DEPARTMENT OF ENGLISH

No./RGU/ENG/MM/7

Date: 12/10/2022

NOTIFICATION

The Department of English has implemented a mentoring system to improve the overall quality of the teaching-learning process. This initiative aims to enhance academic growth, provide personal counselling, offer educational guidance, deliver career counselling, and make research-related resources readily available for the betterment of the individuals and foster the best institutional practices within the department. For the academic session 2022-2023, the following faculty members have been appointed as mentors for all students in the department. These mentors will guide and support the students throughout their entire duration of study under their respective programmes. Students are advised to promptly register their names by consulting their respective mentors within five days of the circulation of this notice.

We believe that this mentoring system will significantly benefit students by providing them with valuable guidance and support. It is an opportunity for students to maximize their potential and make the most out of their educational journey. We encourage all students to take advantage of this program and actively engage with their mentors. Please note that the mentoring system is a crucial component of our commitment to ensuring a conducive learning environment for every student in the Department of English. We look forward to witnessing the positive impact it will have on the personal and academic growth of our students.

If students encounter any issues, problems, or require guidance and counselling in academic, administrative, personal, or psychological domains, we kindly request them to approach their mentors. Our dedicated mentors are available to assist students and provide the necessary support they need in these areas.

Mentor Name (2022)

List of Mentor-Mentee MA 1st Semester (2022-23)

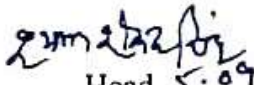

NOTIFICATION

It is to notify that the Department of Hindi has decided to adopt mentoring system for quality enhancement in the teaching learning process. The proposed mentoring system will augment the academic growth, personal counseling, educational guidance, career counseling and research related resources for the betterment of the individual personality in particular and development of the best institutional practices as a whole. In this regard the following faculty members will be acted as mentor for all the students/scholars of the Department for the academic session 2022-23. The students are advised to register their names by consulting the respective mentors positively within 5 days of the circulation of the notice. They will be the mentee for the total period of study in the department under respective programmes.

If the students confronts any issues, problems or seek necessary guidance and counseling related to academic, administrative, personal or psychological related domains they are requested to meet their mentors.

MENTOR-MENTEE

MA 1st SEMSTER DETAILS-2022

In order to resolve day to day academic problems of the students, mentors are appointed for a batch of 9 (nine) students, and they will counsel the respective students to solve the problems that one may come across during their course of study. The mentors are expected to support and encourage their learning and development. The students can seek advice and support about studying in a new environment and other information as required. This is a continuous process till the end of academic career of the student.
