“We emphasize on imparting Attitude, Knowledge and Skills of the Social Work Profession for development of the students which further could lead to betterment of the society”

Dear Recruiters,

It is a great pleasure for us to introduce you to our first ever Placement Brochure. Along with the students' profile it will brief you about our university, department's curriculum, our networking with various organizations and the interventions and actions undertaken by the department.

The course curriculum of the department is designed to achieve the goal of students' development individually and professionally. It aims to inculcate the students to acquire Social Work knowledge, skills, techniques, principles and follow the code of ethics. But above all it emphasizes in developing one's own attitude, for it believes that attitude is important to above all. Failure in it could delimit the professional competency. The course also facilitates the students to acquire the problem solving skills, application of critical thinking before decision making, enhance emotional intelligence in understanding the people. It helps the students in acquiring life skills and life competency.

The department was established in the year 2015. The introducing batch is the second batch to complete the course. It's a great pleasure for us to acknowledge that the first batch consisting of 13 students are 100 percent placed in various organizations. And we wish the same for the introducing batch through this placement brochure. Kindly contact us for any information with regard to students' placement. We will be glad to have you in our campus for the final placement.

We look forward for the opportunity of developing a long term association with your organization.

Miss. Chaphiak Lowang
Head of Department (i/c)

“The Department is determined to impart knowledge through practice”

The Department of Social Work at Rajiv Gandhi University in Rono Hills on a picturesque tableland continuously flourishing in pursuit of excellence. The dedication and sincerity of faculty and students positioned the Department at forefront in the social work profession in a very short span of time. The Department is determined to impart knowledge through practice. Rigorous Social Work Practice during Concurrent, Block, and Internship is one of the core components of Social Work Pedagogy at the Department of Social Work which heals the Hills in the land of rising sun. Through, rigorous Social Work Practice, students are able to set their dignified behavior standards and improve the knowledge and skill base along with Competence, Commitment, Conviction, and Competitiveness.

Indeed, I am delighted to know that our brand ambassadors, the second outgoing batch of Master of Arts in Social Work (2016-18) are bringing the Placement Brochure first time. I am sure that the employers who are in search of dedicated professionals, their search will come to an end by looking the curriculum vitae of our devoted social work professionals. The batch 2016-18 is having 19 MA (SW) students who are looking for an opportunity to work with your esteemed organizations, which resonate with the purpose of contributing to develop a better society. We look forward to engaging in a dialogue with you to take this forward.

On this precious occasion, I take this opportunity to wish all the outgoing students for their bright future and hope they will continuously striving in their future endeavors.

Dr. Kaushalendra Pratap Singh
Coordinator, Field work

4 The Institute

Rajiv Gandhi University (formerly Arunachal University) is the premier institution for higher education in the state of Arunachal Pradesh and has completed twenty five years of its existence. Late Smt. Indira Gandhi, the then Prime Minister of India, laid the foundation stone of the university on 4th February 1984 at Rono Hills, where the present campus is located. Ever since its inception, the university has been trying to achieve excellence and fulfill the objectives as envisaged in the University Act. The University got academic recognition under section 2(f) from the University Grants Commission on 28th March, 1985 and started functioning from 1st April, 1985. It got financial recognition under section 12-B of the UGC on 25th March, 1994. Since then Rajiv Gandhi University then Arunachal University has carved a niche for itself in the educational scenario of the country following its selection as a University with potential for excellence by a high level expert committee of University Grants Commission from among universities in India. The University was converted into a Central University with effect from 9th April 2007 as per notification of Ministry of Human Resource Development, Government of India.

The University is located atop Rono Hills on a picturesque tableland of 302 acres overlooking the river Dikrong. It is 6.5 km away from the National Highway 52-A and 25 km away from Itanagar, the State capital. The campus is linked with the National Highway by a Dikrong bridge. The teaching and research programmes of the University are designed with a view to play a positive role in the socio-economic and cultural development of the State. The University offers Under Graduate, Post-Graduate, M. Phil and Ph.D. programmes. The Department of Education also offers B.Ed. programme. There are fifteen colleges affiliated to the University. The University has been extending educational facilities to the students from the neighboring States, particularly Assam. The strength of students in different Departments of University and in affiliated colleges has been steadily increasing.

The Faculty members have been actively engaged in research activities with financial support from UGC and other funding agencies. Since inception, a number of proposals on research projects have been sanctioned by various funding agencies to the University. Departments have organized a number of Seminars, Workshops and Conferences. Many faculty members participated in national and international conferences and seminars held within the country and abroad. Eminent scholars and distinguished personalities have visited the University and delivered lectures on various disciplines.
