to mention the QP codes and job roles from the attached QP list only.

In case of any queries, you may kindly write to skillhub@nsdcindia.org with a copy to me.

The programme has already been launched on 1st January, 2022.

We shall be grateful if the details are furnished via the google form by tomorrow i.e. 5th March, 2022.

RGU launches two skill dev courses

📅 March 30, 2022 📍

RONO HILLS, Mar 29: Rajiv Gandhi University (RGU) Vice-Chancellor, Saket Kushwaha on Tuesday said skill development, acknowledged universally, was the need of the hour.

He said this after launching two skill development courses – technician for paper bag manufacturing and CCTV installation technician – under the Skill Hub Initiative of Pradhan Mantri Kaushal Vikas Yojana (PMKVY 3.0) on the university campus.

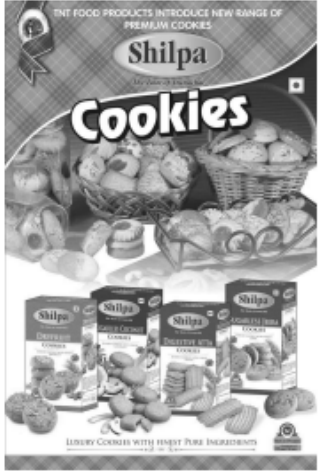

The VC said irrespective of socio-economic background, any individual can excel in life by dint of hard work and skill training. “The programmes launched under the direction of the University Grants Commission, have commenced in offline mode,” he said.

RGU Registrar N T Rikam said skill development is the most important prerequisite for youth development and a self-reliant India. Otem Padung, finance officer and R.C. Parida, director of IQAC spoke on the occasion.

K P Singh, the coordinator of the programme, welcomed the gathering, submitted a detailed note on PMKVY 3.0 and listed its objectives. Arnab Ghosh, Department of Zoology moderated the proceedings and Sanju Meetai, Department of ECE proposed the vote of thanks.

Echo of Arunachal

First Newspaper From The State
Established 20th Feb 1988

RONO HILLS, Dec 22: Rajiv Gandhi University (RGU) distributed certificates to successful candidates for skill development courses offered under skill hub initiative, PMKVY 3.0.

Addressing the gathering, RGU Vice Chancellor Prof Saket Kushwaha emphasized that development of essential skills for self-empowerment will make the youth of Arunachal Pradesh self-reliant. He also said that the University will start a paper processing unit in the campus soon, where the skills of trained candidates through this initiative will be utilized.

He said that skilling India, particularly the youth of the country, is the need of hour for making the 'new India'.

Dr NT Rikam, RGU Registrar said that skill development is most important requisite for youth empowerment in the region. He urged all successful candidates that they must utilize their newly developed skill for their personal and professional development.

Prof. Sarit Kumar Chaudhury, Dean faculty of social sciences, shared his life stories related to the importance of skill development. He also emphasized on the important role of a central university in rendering services to the neighboring communities.

Speaking on the occasion, Prof Otem Padung, RGU Finance officer, encouraged the candidates to take their training further in terms of joining higher level courses in the university and colleges. He said that applied knowledge is very powerful and important to bring positive changes in the community.

Prof P K Panigrahi, the senior most faculty of RGU, highlighted the significance of skill development courses in the overall growth and development of the younger generations.

Two courses were offered namely Technician- paper bag manufacturing and CCTV-Installation technician. A total of 17 candidates have successfully completed their courses. The dignitaries presented the candidates with certificates.

Dr Arnab Ghosh and Dr Sanju Meetei, Asstt Professors, RGU, were the programme coordinators.

Earlier, Dr Kaushalendra Pratap Singh, nodal officer, Skill Hub Centre (SHC), RGU, also spoke.

RGU organises courses on skill development

December 23, 2022

RONO HILLS, Dec 22: Rajiv Gandhi University (RGU) on Thursday distributed certificates to successful candidates for skill development courses offered under skill hub initiative, PMKVY 3.

In his address RGU VC Prof Saket Khushwaha stressed that development of essential skills for self-empowerment would make the youth of Arunachal Pradesh self-reliant.

He said that the university would start paper processing unit in the campus soon, where the skills of trained candidates through would be utilized.

"Skilling India particularly the youth of the country, is the need of hour for making the new India," the VC said and congratulated all successful candidates for their future endeavors.

Registrar Dr N T Rikam, said that skill development is most important requisite for youth empowerment in the region. He congratulated all successful candidates and urged that they must utilize their newly developed skill for their personal and professional development.

Dean of social science Prof Sarit Kumar Chaudhury shared his life stories related to the importance of skill development. He also emphasized on the important role of a central university in rendering services to the neighboring communities.

While speaking on the occasion, RGU Finance Officer Prof Otem Padung encouraged the candidates to take their training further in terms of joining higher level courses in the university and colleges.

He said that applied knowledge is very powerful and important to bring the positive changes in the community.

Two courses were offered during the programme namely, Technician- paper bag manufacturing and CCTV-Installation technician.

A total of seventeen candidates have successfully completed their courses.

The dignitaries presented the candidates with certificates. As a promotion of skill development courses, rupees one thousand were given to each successful candidate. The courses under PMKVY 3.0 aimed at providing vocational training for the candidates, particularly out of education.

The expected outcome of the programme was developed competencies of the candidates and to produce human resource in the field of paper bag manufacturing and CCTV installation along with fulfilling the need of required employability skills of the candidates.
