ACKNOWLEDGEMENTS

The Faculty of Engineering and Technology, Rajiv Gandhi University, would like to express our heartfelt gratitude for the exceptional effort put in by all members and stakeholders who have directly and indirectly contributed to organising the IN-PERSON NPTEL AWARENESS WORKSHOP.

We express our sincere gratitude to Prof. Saket Kushwaha, the esteemed Vice Chancellor of Rajiv Gandhi University and the chief patron of the IN-PERSON NPTEL AWARENESS WORKSHOP, for his unwavering encouragement, support, and direction.

I am writing to express my heartfelt gratitude for the exceptional efforts put forth by you and the team at NPTEL, IIT Madras, in organizing the recent awareness workshop. Your dedication to advancing knowledge and promoting awareness in SWAYAM-MOOC NPTEL platform has truly made a significant impact on all the participants.

The workshop served as an invaluable platform for individuals from diverse backgrounds to come together, learn, and exchange ideas. The insightful presentations, interactive sessions, and expert discussions facilitated by the esteemed faculty not only enhanced our understanding of SWAYAM-MOOC NPTEL, but also inspired us to explore new avenues in our respective fields.

Your visionary leadership and commitment to academic excellence were evident throughout the workshop, creating an environment that fostered collaboration and intellectual growth. It is evident that the efforts invested in organizing such events contribute significantly to the academic and professional development of the participants.

I would also like to extend my appreciation to the entire NPTEL team for their hard work and dedication in ensuring the smooth execution of the workshop. The seamless coordination and attention to detail were instrumental in making the event a resounding success.

Conveners

Dr. Maibam Sanju Meetei,
Associate Professor, ECE

Mr. Bhaskar Jyoti Chutia, Asst. Prof., CSE

About the Programme

SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds) is an initiative by the Government of India aimed at providing high-quality, accessible education to anyone, anywhere. It is a Massive Open Online Course (MOOC) platform that offers a diverse range of courses across various disciplines, including arts, science, commerce, engineering, and more.

Key features of SWAYAM MOOC include:

1. **Massive Open Online Courses (MOOCs):** SWAYAM offers free online courses to learners across the country. These courses are designed by faculty members from premier institutions in India, ensuring high-quality content and pedagogy.
2. **Accessibility:** SWAYAM courses are accessible to anyone with an internet connection, making education more inclusive and reaching learners in remote areas.
3. **Various Disciplines:** The platform covers a wide array of subjects and disciplines, ranging from school-level courses to higher education and professional development. Learners can choose courses based on their interests and educational needs.
4. **Interactive Learning:** SWAYAM promotes active learning through interactive multimedia content, quizzes, assignments, and discussion forums. This engagement fosters a more dynamic and effective learning experience.
5. **Certification:** Upon successful completion of a course, learners have the option to obtain a certificate. These certificates are issued by the participating institutions and are recognized by academic and professional bodies.
6. **Credit Transfer:** SWAYAM also facilitates credit transfer for certain courses. Learners who successfully complete specific SWAYAM courses can earn credits that may be transferred to their academic records in affiliated institutions.
7. **Collaboration with Institutions:** SWAYAM collaborates with universities and institutions across India to offer a wide range of courses, ensuring that learners have access to content developed by experts in their respective fields.

SWAYAM MOOC plays a crucial role in democratizing education in India, providing opportunities for learners of all ages and backgrounds to enhance their knowledge and skills. The platform aligns with the government's vision of leveraging technology to make education more accessible and inclusive.

The article title is "RGU conducts SWAYAM-NPTEL awareness workshop" with a sub-date of "November 23, 2023". Below the title are social media sharing icons for Facebook, X, Pinterest, and WhatsApp. The main text of the article reads: "RONO HILLS, 22 Nov: Over 120 participants attended a one-day awareness workshop on 'SWAYAM-NPTEL' organized by the faculty of engineering and technology, Rajiv Gandhi University (RGU) in collaboration with National Programme on Technology Enhanced Learning (NPTEL), Indian Institute of Technology (IIT), Madras, here at RGU on Wednesday. RGU vice chancellor prof. Saket Kushwaha in a message, mentioned that NPTEL is an initiative of the ministry of education, GOI, under which IITs and IISc offer online certificate courses through MOOCs platform SWAYAM in various courses like engineering, basic sciences, humanities, social sciences, management, law and health sciences. He also stated that the workshop will help in introducing the faculty members with innovative teaching methods and online learning tools used by NPTEL. Department of economics professor Sushanta Kumar Nayak and joint registrar (academics) Dr. Nani Tamang Jose also spoke. RGU SWAYAM coordinator Tsering D. Megeji highlighted the importance of NPTEL courses and SWAYAM platform from university's perspective and highlighted various issues like lack of sufficient number of SWAYAM examination centres in Arunachal Pradesh and examination registration fees. Faculty of engineering and technology dean prof. Utpal Bhattacharjee underscored the significance of SWAYAM NPTEL courses in the evolving educational scenario of maintaining
