**FC: 27:06:** To consider the proposal for extending pro-rata pension to the retired employees and family pensioners of Rajiv Gandhi University (Employees of State University period) in whose cases the State Government has paid the pension liabilities to the Central University.

The FC noted that the retired employees of RGU who were initially appointed by the State Government and in whose cases the State Government has deposited the pro-rata pension liabilities to the Central University are requesting the University time and again to consider for extending at least the pro-rata basic pension based on their pay as on 08/04/2007 revised as per the 7<sup>th</sup> CPC w.e.f 01/01/2016 as a temporary measure to sustain their family as the University's request for approval of counting of past service rendered by the employees in State University period counted for the purpose of full pensionary benefits (combined services rendered in state as well as central university) is substantially delayed. The Pension matter of this University is under process in various Ministries of Central Government and the queries made by the Ministries have been clarified by the University from time to time.

The FC also noted that the Government of Arunachal Pradesh with the approval of its State cabinet has accorded ex-post-facto approval for implementation of GPF-cum-Gratuity (Pension) Scheme 1972 for the employees of Rajiv Gandhi University (the then Arunachal University), Arunachal Pradesh from 23/2/1984 to 8/4/2007 vide Gazette Notification No.14 Vol-XXXII, dated July 30, 2021 and also sanctioned a net amount of ₹ 840.00 lakhs after taking into account/adjustment of the employer's share in CPF for the said period as per sanction order No. SEDN/87/2014 dated 11<sup>th</sup> March 2020. The said amount has been deposited to Gratuity-cum-Pension fund account of Rajiv Gandhi University and kept in term deposit. The interest income from the State Corpus is more than sufficient to pay the basic pension to the family pensioners and retired employees.

Further, the FC noted that presently, the University is having a pension corpus of ₹ 26.17 crores (State funds) and yearly returns/ interest against the pension corpus is **Rupees 1.91 crores** approx. As of now the University is having 42 numbers of retired employees including the family pensioners. The detailed working sheet was placed to the FC as **Annexure-27:06-F**. As per the working sheet an amount of **Rupees 1.35 crore** is required for the financial year 2023-2024 for the purpose of payment of basic pension (without arrears, commutation and Dearness Relief) to the retired and family pensioners which may be paid out of the interest of pension corpus of State period as a temporary measure till such time the central Government approve counting of past services rendered in State Government in the old pension scheme and continuance of pensionary benefits based on combined service.

The FO informed the FC that the State Govt is putting pressure on the University and asking for UC of State's share incurred for disbursement of pro rata pension to its retired employees. The MoE, IFD/UGC observed and expressed its concern over the genuineness of the proposal. However, raised observation that in future how the University will pay pension to its retired employees on a permanent manner? The University need to confirm that they will be able to pay and provide the source of fund to pay pro rata pension to its retired employees for their entire life on a permanent manner. The FC suggested the University to calculate pro rata pension of its employees for next 50 years or so and send it to IFD of MoE/UGC for further action. The FC resolved and advised the University to send a comprehensive/detail proposal on the matter to the Ministry of Education and UGC for further action.

The FC while discussing the agenda also noted the comments of UGC vide letter No. F.20-6/2018 (CU) dated 02.02.2024 and IFD of MoE vide letter No. 9-7/2024-IFD.pt dated 13.02.2024.

**FC: 27:07: To approve financial involvement in various Construction projects as recommended by the Building Construction Committee in its 28<sup>th</sup> meeting held on 4<sup>th</sup> September, 2023.**

The FC noted that the Building Construction Committee in its 28<sup>th</sup> Meeting held on 4<sup>th</sup> September 2023 has recommended construction of various projects the details of which was placed to the FC as **Annexure-27-07-G**.

The FC perused and approved the recommendations of the BCC in its meeting held on 04/09/2023.

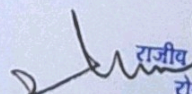

The IFD, MoE/UGC suggested the University to bifurcate source of fund head-wise/component wise; i.e., fund from UGC, State Government, HEFA/EWS and fund from its own resources for meeting up the cost of construction of various projects to be taken up. The IFD of MoE/UGC directed the University that they should send the UC along with the completion documents immediately to MoE/UGC and once it is finalized and approved, the University will get settlement letter from the Ministry/UGC.

The FC while discussing the agenda also noted the comments of UGC vide letter No. F.20-6/2018 (CU) dated 02.02.2024 and IFD of MoE vide letter No. 9-7/2024-IFD.pt dated 13.02.2024.

**FC: 27:08: To consider and approve the Central Wage rate for Outsource Staff.**

The FC noted that the University is outsourcing the security management through a local Security Agency. The University is paying an amount of ₹ 5.34 lakh per month to the agency for 2 Nos. of Supervisor and 40 Nos. of security personnel (₹ 12,000/- and ₹ 10,000/- per month). The wage has been enhanced to ₹ 18,000 per month (Security Guard) ₹ 21,000 (Supervisor) w.e.f January 2024 and accordingly the monthly commitment has increased to ₹ 7,62,000/- for 2 Nos. of Supervisor and 40 Nos. of security personnel. The University is contemplating to manage the security system by engaging retired armed force personnel as security personnel on daily-wage basis at the rate of Central Govt. minimum wages notified by the Ministry Labour and Employment, GoI from time to time.

The IFD, MoE/UGC advised the University to follow the minimum wage rate approved and notified by the State Government. Further, University should ensure that fund for outsourced staffs (contract and contingency posts) should be paid from the Recurring Head (31). The FC resolved that minimum wage rate which is subject to revision from time to time approved and notified by the State Government in respect of security personnel shall be paid to the outsourced security staff appointed by the University.

The FC while discussing the agenda also noted the comments of UGC vide letter No. F.20-6/2018 (CU) dated 02.02.2024 and IFD of MoE vide letter No. 9-7/2024-IFD.pt dated 13.02.2024.

**FC: 27:09: To consider enrolment of contract and contingency employees under EPF and Miscellaneous Act, 1952 beyond teaching to non-teaching ratio of 1:1.1.**

The FC noted that the University is engaging 429 contract and contingency employees for carrying out various activities of the University like; sanitary workers, mali, cook, kitchen attendant, workers in Development Wing, MTS, DEO etc., and these employees have not been enrolled under the mandatory social security benefits like **Employees Provident Funds Scheme, 1952, Employees Pension Funds Scheme, 1952 and Employees Deposit Linked Insurance Scheme 1976**. It is also stated that non-enrolment of eligible employees under the Act is a violation of Section 6 of the Act read with Para 29/30 of the EPF Scheme 1952 and warrants necessary legal action/prosecution under section 7A/14 of the act including levy of penal damages / interest under section 14 B/7Q of the Act. Since, these contingency and contract employees are not regular employee of the university, consideration may be made to enrol such employees under EPF and Miscellaneous Act 1952 in case of teaching to non-teaching ratio if exceeds 1:1.1.

The IFD of MoE/UGC raised a few queries, such as; (i) University should justify and clarify why employees have been engaged beyond the UGC approved ratio, i.e. 1:1.1 and whether approval of the competent authority/UGC was obtained before engaging such employees. (ii) Are the university engaging work force against the UGC sanctioned positions or not? (iii) Whether the engaged force will be counted against the sanctioned regular posts? (iv) How retrospective payment will made for engaged/re-engaged staff? and (v) How many total approved positions the University have at present -teaching and non-teaching? It was informed to the Members by the University that since 2012 no new non-teaching positions were sanctioned by the UGC. Responding to the queries, F.O informed that the University has expanded vertically and horizontally over the last many years. Further, there are no agencies in the state from where contingency and contractual employees like safai karmachari, gardener, MTS, etc. can be hired/outsourced. The FC also suggested that University should explore the possibility for outsourcing of contract/contingency employees based on the sanctioned strength to the extent possible through GeM so that the facility of EPF can be extended to staff engaged through agencies.

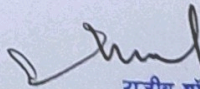

The FC while discussing the agenda also noted the comments of UGC vide letter No. F.20-6/2018 (CU) dated 02.02.2024 and IFD of MoE vide letter No. 9-7/2024-IFD.pt dated 13.02.2024.

**FC: 27:10: To consider and approve Allowance to the Chancellor.**

The FC noted that this University has an honorary position as Chancellor appointed by the Visitor as per the Act of Rajiv Gandhi University. Presently incumbent is in position. The University proposes to grant the following allowances, etc. to the Hon'ble Chancellor.

**FC:27:11: To consider and approve the matter regarding deduction of Union Fee of RGUEA and RGUTA Members from the Salary Account.**

The FC noted that General Secretary, RGUEA has submitted a representation for deduction of RGUEA Union Fee from the salary of regular staff once in a year @ 600/-, 360/- and 240/- of the Group 'A' 'B' and 'C' respectively (**Annexure:27:11-H**). Besides, RGU has been deducting the monthly subscriptions of Membership Fee of RGUTA directly from salary account at source till September 2023.

The above practice of deduction of Membership Fee at source need to be stopped from the audit point of view and for greater interest of the employees of RGU. However, such subscriptions may be allowed to be deducted from concerned Bank A/c of the employee on giving consent from the respective employee.

**The FC discussed and resolved to stop the proposal of deduction of Membership Fee from the salary of the regular employees by the Employees' Unions; viz. RGUEA and RGUTA henceforth. It was informed by IFD, MoE/UGC that such deduction from salary account does not exist in the University system.**

**FC: 27:12: To consider and approve for immediate relief of ₹ 10,000/- to the dependant of deceased contingency/contractual employees of RGU.**

The FC noted that in the event of death of contingency/contractual employees of RGU and amount of ₹10,000/- (Ten Thousand) only is proposed as a one-time financial assistance to the dependant of deceased contingency/contractual staff. The said amount shall be paid from interest generated from the Welfare Fund of the University.

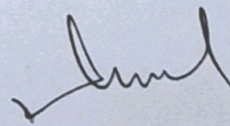

**The FC approved the proposal. The FC while discussing the agenda also noted the comments of UGC vide letter No. F.20-6/2018 (CU) dated 02.02.2024 and IFD of MoE vide letter No. 9-7/2024-IFD.pt dated 13.02.2024.**

**FC: 27:13: To consider and approve Sitting fee of ₹ 3000/- to internal members of Selection Committee of Teaching and Non-Teaching**

The FC noted that University is paying ₹ 5,000/- only as sitting fee to the external members. Till date the internal members were not paid such sitting fee. So it is proposed to pay the sitting fee to the internal members also @₹ 3000/- only to each member.

**The proposal was not considered by the FC. Hence, the item was dropped.**

The FC while discussing the agenda also noted the comments of UGC vide letter No. F.20-6/2018 (CU) dated 02.02.2024 and IFD of MoE vide letter No. 9-7/2024-IFD.pt dated 13.02.2024.
