The Institution

Rajiv Gandhi University

Rajiv Gandhi University (formerly Arunachal University) is the premier institution for higher education in the state of Arunachal Pradesh and has completed twenty five years of its existence. Late Smt. Indira Gandhi, the then Prime Minister of India, laid the foundation stone of the university on 4th February 1984 at Rono Hills, where the present campus is located. Ever since its inception, the university has been trying to achieve excellence and fulfill the objectives as envisaged in the University Act. The University got academic recognition under section 2(f) from the University Grants Commission on 28th March, 1985 and started functioning from 1st April, 1985. It got financial recognition under section 12-B of the UGC on 25th March, 1994. Since then Rajiv Gandhi University then Arunachal University has carved a niche for itself in the educational scenario of the country following its selection as a University with potential for excellence by a high level expert committee of University Grants Commission from among universities in India. The University was converted into a Central University with effect from 9th April 2007 as per notification of Ministry of Human Resource Development, Government of India.

The University is located atop Rono Hills on a picturesque tableland of 302 acres overlooking the river Dikrong. It is 6.5 km away from the National Highway 52-A and 25 km away from Itanagar, the State capital. The campus is linked with the National Highway by a Dikrong bridge. The teaching and research programmes of the University are designed with a view to play a positive role in the socio-economic and cultural development of the State. The University offers Under Graduate, Post-Graduate, M. Phil and Ph.D. programmes. The Department of Education also offers B.Ed. programme. There are fifteen colleges affiliated to the University. The University has been extending educational facilities to the students from the neighboring States, particularly Assam. The strength of students in different Departments of University and in affiliated colleges has been steadily increasing.

The Faculty members have been actively engaged in research activities with financial support from UGC and other funding agencies. Since inception, a number of proposals on research projects have been sanctioned by various funding agencies to the University. Departments have organized a number of Seminars, Workshops and Conferences. Many faculty members participated in national and international conferences and seminars held within the country and abroad. Eminent scholars and distinguished personalities have visited the University and delivered lectures on various disciplines.

Masters of Arts in Social work

The Department of Social Work (DSW) at Rajiv Gandhi University was established in 2015 in the land of rising sun with the aim of providing quality Social Work Education. DSW at RGU is the first full-fledged Department of Social Work offering face-to-face Master of Arts in Social Work (MASW) programme in Arunachal Pradesh. Social Work Education has two very important components vis-à-vis Theory (Class Room Lectures) and Practice (Social Work Practicum). In fact, Social Work Practicum is considered as the Soul of Social Work Education. Social Work is practice based profession like other professions such as medicine and law etc. Students develop the theoretical understanding received in the classroom and practice it in the field at the individual, group and community level. Subsequently, teaching learning process started in the DSW by admitting 16 students in the first batch (2015-17) of MASW programme. The two years MASW Programme is based on Choice Based Credit System (CBCS). DSW is committed to provide quality education and to ensure the quality the DSW offers all seven components of Social Work Practicum from its very first batch.

Candidates for MASW are selected through a rigorous three tier selection procedure that consists of Written Examination, Group Discussion (GD) and Personal Interview (PI). The uniquely designed MASW curriculum with extensive field work, projects, presentations, report writing transforms the talented students into responsible professional social workers. The impetus of social work education in the University is to capacitate the students so that they make an impact in the lives of the people especially the underprivileged and disempowered communities in the state of Arunachal Pradesh and the north eastern region. Therefore, the pedagogy is structured in such a manner that the issues and concerns of the region are addressed and students are engaged actively in the field to become sensitized in creating a socially just and equal society through their contribution.

Our AIM

1. To maximize the development of human potential and fulfilment of human needs, through an equal commitment towards human happiness;
2. To enable people to achieve the best possible levels of personal, social, mental, and physical well-being;
3. To modify environment for achieving social justice through social development and social change;
4. To promote culturally informed, theory driven and evidence-based practice that is respectful of the complexity and diversity of people's lives and circumstances;
5. To equip social workers with knowledge, values, and skills and to prepare competent professionals for practice with diverse systems within local and global context;
6. To embolden stakeholders so as to prepare them towards unforeseen challenges of life with adequate emphasis on Life Skills and Employability;
7. To educate our students as flag-bearers of values based Social work profession with an empathetic, compassionate and indigenous worldview;
8. Grooming students with strategies of advocacy and social change that advance social and economic justice; and
9. To prepare students with critical thinking skills in areas of practice, research, and ethics to help ensure success in Graduate social work programs.

Vision

The Department of Social Work envisions being a Centre of Excellence in higher education for social work education as well as practice. With its remote and unique location, the department also envisions to evolve as strong platform that continually responds to changing social realities through the development and application of knowledge, towards creating a people-centered, ecologically sustainable and just society that promotes and protects dignity, equality, social justice and human rights for all. It envisions a world free from inequities, exploitation, injustice, and violence where civil rights as well as Social-Economic and Political Justice(s) are swiftly and certainly available to every living being.

Mission

The Department of Social Work at Lone Central University of the State (RGU) in its pursuit of the above mentioned vision have been striving at the ground level ever since its inception to provide transformative and collaborative learning that embraces the values of social inclusion and promotes enhanced quality of life for individuals, groups, and communities in the pursuit and achievement of equitable access to social, economic and political resources. Reaching to the relatively unreachable places and communities together with a simple and sustainable approach continues to be our modus operandi.

Message from Vice-Chancellor

"Education is the manifestation of the perfection already in man" -Swami Vivekananda

Society is changing rapidly and in the world filled with incredibly complex, pressing challenges, we need people who are committed to make a difference in the lives of people within their own social environment more than ever before, and that's precisely where social workers come in. Through their commitment to bring about positive social change, helping individuals of all ages thrive in their local environment and being an advocate for those who have lost their voice, social workers play a prominent role in improving the lives of those who need it most.

Indeed, it gives me immense pleasure to learn that the Placement Brochure of our brand ambassadors, the fourth outgoing batch of Master of Arts in Social Work (2018-20) is being released. The Department of Social Work at Rajiv Gandhi University in the land of rising sun is continuously flourishing in pursuit of excellence. The dedication and sincerity of faculty and students has placed the Department at forefront in the social work fraternity in a very short span of time. The Department is determined to impart knowledge through practice. Rigorous Social Work Practice is the soul of Social Work pedagogy at the Department of Social Work which heals the hills in the land of dawn-lit mountains.

Dear recruiters, our students are able to set their dignified behaviour standards and improve the requisite knowledge, skills, and attitude along with 4C's i.e. Competence, Commitment, Conviction, and Competitiveness which would contribute towards building their rewarding career. With great happiness, I invite you to our campus, to interact with our graduating MSW (2018-20) students for their placement. I am sure that your search for dedicated professionals will be met by looking at the curriculum vitae of our devoted social work professionals who are enthusiastic to work with your esteemed organizations, which resonate with the purpose of contributing to develop a better society.

On this precious occasion, I take this opportunity to wish all the outgoing students for their bright future and hope they will continuously strive in their future endeavors. We look forward to building long-term sustainable and mutually beneficial relationship with your esteemed organization.

Prof. Saket Kushwaha

Vice-Chancellor
Rajiv Gandhi University
(A Central University)
Arunachal Pradesh -791112

Message from HOD

"THE BEST WAY TO FIND YOURSELF IS TO LOSE YOURSELF IN THE SERVICE OF OTHERS" – Mahatma Gandhi

Social work is a challenging and rewarding career. Social workers are responsible for helping individuals, families, and groups of people to cope with their problems in their own social environment. The department of Social Work at Rajiv Gandhi University in the land of dawn-lit mountains is continuously imparting the knowledge through its dedicated and sincere faculty members. Meticulous social work practice is the soul of social work education at the department of social work which enhances the requisite competence, knowledge, skills, and attitude of the social work trainees.

Dear recruiters, it provides me enormous happiness to present the Placement Brochure of our fourth outgoing batch of Master of Arts in Social Work (2018-20) and with great pleasure, I invite you to our campus in the land of rising sun, to interact with our graduating Social Work (2018-20) students for their appointment. I am confident that you will get best dedicated social work professionals who can develop a better society with their commitment and conviction by working with your valued institutes.

On this occasion, I take this opportunity to wish all the outgoing students for their bright future endeavors. We look forward to welcome you to build a long-term sustainable and mutual relationship with your esteemed organization.

Dr. Kaushalendra Pratap Singh
Head of the Department,
Department Social Work,
Rajiv Gandhi University

Message from Coordinator- Field Work & Placements

*"A Hand to Hold and a Heart to Understand
is Hallmark of Social Work"*

With immense pleasure and pride, I invite you for the Campus Recruitment process for the year 2018-20 to interact, examine and witness a batch of enthusiastic, vibrant, energetic, and professionally competent students from Department of Social Work, Rajiv Gandhi (Central) University. As a professional course, the two-year Master's Program in Social Work (MSW) equips students to acquire an intensive grounding in theory and practicum. The course curriculum that we impart is an electric mix of core courses and optional courses. It has been our endeavor to upgrade our courses on a consistent basis in order that we impart among our budding professionals an updated knowledge base to facilitate their Knowledge, Skills and Attitude. With our emphasis on Attitude formation for the cause of Social Development simulation exercises and reflective learning have been carefully designed. We make every attempt to ensure a continuous process of Unlearning and Learning. The reflective learning process incorporates seven different components of Field Work Including Orientation Programme, Concurrent Field Practicum, Rural Camp, Block Field Work, Inter Agency Meet, Study Tour and Internship respectively. For the purpose of Concurrent Field Work, the students are exposed to two days in a week for practical exposure(s) to various agencies and communities. It helps in integrating the theoretical pedagogy with the dynamic nature of pragmatic reality (ies). They get opportunities to inculcate social work skills, techniques, competencies, positive attitudes, values and ethics as per their jurisdiction in the real life situations.

The department has climbed the ladder to success in a short span since its inception (2015) and successfully produced the social work professionals who are contributing towards the welfare and development of people. In a span of three years we have nearly ensured 100 percent job placements of our trainees with many of them clearing national level exams like UGC NET and JRF in Social Work. The recruiters so far include national and international organizations, corporate sector, people's movements and grass roots organization and over the years we have been receiving comforting feedback about our students. On behalf of the department I extend a warm invitation to you and your organization to participate in the placements process this year.

Dr. Ravi Ranjan Kumar
Coordinator, Fieldwork,
Department of Social Work

- ♣ Social Work with Youth
- ♣ Ecology and Disaster Management
- ♣ Research Project - B
- ♣ Block Placement
- ♣ Internship

Field Work: The Signature Pedagogy

The Field Work is an integral part of the course, divided into four parts and spread over four semesters, is compulsory for all students enrolled in the course. The duration of the Field Work is one month per semester. The students are placed in NGOs, Government agencies working in the various sectors of community development; in hospitals, rehabilitation centres, counseling centres and similar agencies working in the field of health. They are expected to understand the vision, mission, objectives, strategies and programmes of the agency in which they are placed.

CONCURRENT FIELD PRACTICUM

RURAL IMMERSION CAMP

FIELD STUDY TOUR

BLOCK FIELD WORK

INTERNSHIP

INTER-AGENCY MEET

ORIENTATION VISITS

The Orientation

The orientation programme is aimed at providing appropriate direction to professional learning. It involves familiarizing students with the problems of society, especially issues of marginalization and exclusion as also examining the resource base available for mobilizing them to initiate work in the field. The orientation programme is of five days duration for both MSW 1st and 3rd Semester Students.

The student maintains a daily/weekly report which is shared with supervisor at IC/GC. At the end of the semester the students submit summary report for the semester and viva voice is conducted.

Concurrent Field Work

The field work practice in the first semester consists of orientation visits, lab sessions for skill training and placement. In the first semester, the focus of the field work is the community. The students are placed in communities and in those service settings where they can be exposed to the community and community issues. The students get a close feel of the community and the community settings, understand the dynamics and issues of the community and become aware of the sensitiveness of people while working with them. They also get an actual experience of the programmes and projects implemented in the communities by NGOs and government agencies and the impact that these have on the community. They also interact with the agency personnel and the community members to understand the tension between tradition and change that the communities in the region are likely to experience, and how it is handled. They, with the help of the agency and the field work supervisor, identify an issue and work on it following the principles of community organization. The students are expected to be creative and innovative in assisting the agency and community in whatever way possible.

Normally, a student spends sixteen hours over two days per week in field work. The supervisor conducts individual and group field work conferences regularly.

Our Faculty

Dr. Kaushalendra Pratap Singh: Assistant Professor & Head of Department MASW; Lucknow University, M. Phil, Ph.D. (IGNOU, Delhi); **Recipient of Young Innovator Award** by Asian Association of Open University (AAOU), Japan for his research paper entitled **"Reaching the unreached- IGNOUS interventions in Tihar Central Jail, New Delhi"**

Specialization: Aged Care; Human Resource and Labor Welfare Management; Community Development.

Why Recruit Us?

Best Development Professionals

This year the institution produces a batch of 23 students who are well groomed and confident professionals. Each student has gone through vigorous training in theory, practice and research which have been mentored through simulation exercises, situational interventions and exposure visits across country.

Team Leaders and Multifarious Individuals for Development Sector

Considering the diversity of emerging issues and emphasis on working as team in human development sector, students are trained to play multiple roles from desk to field, grass roots to Social media and to build up and lead teams of diverse natures.

An Amalgamation of Generic and Specialized Courses

Rajiv Gandhi Central University is one of the youngest and well thought after institutions which offer Post Graduate course in Social Work. We have more than 1000 hours of field training across semesters with 10 generic and seven specialized papers in Professional Social Work.

Completed 5 years of Social Work Pedagogy and Practice

When one hires social workers from Rajiv Gandhi University, Rono Hills, Doimukh being the lone Central University of the state, it is from an Institution which is at the forefront of Social Work Pedagogy in the region. The three Batches of Alumni have added to the honour of being up to 100% placed in various Governmental and Voluntary organizations around the country.

Why Recruit Us?

On Job Training

With our exclusive focus on 'Field Work' as 'Signature Pedagogy', the trainees are familiarized with the working environment they will become part of. Through this the trainees get a hands-on experience using tools and technique of Social Work.

Value Based Education

As a core difference between training and education and adhering to the spirit of Social Work as A Value Based Profession, Trainees are equipped with professional competencies like professional ethics and multi-cultural sensitivity and thus making them to be better human beings before a competent professional.

Initiatives taken for the betterment of the Society

The Trainees as a part of professional intervention have taken up various initiatives like sensitization on various issues for example, Gender Sensitization, Free Legal Aid Services, Women helpline/Childline services, Health Camps, etc., through mediums like House Visits, Skit Plays and Workshops etc.
